

Bolster border security by retaining CBP officers, providing technologies and equipment to front-line officials, and upgrading deteriorating infrastructure at ports of entry;

Expand maritime security by the furthering of the Coast Guard's recapitalization initiative to replace its aging fleet;

Enhance cybersecurity by investing and deploying cyber systems to protect critical cyber infrastructure from all cyber threats.

Strengthen aviation security by making enhancements in the vetting of foreign travelers air-bound for our country, a known threat since well before the Christmas Day plot of 2009.

Playing fast and loose with homeland security is not the way to put our Nation's fiscal house in order. The Republican draconian approach to budgeting will add insult to injury to the Department of Homeland Security that has already struggled for six months without its budget. I urge my colleagues to join me in voting against this damaging deflection of a bill.

HONORING DR. HENRY LEWIS III

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 8, 2011

Ms. WILSON of Florida. Mr. Speaker, I rise today in support of the groundbreaking achievements of Dr. Henry Lewis III, the twelfth president of Florida Memorial University. Florida Memorial University is South Florida's only Historically Black College and University (HBCU) and the third oldest institution of higher learning in the state of Florida. He has served as Dean and Professor in the College of Pharmacy and Pharmaceutical Sciences at Florida A&M University (FAMU) for the last 15 years. Dr. Lewis served as Interim President of FAMU from January through June 2002. He also served as Dean of the Texas Southern University College of Pharmacy and Health Sciences for four years.

A native of Tallahassee, Florida, he received his Bachelor of Science Degree in Pharmacy from FAMU and his Doctor of Pharmacy degree from Mercer University. He completed post-doctoral training in the Institute for Education Management at Harvard University, the National Institutes of Health, the Congressional Operations Institute, the American Association of State Colleges and Universities Millennium Presidential Leadership Program and Duke University Directors Program.

President Lewis is an inspiration to many creating history wherever he goes. Dr. Lewis is past president of the Minority Health Professions Foundation. He is also past president of the Foundation's sister agency, the Association of Minority Health Professions Schools. Under his leadership, these two organizations—representing all of the nations historically black medical, dental, pharmaceutical, and veterinary medical programs—have secured over \$100 million in support of programs, research and activities that improve the quality of education and the availability of health, care to minority and under-served communities. He has served as president of the National Pharmaceutical Association representing more than 10,000 minority pharmacists in the United States. He is the former Chairman of the Board of the Florida Education Fund, the nation's largest producer of African-American PhDs.

An accomplished biomedical researcher with a focus on sickle cell anemia, Dr. Lewis has been the principal investigator or project director on research/training grants totaling over \$95 million. He has served on numerous governmental review committees. He currently serves on the National Center for Research Resources National Advisory Board. He has increased the endowment of the FAMU College of Pharmacy from \$1 million to over \$22 million under his leadership.

Mr. Speaker, I ask you and my colleagues to join me in celebrating the transformative work of Dr. Henry Lewis III. His life story is an example of overcoming obstacles with integrity and leadership. He now continues his work by leading Florida Memorial University. Dr. Lewis is a national treasure, who is very deserving of this recognition.

CELEBRATING THE 50TH ANNIVERSARY OF HOLLIN HALL AUTOMOTIVE

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 8, 2011

Mr. CONNOLLY of Virginia. Mr. Speaker, it is my great honor to recognize the 50th anniversary of Hollin Hall Automotive, a family-owned automobile service station in Fort Hunt, Virginia, with a record of both excellent service to their customers and substantive involvement in the local community.

Hollin Hall Automotive was founded on May 1, 1961, by Leon Harvey Sr. and his wife Ruth Ann Harvey. The subsequent success of the Harvey business and their community involvement serve as an inspiration to all in our district. Since the initial investment 50 years ago, Hollin Hall Automotive has witnessed Fort Hunt prosper and evolve from rural farmlands to thriving suburb. The service station has sur-

vived the 1973 oil crisis, experienced numerous advancements in technology, and stood the test of time while other businesses came and went. The Harveys have hired many high school students over the years and watched as these same students matured and entered into society as adults.

Mr. Leon Harvey, Sr. is no longer with us but he is survived by his seven sons and his wife who continues to run the cash register to this very day. Their son, Tom Harvey, has assumed leadership of Hollin Hall and the business which continues to thrive. Even with the backdrop of Fort Hunt's rapid expansion, the Harvey family and employees of Hollin Hall maintain their personal involvement in their ever-growing community.

Mr. Speaker, I ask my colleagues to join me in recognizing the 50th anniversary of Hollin Hall Automotive and the exceptional service it has provided to the Fort Hunt community. We wish the Harvey family and continued success in maintaining their local business.

FINDING GOD IN THE MIDST OF SUFFERING

HON. FRANK R. WOLF

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 8, 2011

Mr. WOLF. Mr. Speaker, I submit the New York Times obituary of William J. Stuntz, an influential legal scholar, who died last week after a 3-year battle with metastatic colon cancer. He was 52.

I also submit a piece which Mr. Stuntz authored in 2009 for Christianity Today titled "Three Gifts for Hard Times." Christianity Today re-ran the piece this month in honor of Stuntz's passing. In the face of great personal hardship, including chronic pain which plagued him for more than ten years, Mr. Stuntz found tremendous strength in his Christian faith, and wrote of it in ways both compelling and poetic. I commend it to my colleagues.
