THE STATE OF TEXAS HOUSE OF REPRESENTATIVES

HON. K. MICHAEL CONAWAY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2011

Mr. CONAWAY. Mr. Speaker, I submit the following:

H.R. No. 1694, RESOLUTION

Whereas, On September 11, 2001, Osama bin Laden, a sworn enemy of the United States of America, coordinated a series of monstrous and cowardly terrorist attacks that resulted in the tragic loss of 2,977 innocent lives, leading to an engagement in a war on terrorism across many fronts; and

Whereas, On May 1, 2011, after nearly 10 years of bin Laden's evasion of military and intelligence forces seeking his capture, President Barack Obama declared to the nation and the world that bin Laden had finally been killed, and that "Justice has been done."; and

Whereas, The president's patience, leadership, wisdom, and determination have led directly to the demise of the most wanted man in the world and have hardened this nation's resolve to defeat the forces of malevolent fanaticism, and by destroying the mastermind behind the worst terrorist attack on American soil he has struck a significant and historic blow against Al Qaeda; and

Whereas, Following the death of the perpetrator of the attacks, the family members and friends of those who lost their lives in the attacks on September 11 are able to achieve a greater sense of closure; and

Whereas, After months of meetings of the National Security Council, led by President Obama, who directed intelligence officials to zero in on bin Laden's whereabouts, intelligence officials devised and carefully carried out a clandestine operation, which had frequently been rehearsed in an effort to minimize casualties, both civilian and military; and

Whereas, As commander-in-chief of our great nation, he boldly gave the final authorization to commence the operation to brave and highly trained members of our nation's armed services; and

Whereas, Upon hearing the news of bin Laden's elimination, in an impressive show of unity and in defiance of the fanatics who still today seek to destroy our free way of life, jubilant citizens expressed pride in our nation and our president by spontaneously celebrating the news in cities across the country, singing "The Star Spangled Banner" and loudly chanting "U-S-A," and former presidents Bill Clinton and George W. Bush have offered him their congratulations; and

Whereas, Domestically, he has acted with both initiative and organizational acumen toward the precautionary defense of our citizens and has successfully prevented a terrorist attack on American soil during his service to our nation as president; and

Whereas, Internationally, he has wisely exercised the use of diplomacy to nurture collaborative relationships with other nations, which has helped improve the freedom and safety of the world's people; and

Whereas, President George W. Bush had the near universal support of the freedom-loving peoples and countries of the world after the attacks on September 11, 2001, when he famously pledged to defend freedom, against fear, saying "We will not tire, and we will not falter, and we will not fail," and

President Obama had the strength and wherewithal to see that pledge through to fulfillment; and

Whereas, Legislators in Texas reaffirm the solemn creed that we are one nation, under God, indivisible, with liberty and justice for all, who stand strongly behind the president with respect to these several issues as he confronts the grave problems of national and international security; now, therefore, be it

Resolved, That the House of Representatives of the 82nd Legislature of the State of Texas hereby congratulate President Obama on his proven and successful policies in the war on terrorism and in homeland security; and, be it further

Resolved, That the House of Representatives of the 82nd Legislature of the State of Texas hereby commend the intelligence personnel who diligently and quietly toiled for years to uncover the whereabouts of bin Laden and whose achievement, while historic, may never be fully known to the public; and, be it further

Resolved, That the House of Representatives of the 82nd Legislature of the State of Texas hereby commend the members of the armed forces who successfully and heroically carried out an incredibly sensitive mission with no military losses and with a minimal loss of civilian lives; and, be it further

Resolved, That the chief clerk of the Texas House of Representatives forward official copies of this resolution to the president of the United States, to the speaker of the House of Representatives and the president of the Senate of the United States Congress, to the governor of Texas, and to all the members of the Texas delegation to Congress with the request that this resolution be officially entered in the Congressional Record as a memorial to the Congress of the United States of America.

JOE STRAUS,
Speaker of the House.

I certify that H.R. No. 1694 was adopted by the House on May 2, 2011, by a non-record vote.

ROBERT HANEY,
Chief Clerk of the House.

SOUTHWEST AIRLINES TURNS 40

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2011

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, it is my pleasure to congratulate Southwest Airlines on the 40th anniversary of the airline's first passenger flight on June 18th, 1971.

I also commend Herb Kelleher and Rollin King who came up with a vision for a low cost and quick airline. Together they came up with the idea of Southwest Airlines in 1967. Unfortunately, Southwest was forced to hold off on its plans as it was being held in litigation for three and a half years.

And on June 18, 1971, Southwest Airlines started service among Dallas, Houston and San Antonio with three Boeing 737s. Right from the start, Kelleher and Southwest emphasized the business philosophy of taking care of employees first, and they will take care of your customers.

In 1973, when Southwest ran into some financial difficulties, they had the choice of either letting go of some of their employees or selling one of their planes. They sold the plane and kept their employees.

Kelleher infused Southwest's culture with his personal values—humbleness, warmth, sincerity and a care and service of people. If you treat people with respect, they will feel valued and add their own personality to whatever they do. If you empower people at all levels of the organization to be able to make decisions, you'll make leaders everywhere. It's about putting the team first and serving the greater good.

In May 2008, Kelleher stepped down as the airline's Chairman, but stayed on as an adviser and employee. Kelleher, who turned 80 this year, is chairman emeritus.

Mr. Speaker, as a Member of the House Transportation Subcommittee on Aviation and a senior Texan on the House Transportation and Infrastructure Committee, I am pleased to recognize Southwest Airlines' great contribution to the transportation industry.

Tuesday, June 21, 2011

Mr. PAUL. Mr. Speaker, on Saturday, June 11, 2011, the Brazoswood Buccaneers baseball team won the title of Texas 5-A State Champions at the Dell Diamond in Round Rock, TX. It is with great pleasure that I extend my congratulations to the players and coaches of the Brazoswood Buccaneers baseball team on their outstanding victory.

The Brazoswood Buccaneers baseball team finished the playoffs with an undefeated 12–0 record, which put their season-ending winning streak at fourteen. AGRICULTURE, RURAL DEVELOPMENT, FOOD AND DRUG ADMINISTRATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2012

SPEECH OF

HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 14, 2011

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2112) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 2012, and for other purposes:

Ms. RICHARDSON. Madam Chair, I am compelled to rise in strong opposition to H.R. 2112, the Fiscal Year 2012 Agriculture, Rural Development, Food and Drug Administration and Related Agencies Appropriations Act for three reasons.

First, the bill makes drastic and dangerous cuts to food safety programs and nutrition assistance for women, children, and seniors.

Second, by underfunding President Obama's request by 23 percent, this bill also makes draconian cuts to necessary conservation programs that protect our country's water supplies and manage critical natural resources.

Third, this substantially reduces funding for the Commodity Futures Trading Corporation, the watchdog agency designated by Congress to protect consumers from Wall Street greed and predatory conduct.

Madam Chair, the funding reductions in this bill will adversely affect every American. For example, the \$285 million slashed from the Food and Drug Administration will be a devastating blow to the agency tasked with ensuring food safety standards. The FDA is our country's first and most important line of defense against diseases such as E.coli and Salmonella, and with outbreaks of these illnesses on the rise, this cut endangers everyone in America.

In my home state of California, agriculture is a \$36.6 billion industry that generates at least \$100 billion in related economic activity. Any threat to the quality of our produce jeopardizes the economy of our state and the health of all who enjoy our products.

Madam Chair, this bill recklessly cuts funding for the Commodities Futures Trading Commission by 44% below the President's budget request. The CFTC was established to implement Wall Street reforms and is charged with policing price speculation in commodities, futures, and derivatives markets. The reduction in funding obviously is intended to deprive the CFTC of the resources needed to detect, deter, and prevent the abusive practices that culminated in the economic collapse of 2008. Crippling the CFTC will leave Wall Street speculators free to drive up the price of oil and other commodities while making it more difficult to protect the pension plans of hard working Americans from the effects of another economic downturn.

Madam Chair, this bill also hurts our environment by cutting \$1 billion from conservation programs. The Conservation Stewardship Program (CSP) would be cut \$171 million relative

to its FY 2012 farm bill-mandated level, and if this bill becomes law the government would be unable to honor contracts it has already signed with farmers across the country employing environmentally sustainable agricultural methods.

The bill also cuts the Environmental Quality Incentives Program (EQIP) by \$350 million. The bill cuts the Wetlands Reserve Program (WRP) by 64,200 acres and the Grasslands Reserve Program (GRP) by 96,000 acres. In addition, the Farm and Ranch Lands Protection Program (FRPP) and the Wildlife Habitat Incentives Program (WHIP) would be cut \$50 million and \$35 million, respectively. The bill would also cut the Natural Resources Conservation Service's (NRCS) conservation operations budget by nearly \$128 million.

Another troubling aspect of this bill is the reduction made to domestic and international nutrition programs, which hurt the most vulnerable among us.

The proposed cuts to the Women, Infants, and Children nutrition program (WIC), the Commodity Supplemental Food Program (CSFP), and the Emergency Food Assistance Program (TEFAP) would see hundreds of thousands of low-income women, infants, children and seniors losing their food aid.

Last year, WIC provided nutritious food, counseling on healthy eating and health care referrals for over 9 million women and children under age five and saved more than 200,000 babies from dying at birth. Proper nutrition combats low birth weights and improves a baby's immune system, saving on healthcare costs. The Republican-proposed \$650 million cut to the WIC program would deny these services for up to 350,000 low-income women and young children for the next year. In California, 31,800 to 55,700 women and children would be turned away.

Cuts to the CSFP and TEFAP would hurt low-income senior citizens who have extremely limited options when it comes to proper nutrition. There are 52,000 seniors living in the 37th Congressional District of California, which I represent, and nearly 15 percent of them depend on these programs to stay healthy and avoid hospital visits due to poor dietary health. For this reason, I offered an Amendment to H.R. 2112, redirecting \$10 million to CSFP so senior citizens will not have to choose between paying for medication and paying for food.

Finally, H.R. 2112 makes drastic cuts to international food aid and poverty alleviation programs. These programs constitute a critical component of US foreign policy, expressing humanitarian goodwill to our allies around the world and promoting a positive image of America abroad. Given all the President and Secretary of State have done to improve our international standing, it makes no sense for Congress to undo this good work by lessening its commitment to combat world hunger.

I. disturbs me than in their short-sighted rush to cut spending, my Republican colleagues would take food from the weakest and the poorest among us while preserving the Bush-era tax cuts for the super-rich. The American people do not accept this trade-off. My constituents in the 37th Congressional District reject this trade-off. I urge my colleagues to join them and me in voting against this unfair and ill-considered legislation.
