RECOGNIZING THE 450TH ANNIVERSARY OF THE LATVIAN JEWISH COMMUNITY

HON. GARY L. ACKERMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 22, 2011

Mr. ACKERMAN. Mr. Speaker, I rise today in celebration and recognition of the 450th Anniversary of the Latvian Jewish community. Since the late 1500s, the Jewish people of Latvia have demonstrated incredible perseverance and courage through inconceivable trials and persecutions. As we reflect on this milestone anniversary, let us remember their history and celebrate their future.

The first Jewish settlements in Latvia appeared in the late 16th century. Through steady immigration, expansion, and steadfast resilience, the community grew and spread across the country. As the Jewish population expanded, they contributed immeasurably to the economic, industrial, and cultural development of Latvia. These accomplishments came despite frequently being forced to cope with anti-Semitic laws and cultural prejudice. By the late 1930s, approximately 93,000 Latvian Jews were living and prospering in the country.

In the summer of 1941, Nazi troops occupied Latvia. Within days of the occupation, the Nazis issued special decrees restricting Jewish rights and establishing ghettos. Jews from surrounding countries were forcibly transported to Latvian camps. Tens of thousands were murdered.

By the conclusion of World War II, tragically, only 14,000 Latvian Jews remained. In the years after, Jews from surrounding regions relocated in Latvia—rebuilding their community to more than 36,000 people. In the aftermath of the greatest evil ever perpetrated against a people, the Latvian Jews marched on—restoring their culture and society, fighting against the oppression of Soviet rule. Latvia became one of the centers of Zionist dissidence and Jewish national movements in the Soviet Union. Jewish activists struggled for the right to immigrate to Israel and to openly honor the memory of Holocaust victims. Thousands emigrated to Israel, the United States and Western Europe.

Today, the Latvian Jewish community of 13,000 is experiencing a rebirth. On this, their 450th anniversary, the Jews of Latvia can look back on their history with a solemn pride. Having suffered through terrible hardship, the Latvian Jewry is rebuilding its religious and social

life—revitalizing the community's enduring spirit.

I would like to extend special recognition to the Latvian Council of Jewish Communities and the United States Commission for the Preservation of America's Heritage Abroad for organizing the extremely successful memorial project at Riga, Latvia's oldest Jewish cemetery. Under the leadership and guidance of Chairman Warren Miller and Commissioner Lee Seeman, the memorial at the Old Jewish Cemetery reminds the world of the tragedy of the Jews killed during World War II and asks us to strive for a better future. I am proud to celebrate the Latvian Jewish community's historic anniversary. I ask all my colleagues to join me in recognizing their past perseverance and achievements, and in extending our sincere best wishes for their future success and prosperity.

IN HONOR OF CAPTAIN JAMES R. KNAPP COMMANDING OFFICER, NAVAL AIR STATION, LEMOORE

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 22, 2011

Mr. COSTA. Mr. Speaker, I rise today to pay tribute to Captain James R. Knapp upon his retirement from the United States Navy.

Captain Knapp is the Commanding Officer at Naval Air Station, Lemoore (NAS Lemoore). He has served the United States Navy with distinguished service during the 27 years of his naval career. His devotion to the Navy and the Nation is inspiring.

My initial experience with Captain Knapp began in 2008, when his service commenced as Commanding Officer for Naval Air Station Lemoore, which is located in my 20th Congressional District in Kings County, California. From our initial meeting, a great working relationship was formed. Whether we needed clarification on a question or a follow up on issues regarding the base, the Captain was always professional, knowledgeable, courteous and helpful.

Captain Knapp attended Texas A&M University and was a member of the Fighting Texas Aggie Corps of Cadets. He graduated in 1984 with a Bachelor of Arts in History. Captain Knapp was commissioned as an Ensign for the Naval Reserve Officers Training Corps (NROTC) program and completed advance flight training in 1986, receiving his orders to the "Rough Raiders" of VFA-125 for F/A-18 FRS training. His naval career was commensurate with his education, earning his Master's degree in National Security and Strategic Studies at the Naval War College in Newport, Rhode Island. He has over 3,500 flight hours in the F/A-18A-E series and 1,258 arrested landings on 11 different flight decks, six of which remain in active service. Furthermore, Captain Knapp participated in the USS Nimitz (CVN-68) Operation "Iraqi Freedom" 2003 deployment. Prior to his serving as Commanding Officer at NAS Lemoore, Captain Knapp served as Chief of Staff of Strategy, Plans and Assessment Directorate of the Multi-National Force-Iraq in Baghdad, Iraq.

In his illustrious career, Captain Knapp received many awards which include the Bronze Star, Meritorious Service Medal (3 awards),

Air Medal (2 awards), Navy Commendation Medal (4 awards), Navy Achievement Medal (2 awards), and Sea Service Deployment Ribbon (8 awards).

It is fitting that the President of the United States has presented Captain James R. Knapp with the Legion of Merit for his outstanding leadership. I ask that excerpts from the Citation be printed in the RECORD:

For exceptionally meritorious conduct in the performance of outstanding service as Commanding Officer, Naval Air Station Lemoore, California from September 2008 to June 2011. Captain Knapp's tenure as Commanding Officer of the world's largest Naval Air Station was exemplified by visionary leadership, mission accomplishment, and an unrelenting drive to improve the lives of Sailors and their families. Despite fiscal restraints and ever-changing requirements, his proactive engagement across the spectrum of strategic imperatives at Naval Air Station, Lemoore resulted in sustained five-star support to Commander Strike Fighter Wing Pacific, which has significantly contributed to the lethality of the U.S. Pacific Fleet. His tremendous foresight and business acumen prevented airfield encroachment and his direct involvement in water usage issues in the western San Joaquin Valley instilled new hope for local farmers and the regional economy. His personal involvement in the local community was highlighted by the establishment of a perennial Community Relations Program which contributed over 11,000 man-hours towards numerous noteworthy projects, further strengthening the relationship between the air station and the local community. Additionally, his overwhelming concern for his sailors was demonstrated by personally performing over 320 Career Development Boards, directly contributing to the professional, financial and personal growth of each Sailor in his command. Captain Knapp's superior performance of duties highlights the culmination of 27 years of honorable and dedicated service. By his dynamic direction, keen judgment and loyal devotion to duty, Captain Knapp reflected great credit upon himself and upheld the highest traditions of the United States Naval Service.

Captain Knapp is a man of outstanding character and we will remain grateful for his unwavering dedication and exceptional insight during his career at NAS Lemoore and to our country. On behalf of the United States Congress, I wish to express my sincere gratitude for his hard work, selfless service, and dedication to the United States Navy. I want to personally wish Captain Knapp much continued success and my best wishes to his wife, Nancy and his children; daughter, Lauren, sons, Will and Ryan, as they embark on their new endeavors.

HONORING ROBERT DUNCAN

HON. TODD ROKITA

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 22, 2011

Mr. ROKITA. Mr. Speaker, I rise today to recognize a true model Hoosier and American upon his retirement.

For nearly 40 years, Mr. Robert Duncan has been the backbone of aviation law in Indiana. As a leader in the aviation community, Mr.

Duncan has helped author, advocated for and implemented the most innovative aviation policy in the country for the State of Indiana and the Indianapolis Airport Authority (IAA). Mr. Duncan has played a pivotal role in the growth of the Indianapolis Airport, and ultimately, central Indiana and the country. The special attention Mr. Duncan has paid to successfully balancing the growth of our Indiana's main International Airport, with the protection of the rights of private citizens a high priority, is a model for economic growth and personal freedom in any industry. His efforts are a part of Indiana's Comeback story.

More specifically, Mr. Duncan was the lead negotiator on all central Indiana aviation-related land acquisition during his years of service to Indiana. Notably, the expansion of the airport, as well as land acquisitions for the smaller community airports nearby, has enabled the growth that the IAA has contributed to the Hoosier state. In addition, Mr. Duncan was directly responsible for the placement of a United States Postal Service hub with the IAA. With the establishment of this hub, it laid the groundwork that would attract other private sector package carriers and logistics companies that now operate in Indianapolis and nearby communities. The economic impact these expansions have had is immeasurable. I see the fruits of Bob's efforts everyday in West Central Indiana.

With a long list of accolades for his years of leadership, Mr. Duncan has been named the Indiana Aviation Man of the Year, as well as receiving a Special Recognition Award from the Aviation Association of Indiana. Throughout his career, Mr. Duncan has made it a habit to assist other airports with legal matters, at no cost, aiding growth and demonstrating the dedication and passion he has with the aviation community throughout the state, to the benefit of all Hoosiers and travelers to and from our state.

Mr. Duncan also routinely volunteers his time for charitable efforts, both in aviation and in his local community. From his efforts with the Brownsburg Public Library to his coaching of basketball and softball, Mr. Duncan has the heart of a true public servant. Additionally, Mr. Duncan has routinely flown charitable Angel Flights throughout the country, to aide those in need of transportation for medical treatment without the means to travel. I am particularly familiar with this type of program, and Bob and I have piloted several Angel Flights together.

As a graduate of Hanover College and Indiana University's School of Law, Bob contributes back to the education of others interested in aviation and aviation law. Bob is a supervising private flight instructor, as well as an adjunct professor in aviation law at Indiana University's School of Law, Indianapolis.

Hoosiers especially, and Americans, are lucky to have benefited from the years of dedicated service in planning and abundant expertise provided by Mr. Duncan for nearly four decades. His volunteerism is an added classic Hoosier trait. Bob has exemplified the essence of Hoosier values with his commonsense leadership and dedication to the betterment of our great state. For his efforts and ethics, I am

proud to commend this Hoosier, Robert Duncan, upon his pending retirement.

INTRODUCTION OF THE BILL TO DEVELOP THE SOUTHWEST WATERFRONT IN THE DISTRICT OF COLUMBIA

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 22, 2011

Ms. NORTON. Mr. Speaker, today I rise to introduce an essential bill for the redevelopment of the Southwest Waterfront in the District of Columbia. The bill transfers unencumbered ownership of the Southwest Waterfront from the federal government to the District. Although the District has owned the Waterfront since the 1960s, the land has been encumbered by restrictions put in place by Congress before the District got home rule; a time when development by the city was not contemplated. My bill updates outdated legislation and allows for the highest and best use of the land.

The bill would amend the D.C. Code to allow the District to transfer the property by quitclaim deed, to update the site description of the land to conform with its current configuration, to allow for the sale of condominiums on the land, to remove references to an urban renewal plan that has expired, to remove references to the District of Columbia Redevelopment Land Agency, which no longer exists, and to expand the permissible uses for the Fish Market in order to allow the sale of other foods, beverages, produce, and flowers.

The District of Columbia has created a 21st-century vision for the Southwest Waterfront and is actively engaged in a revitalization and redevelopment that will draw visitors down 10th street from the National Mall. However, as was typical for District land before home rule, the original law restricts the use of the land along the waterfront to lease-only arrangements, driving down the useful value of the land and making it impossible to replace antiquated structures with new buildings for new uses. The restrictions on the land serve no federal purpose and seriously limit needed revenue for the city. Federal officials have been consulted on the transfer and have no objection to it.

The federal government has no interest in the waterfront land other than the Maine Lobsterman Memorial and the Titanic Memorial, which have been carved out of the transfer. Because of the current restrictions on the land, part of the waterfront is an underused eyesore. However, the redevelopment will bring 2.5 million square feet of mixed-use development to the waterfront, including public and private docks, restaurants, office buildings and residences, providing jobs and local revenue at a time when they are most needed.

This is a noncontroversial bill that removes out-of-date laws and involves no cost to the federal government. I urge my colleagues to support the bill.
