HONORING REV. DR. NORMAN S.  
GREER

**HON. HENRY C. "HANK" JOHNSON, JR.**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 6, 2011*

Mr. JOHNSON of Georgia. Mr. Speaker, I submit the following:

Whereas, our lives have been touched by the life of this one man who has given of himself in order for others to stand; and

Whereas, Rev. Dr. Norman S. Greer's work is present throughout the nation for all to see, being a man of God, a professor of education, a member of Alpha Phi Alpha Fraternity, Inc.; and

Whereas, this giant of a man has preached the gospel of Jesus Christ, taught academics to scholars from across the nation, inspired elected officials, motivated the young and the old, as he accomplished so much during his time on this earth; and

Whereas, this remarkable man gave of himself, his time, his talent and his life; he never asked for fame or fortune; he just wanted to uplift those in need, he just wanted to make a difference by spreading the gospel, educating others, building up a community, while protecting his family; Rev. Dr. Greer inspired others to do the same by witnessing him walk the walk and talk the talk; and

Whereas, Rev. Dr. Greer led by doing behind the scenes and on the front lines for many; Rev. Dr. Greer was a husband, a father, a pastor, a professor and a friend; he was our warrior, our patriarch, a man of great integrity who remained true to the uplifting of the community until his end; and

Whereas, the U.S. Representative of the Fourth District of Georgia has set aside this day to bestow an honorable distinction and recognition on Rev. Dr. Norman S. Greer for his leadership, friendship and service to all of the citizens of Georgia and throughout the Nation; as a citizen of great worth and so noted distinction;

Now therefore, I, HENRY C. "HANK" JOHNSON, JR. do hereby attest to the 112th Congress that Rev. Dr. Norman S. Greer of Georgia is deemed worthy and deserving of this "Congressional Honorable Distinction"

Rev. Dr. Norman S. Greer  
U.S. Citizen of Distinction  
in the 4th Congressional District of Georgia  
Proclaimed, this 25th day of June, 2011.

IN OPPOSITION TO THE  
AFGHANISTAN WAR

**HON. SAM FARR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 6, 2011*

Mr. FARR. Mr. Speaker, I have never supported the Afghanistan War. It has cost us 1,650 American lives. And the cost of those lost lives can't be measured. But this war has also cost us \$444 billion. And that can be measured.

Where we spend our money reflects our national values. And we spend \$228,000 a minute on this war. So every minute of every day, we are telling the world that we value war above all else.

But what about peace? What if we spent \$228,000 a minute on peace? If we did that for just one day, we could send 6,566 Peace Corps Volunteers to serve America in the name of peace. Or we could feed 6.6 million school children for a year.

Those are things worth valuing. Those are things worth fighting for. So, I urge my colleagues to vote to bring our brave women and men back home. To bring our money back in line with our values.

To bring peace back now.

HONORING CLARE ROSE, INC. ON  
ITS 75TH ANNIVERSARY

**HON. TIMOTHY H. BISHOP**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 6, 2011*

Mr. BISHOP of New York. Mr. Speaker, family-run businesses are the cornerstone of Long Island's economy. I rise today to honor one such business, Clare Rose, Inc., as it celebrates its 75th anniversary this year.

The success of Clare Rose, Inc. is a testament to the perseverance of the American entrepreneurial spirit. Clare F. Rose founded Clare Rose, Inc. on November 30, 1936 in the quiet hamlet of Patchogue, New York, as a soft drink distribution business and then shifted to beer distribution in 1948.

The company distributed just one brand, Piel's, and eventually added Anheuser-Busch and Heineken brands to its menu of brewed selections. Today, Clare Rose proudly distributes AB InBev, Heineken, Blue Point Craft Beers, and Great South Bay, along with other quality non-alcoholic products. It has grown to be the largest beverage wholesaler on Long Island and the second largest in New York State.

Its initial market territory encompassed only Eastern Suffolk County, later expanding busi-

ness operations to all of Suffolk in the 1960s and Nassau County in the 1990s. Today, Clare Rose sells more than 11 million cases of beer annually to all of Long Island.

Rose started with just two employees, growing over time to a family of over 300 employees. The Rose family has led the company through seven decades of serving Long Island. Clare's sons Mark and Ric assumed management responsibilities in the 1960s and today, Sean, a third-generation Rose, serves as CEO and Chairman. It is a family business in the truest sense—welcoming fathers, sons, daughters, brothers, and many other family combinations.

Mr. Speaker, businesses are not just measured in profits or clientele, but by the role they play in their community. Clare Rose continues to support local educational and medical institutions, as well as local land and wildlife conservation initiatives across Long Island. The company has also participated in efforts to educate the public regarding responsible alcohol consumption, with a special focus on high school students and the dangers of underage drinking and drunk driving.

Mr. Speaker, local businesses with long histories are treasures for any community. On behalf of New York's first congressional district, I congratulate Clare Rose, Inc. and its employees on its 75th anniversary and wish them decades of success to come.

ARTIFICIAL PANCREAS RESEARCH

**HON. ELTON GALLEGLY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 6, 2011*

Mr. GALLEGLY. Mr. Speaker, I rise to express my strong support for additional research and testing of a new technology that would enable persons with diabetes to better control their blood glucose levels. Type 1 diabetes is a dangerous and debilitating disease. Nearly 26 million Americans are living with diabetes. People with diabetes often suffer heart attacks, seizures, comas, and blindness.

An artificial pancreas is a device that may help people with type 1 diabetes better and automatically control blood glucose level. It combines a continuous glucose monitor and an insulin pump with sophisticated software to provide the right amount of insulin at the right time. A recent study estimates that this technology will result in nearly \$2 billion in savings to Medicare over 25 years.

Several inpatient studies have demonstrated that the use of an artificial pancreas may reduce dangerous fluctuations of blood sugars. The Food and Drug Administration (FDA) is currently reviewing a proposed guidance developed by the Juvenile Diabetes Research Foundation that would allow outpatient testing of the artificial pancreas.

It is my hope that the FDA will make the review of this proposed guidance one of its highest priorities, and that outpatient testing of the artificial pancreas will be allowed to begin as soon as possible.
