IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 2551) making appropriations for the Legislative Branch for the fiscal year ending September 30, 2012, and for other purposes, with Mr. WOODALL in the chair.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from Florida (Mr. CRENSHAW) and the gentleman from California (Mr. HONDA) each will control 30 minutes.

The Chair recognizes the gentleman from Florida.

Mr. CRENSHAW. I yield myself such time as I may consume.

Mr. Chairman and ladies and gentlemen of the House, this is the funding bill for the Subcommittee on the Legislative Branch of the Appropriations Committee for 2012.

Everybody knows that we are in the midst of some very difficult economic times. I don't need to tell the Members that we have had deficits of over \$1 trillion for the last couple of years. I don't need to tell people that we've had about \$4 trillion added to our national debt in the last 2½ years. We all know that we have \$14 trillion of national debt, and that equals our entire economy.

□ 1930

The one thing that everyone would agree on is that we just can't keep spending like that. That's just not sustainable. Everyone says that. So we bring this bill in the midst of that kind of discussion, and we want to try to do our part in getting a handle on the way we spend money around this place. We want to try to stop this culture of spending and turn it into a culture of savings.

So when we bring this bill, this Legislative Branch appropriations bill, it will spend 6.4 percent less than last year. That's \$227 million. It will spend 14.2 percent less than what was requested, that's \$474 million.

Now, it's our best effort to keep the commitment that we're going to try to do things more efficiently and more effectively than we have before. How do we do that? Well, we listen to the facts. We had eight formal hearings. We had numerous informal hearings. We listened, we set priorities, we made some tough choices, and we have the bill before us.

I certainly want to thank the members of the subcommittee for their involvement, for their participation, for their hard work, for their input. And a
