BURMA

HON. JOSEPH R. PITTS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 6, 2011

Mr. PITTS. Mr. Speaker, I am deeply concerned about the international community's recent trust in assurances that Burma is opening up to the world and becoming a true democracy in which the rights of all people in Burma are protected. There have been some positive steps taken recently by the dictators, however, until we see permanency in these changes, we would all do well to remain deeply cautious.

One important issue the Secretary of State addressed during her visit this week to Burma regarded the attacks by the dictatorship's troops against the ethnic minorities. It is vital, and I cannot emphasize this enough, that leaders of the various ethnic groups be included in any and all discussions, dialogue and decision about the future of Burma. I would call your attention to the call by the U.N. for a tri-partite dialogue—all three parties, the dictatorship, the democracy groups and the ethnic groups, must be included fully in all negotiations and agreements in order for true change to come to Burma. This is even more important when, during this visit and the recent ASEAN meetings, the dictatorship was violently attacking one or more ethnic groups.

A few years ago, I submitted a Statement for this Record describing the Advanced Light Helicopters that India sold to Burma. The dictators of Burma used these, plus other military hardware sold to them by a variety of nations against the ethnic minority civilian populations. The brutality of Burma's Generals against the ethnic minorities has not stopped, even during this time when they are allegedly making democratic reforms. Therefore, we as a democratic, free nation must be extremely careful of what the Generals are really up to—they haven't proven themselves trustworthy in the past.

I would like to submit for the RECORD, a short letter to the Secretary from Ms. Zipporah

Sein, Secretary General of the Karen National Union.

I urge the Secretary of State, when engaging in further dialogues with the Burmese government, to proceed with the utmost caution.

OFFICE OF THE SUPREME HEAD-
QUARTERS, KAREN NATIONAL
UNION, KAWTHOOLEI,

November 25, 2011.

Hon. HILLARY RODHAM CLINTON,
Secretary of State,
Washington, DC.

DEAR MADAM SECRETARY: Thank you for your constant support and encouragement for the people of Burma.

The leaders of the Karen National Union (KNU), welcome your engagement with the government of Burma and your leadership alongside Daw Aung San Suu Kyi to bring to the forefront the need to see an end to the ongoing conflicts in the ethnic states and an end to the oppression of all people inside Burma.

We the KNU would like to ask you to take the lead to recognize the desires of all the ethnic groups, both armed and unarmed, to be treated as equals in the effort to establish a genuine federal union: A union that recognizes the rule of law and recognizes the equality of all.

We invite you to meet with ethnic leaders from all of the ethnic organizations both armed and unarmed as we move forward to work toward a peaceful and stable nation where our citizens can truly be free from governmental oppression. We need your help and your engagement with all of us.

Sincerely,

ZIPPORAH SEIN,
General Secretary, Karen National Union.

The son of Andrew and Addie Maxwell of Chowchilla, Larry was born in Madera on December 21, 1946. He was raised in Chowchilla, where he attended elementary school and attended Le Grand High School. In 1965, he entered the Job Corps. In 1966, he was drafted at age nineteen and subsequently enlisted in the Army. His first duty assignment was with C Company, 94th Engineer Battalion in Nillingen, Germany, where he assisted in the construction of facilities for ammunition and equipment when France resigned from NATO.

Vietnam was the next tour for the young Army combat engineer. He was assigned to the 92nd engineer Battalion in January 1968 as a heavy equipment operator and squad leader. The 92nd was known as the "Black Diamonds" and gained a reputation as the "can do" unit during combat operations, earning fourteen battle streamers in Vietnam and four Meritorious Unit Commendations and the Vietnamese Civil Action Honor Medal First Class. Maxwell participated in the Tet Offensive and four more major campaigns until his tour ended in January 1969. He was wounded by enemy mortar fire in May 1968 and was medevaced to the Army hospital at Bien Hoa and after recovery from his wounds he returned to the 92nd for duty.
