PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-68. A resolution adopted by the Senate of the State of Michigan memorializing the Congress of the United States to enact legislation to ensure that amounts credited to the Harbor Maintenance Trust Fund are used solely for the dredging, infrastructure, operation, and maintenance of federally authorized ports, harbors, and waterways; to the Committee on Environment and Public Works.

SENATE RESOLUTION NO. 97

Whereas, domestic shippers and importers using Great Lakes and coastal ports pay more than a billion dollars per year in federal harbor maintenance taxes. Congress established the tax to fund harbor operation and maintenance, particularly dredging, at these ports; and

Whereas, despite a nearly \$6 billion balance in the Harbor Maintenance Trust Fund, our nation's dredging needs are not being met. Throughout our nation and particularly in the Great Lakes region, the lack of dredging has forced shippers to operate inefficiently and carry lighter loads, costing them millions of dollars each year; and

Whereas, the Obama Administration has only budgeted about half of the revenue collected through the harbor maintenance tax for maintaining our nation's harbors. Last year, nearly \$1.5 billion were collected from shippers, but only \$758 million has been allocated for dredging harbors in Michigan and other coastal states; and

Whereas, during the current turbulent economic conditions, we must make every effort to support economic activity by maintaining the infrastructure necessary for commerce. Essentially by, using harbor maintenance taxes placed in the Harbor Maintenance Trust Fund to finance and balance other por-

tions of the federal budget, we are breaking our promise to the shippers paying the tax and hurting our nation's economic recovery; and

Whereas, current congressional legislation (H.R. 104 and S. 412) would ensure that harbor maintenance taxes are only used for their intended purpose to maintain our nation's harbors; now, therefore, be it

Resolved by the Senate, That we memorialize the Congress of the United States to enact legislation to ensure that amounts credited to the Harbor Maintenance Trust Fund are used solely for the dredging, infrastructure, operation, and maintenance of federally-authorized ports, harbors, and waterways; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-69. A concurrent resolution adopted by the Legislature of the State of Louisiana memorializing a request for an amendments convention to be called for the purpose of proposing an amendment to the U.S. Constitution which shall provide that an increase in the federal debt requires approval from a majority of the legislatures of the separate states; to the Committee on the Judiciary.

HOUSE CONCURRENT RESOLUTION NO. 87

Whereas, Article V of the Constitution of the United States provides authority for a convention to be called by the Congress of the United States for the purpose of proposing amendments to the constitution upon application of two-thirds of the legislatures of the several states, an "amendments convention"; and

Whereas, the legislature of the state of Louisiana favors the proposal and ratification of an amendment to said constitution which shall provide that an increase in the federal debt requires approval from a majority of the legislatures of the separate states, therefore, be it

Resolved, Section 1. That, as provided for in Article V of the Constitution of the United States, the legislature of the state of Louisiana herewith respectfully applies for an amendments convention to be called for the purpose of proposing an amendment which shall provide that an increase in the federal debt requires approval from a majority of the legislatures of the separate states.

Section 2. That the amendments convention contemplated by this application shall be entirely focused upon and exclusively limited to the subject matter of proposing for ratification an amendment to the constitution providing that an increase in the federal debt requires approval from a majority of the legislatures of the separate States.

Section 3. This application constitutes a continuing application in accordance with Article V of the Constitution of the United States until at least two-thirds of the legislatures of the several states have made application for an equivalently limited amendments convention.

Section 4. That a certified copy of this application be dispatched by the secretary of state (or other responsible constitutional officer) to the president of the United States Senate, to the speaker of the United States House of Representatives, to each member of the applicant's delegation to the United States Congress, and to the presiding officers of each house of the several state legislatures, requesting their cooperation in applying for the amendments convention limited to the subject matter contemplated by this application.
