

Our men and women who served in combat and support roles did not ask for that war; yet, they answered the nation's call with honor and conviction. They put aside the instinct for self-preservation and risked their lives for all humanity in order to preserve freedom and defeat evil. They personified the words, "Greatest Generation." Those men had survived the Great Depression, fought and won World War II, returned to America and simply tried to put it all behind them—rebuilding lives, families, and our country.

We are strengthened by their courage and awestruck by their valor. God Bless our veterans and those who gave their lives so that we may live free. Let us continue to stand for the ideals for which they fought, live a life worthy of their sacrifice, and work tirelessly to preserve our cherished way of life.

RECOGNIZING JUNE AS LGBT  
PRIDE MONTH

**HON. LAURA RICHARDSON**  
OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 6, 2012*

Ms. RICHARDSON. Mr. Speaker, I rise today to recognize June as National LGBT Pride Month. Our greatest strength is its promise of equality for every citizen, and we have made significant progress in ensuring that promise is kept regardless of sexual orientation or gender identity.

As a proud member of the Congressional LGBT Equality Caucus, I am committed to extending full rights to all Americans, repealing discriminatory laws, and eliminating hateful violence.

This past year has brought many changes in law and policy, and there have been noticeable changes in public discourse as well. Last year, the military repealed its discriminatory "Don't Ask, Don't Tell" policy, and a federal circuit court ruled last week that the Defense of Marriage Act is unconstitutional. President Obama's historic endorsement of same-sex marriage has also moved this country into a new era of progressive thinking and equal rights for all.

The 37th District of California has seen incredible movement toward equality and acceptance. I am proud to represent the significant population of gay, lesbian and transgender constituents in my district. This is a community that has become integral to the Long Beach area and continues to give back to the city in many ways.

Long Beach Lesbian & Gay Pride, Inc. is one of the larger philanthropic organizations in the city, and they developed the Long Beach Lesbian and Gay Pride Parade in 1984. They have also granted nearly one million dollars to local non-profit organizations, and organized a toy drive for disabled and disadvantaged children in conjunction with catholic charities.

The Long Beach Lesbian and Gay Pride Parade continues to be the main project for the organization. When it first began its organizers faced death threats and fierce opposition. Today, the parade is the nation's third-largest pride parade and attracts over 75,000 participants annually. It is heralded as one of the district's most popular attractions, and its organizers have helped to foster greater understanding and respect in the community.

During my time in Congress I have supported many different areas of LGBT legislation. I am an original co-sponsor of multiple bills including: the Employment Non-Discrimination Act to prohibit discrimination in the work place; the Equal Access to COBRA Act which guarantees the continuation of health coverage to any qualified beneficiary under an employer's health insurance; and the Reuniting Families Act which supports the core value of keeping all families together regardless of sexual orientation or gender identity together.

I voted to repeal the Don't Ask Don't Tell policy, and signed the amicus brief declaring the Defense of Marriage Act unconstitutional, and I am proud the Obama Administration will no longer defend section 3 of DOMA. These actions make our country stronger not weaker; they bring our national policies closer to our national ideals; and they affirm that in America it is the content of our character that counts, not immutable characteristics of birth.

Mr. Speaker, I urge my colleagues and American citizens to join me in celebrating the accomplishments of the LGBT community across the United States. However, there is still so much more work to be done. Every citizen of this country deserves the same opportunities regardless of sexual orientation or gender identity. Recent events have made momentous gains towards that goal, but let us not forget we still have a long fight ahead of us.

OZARK CHRISTIAN COLLEGE'S  
70TH ANNIVERSARY

**HON. BILLY LONG**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 6, 2012*

Mr. LONG. Mr. Speaker, I rise today in celebration of Ozark Christian College's 70th Anniversary.

Ozark Bible College started out in Bentonville, Arkansas, on June 12, 1942 and two years later relocated to Joplin, Missouri. The name Ozark Christian College was adopted in 1985 when Ozark Bible College merged with Midwest Christian College of Oklahoma City, Oklahoma.

Ozark Christian College offers degree programs that help lay the foundation for their graduates who are called to careers in voca-

tional ministry. Ozark Christian College graduates total more than 14,000 and are serving in 48 states and 40 counties.

Volunteerism is an important characteristic for the school. Ozark Christian College has been serving the Joplin area for 68 years and was heavily involved in helping after Joplin was struck by an EF-5 tornado on May 22, 2011. With open arms, the entire campus was used in a variety of ways from a Red Cross Command Center, to housing for 3,000 volunteers, and to a meeting place for three churches.

The school's motto of "Training Men and Women for Christian Service" has played an important role in the school's 70 year history and will continue to as students answer the call to vocational ministry.

I want to congratulate Ozark Christian College as they celebrate 70 years.
