

treatment. Mr. Jackson studied how Roman legionnaires fought, and discovered they ate a diet that included wheat and rye for strength and stamina. He then developed a hot cereal meal based on that diet.

In 1927, William Matthaei purchased the Roman Meal Health Company. The Matthaei family used centuries of baking knowledge and Mr. Jackson's formula to develop Roman Meal Bread. William Matthaei's son, Charles, still comes to work every day at the age of 92 and his grandson, William, serves as CEO.

Running a company continuously for 100 years requires more than outstanding products. Roman Meal's ability to survive through the Great Depression, multiple recessions, and evolving consumer preferences required that the company adapt quickly to changes in the marketplace. Pressures from competition and trade demanded that they constantly innovate to stay ahead.

Mr. Speaker it is with great pleasure that I recognize the success of the Roman Meal Company and the Matthaei family in creating an excellent product and a dynamic company that has thrived for 100 years. I wish them continued success.

IN HONOR OF MS. SHIRLEY  
MACLAINE

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 7, 2012

Mr. KUCINICH. Mr. Speaker, I rise today in honor of Ms. Shirley MacLaine who is being honored with the 40th American Film Institute (AFI) Life Achievement Award on June 7, 2012.

Born on April 24, 1934 in Richmond, Virginia, MacLaine grew up the daughter of Ira Owens and Kathlyn Corinne Beaty. She attended Washington-Lee High School and during the summer prior to her senior year had her first role on Broadway as a member of the chorus in a revival of Oklahoma. MacLaine had been trained in ballet before turning to acting. She returned to the stage and New York City following her high school graduation and became an understudy to Carol Haney in The Pajama Game, a role which she eventually took over. It was this role that launched MacLaine's career onto the Silver Screen.

MacLaine made her film debut in 1955's "The Trouble with Harry," for which she won the Golden Globe Award for New Star of the Year—Actress. Throughout her almost 60 year career, MacLaine has appeared in more than 60 films, made numerous television and Broadway appearances, produced, directed, and has authored several books. A five-time Oscar nominee, MacLaine won the Academy Award for Best Actress in 1983 for her role in Terms of Endearment.

AFI's Life Achievement Award is America's highest honor for a career in film. However, in addition to honoring MacLaine's illustrious film career, the American Film Institute is also celebrating her work in television, on Broadway, as an author and as a philanthropist. Meryl Streep, who was the recipient of the AFI Life Achievement Award in 2004, will be presenting MacLaine her award.

Mr. Speaker and colleagues, please join me in honoring one of the most accomplished and

moving actresses of a generation and a close personal friend, Ms. Shirley MacLaine on the occasion of receiving AFI's 40th Life Achievement Award.

IN HONOR OF JOE JASKIEWICZ

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 7, 2012

Mr. COURTNEY. Mr. Speaker, I rise today to recognize and honor Joe Jaskiewicz who has stepped down after many distinguished years of public service. Joe was born in Brooklyn, New York and moved to Norwich, Connecticut as a young boy. In 1964, he married his high school sweetheart, Beverly. Shortly after graduation, Joe began work as a pipefitter at Electric Boat where he worked for 37 years, eventually becoming a supervisor.

Mr. Jaskiewicz went on to serve the Town of Montville in many capacities. He began his career in the Parks & Recreation Department and spent four years as Chairman of the Board of Finance before being elected to the Town Council. After chairing the body for four years, Joe became Mayor in 2003. During his eight years in office, Joe Jaskiewicz championed economic development in Montville, bringing new businesses and jobs to the area. In his first term, Joe nearly doubled the size of the police force and supervised the renovation of all Montville schools. Although Joe's career was marked by numerous achievements, one of his proudest accomplishments was the transformation of the old Fair Oaks School into the Fair Oaks Community Center. He also served as the Chair of the Southeast Connecticut Council of Governments for one year during his second term as mayor. His decision to step down is a loss for the town he loves, but I believe after recharging his batteries, Joe will be back in the public arena in some new and exciting form to continue his service.

In addition to his work in the local government, Joe has been active in youth sports, coaching Pee Wee football and Little League. I urge my colleagues to join with me in honoring Joe Jaskiewicz and all the wonderful work he has completed for the Town of Montville, Connecticut.

DEPARTMENT OF HOMELAND SECURITY APPROPRIATIONS ACT, 2013

SPEECH OF

HON. RICK LARSEN

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2012

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 5855) making appropriations for the Department of Homeland Security for the fiscal year ending September 30, 2013, and for other purposes:

Mr. LARSEN of Washington. Mr. Chair, last year I introduced H.R. 2972, the Creating American Jobs Through Foreign Capital Act. This legislation seeks to permanently reauthorize the EB-5 program. The EB-5 program al-

lows qualified foreign investors who create or save at least 10 full-time American jobs by making major investments in U.S. businesses to seek U.S. visas. The program, first established in 1990, has been continued as a short-term pilot program.

Last year the program created or saved more than 25,000 American jobs and generated \$1.25 billion in investment, according to the Association to Invest In the USA. For example, in the Second Congressional District in Washington state, this program has created least 800 jobs in Whatcom County alone. The EB-5 program is one of more than 20 immigrant investor programs around the world that are competing for capital investment. In the Asia-Pacific region, programs like EB-5 exist in Hong Kong, New Zealand, Australia, Singapore and Canada. As the United States more strongly embraces our role as an Asia-Pacific nation and looks to create jobs through exports to the region, we are competing with these countries, and many more around the world, for these investment dollars.

I am pleased that the Senate has included a two-year reauthorization of this program in Section 554 of its Homeland Security Appropriations bill. The Senate report highlighted that since its inception of this program in 1990 through 2011, USCIS estimates that a minimum of 43,280 jobs have been created and more than \$2,200,000,000 has been invested through the EB-5 program. Our economy cannot afford to do without these investments or these jobs.

I want to thank Chairman ADERHOLT and Ranking Member PRICE for working with me on this issue. And, even though this reauthorization is not included in the House bill, I would like to thank the Subcommittee as a whole for understanding the importance of this language and this reauthorization and I urge you to preserve the Senate reauthorization during conference committee.

TRIBUTE TO THE RETIREMENT OF  
MR. JOHN FENTON, CEO,  
METROLINK

HON. GARY G. MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 7, 2012

Mr. GARY G. MILLER of California. Mr. Speaker, rise to pay tribute to Southern California Regional Rail Authority Chief Executive Officer John Fenton, who is retiring this year.

John Fenton led efforts to enhance safety and instilled safety culture at Southern California Regional Rail Authority, commonly referred to as Metrolink. He hosted a summit on safety to facilitate the implementation of safety culture nationwide, was joined by over 60 members of the California Legislature to bring awareness to safety culture statewide, pioneered a curriculum for railroad safety with the University of Southern California's Viterbi School of Engineering and deployed the safest passenger rail cars available known as the Guardian Fleet across the Metrolink System.

John Fenton's leadership and commitment to Positive Train Control implementation in advance of the federal mandate were unwavering and he became a nationwide spokesperson on its significance to rail safety in the country for passenger and freight rail providers.
