

After leaving the Senate and after his bids for president, McGovern served as the 6th United States Ambassador to the United Nations Agencies for Food and Agriculture during the Clinton Administration. In 2001, McGovern was appointed as the first UN Global Ambassador on World Hunger and continues to be a leading advocate in the fight against hunger around the world.

Throughout his storied career both in Congress and as a leading voice against world hunger, McGovern has been honored countless times. He has received more than ten honorary degrees and is the recipient of a Presidential Medal of Freedom, a Gandhi Peace Award and a National Peacemaker Award from the National Conflict Resolution Center.

Mr. Speaker and colleagues, please join me in honoring a long time friend, George McGovern, on the occasion of this 90th birthday.

A TRIBUTE TO CAPTAIN WILLIAM  
ANDREW LOTT

**HON. MICHAEL T. McCAUL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, July 23, 2012*

Mr. McCAUL. Mr. Speaker, I rise today to honor the life of Captain William Andrew Lott of Leesburg, Florida, my uncle, who passed away earlier this month. A native of Dallas, Texas, Captain Lott flew combat missions in Korea and Vietnam, serving 34 years in the United States Navy in both hot and cold wars. He flew three different types of carrier-based aircraft including the A-1 Skyraider, the F-8 Crusader and the F-4 Phantom. He spent the equivalent of six years of his life at sea, amassing thousands of hours of flight time in three different combat aircraft, serving four tours of duty in Vietnam, and surviving ejections from crippled aircraft three times. He served proudly as not only a fighter pilot, but also as the Commanding Officer of both Fighter Squadron Forty One and the Naval Air Facility in El Centro, California. During his illustrious career, Captain Lott was the recipient of many awards and commendations including the Meritorious Service Medal, Air Medal, and Navy Commendation Medal.

He was also an outstanding mentor to both the junior enlisted and officers under his command, with one former subordinate commenting, "He was a great leader and mentor, just like a Navy fighter pilot his timing was always on target; he knew when a junior officer needed direction and was always compassionate when doing so. He was not afraid to do what was right even in the face of adversity."

His Public Works Officer at El Centro noted, "the leadership style he passed on to me stayed with me. It was his guidance that pushed me on to be Operations Officer in Naval Mobile Construction Battalion 62 and to later become Commanding Officer of Naval Mobile Construction Battalion 7. In fact, when the civilian construction world called me, it was because of Captain Lott I chose to stay in longer as I wanted to command just like him."

Captain Lott leaves behind two sons, Randall and David, and a nation grateful for his distinguished service.

Mr. GUINTA. Mr. Speaker, it is with great pleasure that I thank Sergeant Christophe Rustici for his brave and honorable service to our country with the United States Marine Corps.

Sgt. Rustici has served with the Marine Corps since May of 2006 when he enlisted as a Reservist. During his enlistment he was deployed to both Afghanistan and Iraq in support of our combat operations in the region. Christophe fought side by side with local and NATO coalition forces, and was in charge of several of his fellow Marines. He was responsible for providing security to many installations and bases in both Iraq and Afghanistan, assisted with first aid to both locals and fellow soldiers, and assisted in engaging with the local forces and population to provide humanitarian aid.

Sgt. Rustici's hard work and efforts have been recognized with a Certificate of Commendation for his actions as a Fire Team Leader and Sergeant of the Guard for his service in Afghanistan. He has also qualified as a Rifle and Pistol Expert with the Marine Corps, and has been awarded a Meritorious Mast for Excellence while working as a recruiter with the Marines.

Our liberties, our values, and everything America stands for is due to the heroic services of our men and women in uniform. I thank Christophe for his service to the United States and wish him all the best in the future.

Mr. ROGERS of Kentucky. Mr. Speaker, I rise today to pay tribute to Dennis T. Dorton, the President and Chief Executive Officer at Citizens National Bank, in honor of his retirement after contributing more than 42 years of banking excellence. I also would like to recognize Dennis' wife, Jean Dorton, and honor her for her strong leadership and service to the Commonwealth. Mr. and Mrs. Dorton have been a dynamic duo over the years. Working together they have helped transform southern and eastern Kentucky.

As a Paintsville native, Dennis Dorton has served as a third generation President of Citizens National Bank, which has been a part of the Dorton family for 90 years. Mr. Dorton began his career at the bank in 1970, after graduating from Morehead State University with a bachelor's degree in Business Administration.

Raised in the spirit that a banker's place is in the community, Mr. Dorton is a leader in various community organizations including the Christian Appalachian Project, the American Red Cross, a group working to restore programs and operations at the David School, and the local utilities commission building a new water plant in Paintsville. He is an active member of the First United Methodist Church in Paintsville and has been involved in Volunteers in Mission traveling to Belize and Costa Rica to help build church and school buildings.

Mr. Dorton's involvement in civic and community service efforts span a broad spectrum. He has served as, Chairman of the Big Sandy Regional Industrial Development Authority board, Treasurer and Board member of Paintsville-Johnson County Chamber of Commerce, Chairman of the Appalachian Artisan Center, and Vice Chairman and Board Member of the Christian Appalachian Project board. Mr. Dorton also served as Treasurer for the Kentucky Bankers Association in the '80s and Chairman of the Kentucky Bankers Association from 2007-2008.

Mr. Dorton has had a strong partner by his side in his wife, Jean Dorton. Mrs. Dorton is a graduate of Morehead State University and has worked for the Big Sandy Community and Technical College since 2005. Like her husband, Mrs. Dorton has been involved in many organizations within the community. Mrs. Dorton was a founding member of the Eastern Kentucky Federated Republican Women and a member of the University of Pikeville Board of Regents. She served on the Paintsville City Council, and currently serves on the board for the Center for Rural Development, and on the PRIDE Executive Committee.

Mr. Speaker, I ask my colleagues to join me in honoring Dennis and Jean Dorton for their countless years of dedication and service to the families of southern and eastern Kentucky and for their banking expertise and civic leadership which have impacted the community for the better.

HONORING KATHERINE TANKSON

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Monday, July 23, 2012*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor Mrs. Katherine Tankson. Katherine has shown what can be done through tenacity, dedication and a desire to serve others.

Katherine Tankson is a native of Sharkey County and resides in Rolling Fork, Mississippi. She has served in the educational arena for a total of 42 years. This included 12 years in the South Delta School District as a classroom teacher and 19 years as an administrator, before her first retirement in December of 2000. The South Delta School District is located in the Mississippi Delta and serves the students of Sharkey and Issaquena Counties with a present enrollment of 988 students.

Upon receiving her Bachelor's of Science Degree in Business Education from Mississippi Valley State University in Itta Bena, MS in 1969, her only desire was to return to her hometown to teach with the goal of helping to make a difference in the lives of children. Mrs. Tankson has received two master's degrees. She has a Master's Degree in English from Jackson State University, in Jackson, MS, and her second Master's Degree is in Education Administration and Supervision from Delta State University in Cleveland, MS.

During her tenure with South Delta School District, she served as the auditor in the district for the International Curriculum Management Audit Center, Inc., located in Huxley, Iowa. In that position she conducted curriculum management audits in school districts in the Bermuda territory of the United Kingdom, also on the United States in the States of Georgia and California. She was appointed by the Mississippi Department of Education to serve as auditor throughout the State in various schools selected by the State.

In January 2001, she was employed with the Mississippi Department of Education as Project Director for the Technology Academy for School Leaders (TASL) until June 2004. As the director she worked with superintendents, principals, and other administrators across the State in the areas of technology and curriculum development.

In July 2006, she returned to the South Delta School District where she currently serves as Superintendent. Under her leadership, significant progress has been made in changing the culture of the district and the schools. An increase in necessary resources critical to the success of being effective teachers, administrators, and instructional leaders has flourished in the district. As a result the district and schools have seen significant increases in student achievement, and improvements in classroom delivery and instruction through the use of 21st century technology. The district has also undergone \$4 million dollars in renovation at the South Delta High School which has produced a by-product of improved parent and community involvement to say the least.

Mrs. Tankson's career in education is long standing—after 31 years, retiring in 2000, she came out of retirement and gave 11 more years to educating and leading before retiring

again June 30, 2012. Those 11 more years give her that grand total of 42 years in education, which is worthy of recognition. She is still an active member of numerous educational organizations.

Although she has left her footprints through schools in various States in the U.S. including the Bermuda territory, her love for Mississippi is where she started and ended her career. Providing the students of the South Delta School District in Rolling Fork, MS with a quality education is her passion. Her contribution to education will be forever appreciated for the countless number of students she has touched guiding them to the path of success. She has not only had a positive impact on students but also parents, teachers, and even community members, and for that too she will be appreciated.

She married her high school sweetheart, James Tankson, a retired educator of 40 years, and they have three beautiful daughters, Dr. Jeanetta Denise Tankson, Dr. Janice Valencia Tankson, and Ms. Jamie Alicia Tankson-Cunningham who is also aspiring to acquire her doctoral degree in education. Her son-in-law, Rev. Therman Cunningham, Jr. is currently working toward a doctoral degree in theology. Mrs. Tankson also has two precious, loving granddaughters—Trinity Alicia Cunningham and Taylor LeAnn Cunningham.

Mr. Speaker, I ask our colleagues to join me in recognizing Mrs. Katherine Tankson for her passion and dedication to the South Delta School District in Rolling Fork, MS.

DEPARTMENT OF DEFENSE  
APPROPRIATIONS ACT, 2013

SPEECH OF

**HON. MAZIE K. HIRONO**

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 18, 2012*

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 5856) making appropriations for the Department of Defense for the fiscal year ending September 30, 2013, and for other purposes:

Ms. HIRONO. Mr. Chair, I support passage of H.R. 5856, the Department of Defense Appropriations Act for Fiscal Year 2013, which supports our servicemembers and makes important investments in our national security and in the health, well-being, and readiness of our Armed Forces.

Our country owes a debt of gratitude to our military and their families for their service and selfless sacrifices. We in Hawaii are proud of the men and women in our military that have served and are currently serving in Afghanistan. Above all, we must also never forget those who have made the ultimate sacrifice for our country. Supporting our servicemembers and their families, whether it's during deployment or as they transition back into civilian life, is a solemn commitment we must keep.

Many of our men and women in uniform are suffering from serious wounds from their service, both visible and invisible. That's why I'm pleased to see increases in traumatic brain injury and psychological health funding as well as suicide prevention and outreach. The bill also boosts resources for peer-reviewed research on Gulf War Illness, Lou Gehrig's dis-

ease, breast cancer, prostate cancer, vision and spinal cord conditions, and many other medical research initiatives.

This legislation will further protect access to health coverage for Hawaii's military retirees, who have dedicated their careers in service to our country. Through the adoption of an amendment offered by Representative STEARNS, no funds could be used to implement a fee to enroll in TRICARE for Life.

Hawaii has a strong military presence and is home to thousands of military families. As a strong advocate for Impact Aid, I welcome the increased amount of this funding, which helps ensure the federal government does its part to support our nation's local school districts and military families and educate military-connected children.

By providing support for the operation, maintenance and procurement for our military's installations in Hawaii, including Joint Base Pearl Harbor-Hickam, Schofield Barracks, and Kaneohe Marine Corps Base, H.R. 5856 protects jobs and advances President Obama's strategic refocusing on the Asia-Pacific region. The measure also affirms the critical role of our citizen soldiers and airmen in the defense of our nation in providing for critical Army equipment needs and rejecting force structure reductions and aircraft retirements proposals that would have negatively affected Air Guard and Reserve units across the country.

With turmoil continuing in the Middle East, now more than ever we must stand strong with our friend and ally Israel. This measure includes additional funding for joint U.S.-Israeli defense cooperation, and continued support for Iron Dome system, which has protected and saved lives from the daily threat of rockets aimed at towns and cities in a country surrounded by hostility and instability.

While H.R. 5856 supports our soldiers, sailors, airmen and marines in Hawaii and around the world, this defense appropriations bill contains provisions that raise serious concerns. For example, this bill slows down the withdrawal of troops from Afghanistan; it is over the President's budget request and over the Budget Control Act passed last year. H.R. 5856 excludes funds requested by the President for the production of domestic biofuel for our military, an important initiative our military leadership supports. Furthermore, the bill places a significant amount of our nation's resources in certain weapons systems the Defense Department neither requested nor needed.

It is my hope that Senate will address these serious issues and that we can pass a final bill that is fiscally responsible, reaffirms the American people's commitment to our servicemembers and protects our national security.
