

An estimated one in 40 people are carriers of SMA and if both parents are carriers, there's a 25 percent chance of their child having SMA.

Most babies born with SMA Type I, die before their 2nd birthday. It is the number 1 genetic killer of children under the age of 2 in the United States. As it stands, there is no cure for SMA; however, I hope the research that is generated as the result of this bill will lead to great strides in tackling this devastating illness.

As we consider this measure, let us reflect upon the thousands of children's lives that might be saved as a result of this bill.

STORY OF AVERY

Lives like that of baby Avery, who was born in Texas. Avery, at 5 months old was diagnosed with Type 1 SMA and her parents were given the grim prognosis that their precious child would only live for another 18 months. Sadly for Avery's time with us was brief. Just prior to her passing, her father Mike pledged that he would work to raise SMA awareness. Today we have an opportunity to help Mike achieve his promise and through research and the debate on the floor today draw further attention to SMA.

TRIBUTE TO COACH ANDREW  
TRENKEL AND THE MAINE  
SOUTH HIGH SCHOOL CONSTITUTION  
TEAM

**HON. JANICE D. SCHAKOWSKY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 6, 2013*

Ms. SCHAKOWSKY. Mr. Speaker, I rise today to congratulate Coach Andrew Trenkel and the Maine South High School Constitution Team for their achievement in winning the Illinois State Title of "We the People: the Citizen and the Constitution." This marks the twenty-first time that Maine South's Constitution Team has won this title. "We the People: the Citizen and the Constitution," a program sponsored by the Center for Civic Education, aims to develop critical thinking, problem solving, and cooperative participation skills through educating students about the American Constitutional democracy. During the competition, students participate in replicated Congressional hearings, present arguments, and respond to complex questions on the United States Constitution.

The primary goal of "We the People" is to encourage civic proficiency and develop responsibility among the students of the United States. Clearly the 2012–2013 Maine South Team members have accepted this challenge and are working to become future leaders.

Congratulations to all of the members of the 2012–2013 Constitution team: Coach Andrew Trenkel, Mark Abtahi, Jane Acker, Hannah Beswick-Hale, Elizabeth Black, Anthony Borkowski, Matthew Brendza, Patrick Devereuz, Claire Dockery, Renee Hannan, Natalie Kirchhoff, Rebecca Klages, Kevin Kohler, Philip Kulas, Michael Martino, Maddie McGrady, Jenny Mocariski, John Moran, Emily Murphy, Gibson Ooderstol, Augusta Paulik, Tim Prinz, Paige Sammarco, Michael Solberg, Pavel Tamas, Jack Touhy, Justin Tomczyk, Dragan Trivanovic, Ryan Walek, and Henrik Weber.

HONORING MAYOR JOHN REDNOUR

**HON. WILLIAM L. ENYART**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 6, 2013*

Mr. ENYART. Mr. Speaker, I rise today to ask my colleagues to join me in recognizing the dedicated community service of Du Quoin, Illinois Mayor John Rednour as he retires after 24 years as mayor.

John Rednour grew up in Cutler, Illinois and began working as an ironworker. He worked on projects throughout the State, from Southern Illinois, to the St. Louis area and Chicago. It was during this phase of his career that John founded Rednour Steel Erectors, a company with which he maintains a partnership to this day.

John moved with his family to Du Quoin in the early 1970s and, in the 1980s he began a successful banking career when he led a group of investors that assumed control of the Du Quoin State Bank. John continues to serve as chairman of the bank.

While John was raising a family and embarking on successful careers, he also showed an early interest in public service. He served six years as a Perry County Commissioner, from 1967 to 1973, and was elected to the Trico School District Board of Education while in his 20s. John was elected mayor of the City of Du Quoin in 1989 and will officiate at his last City Council meeting next Monday, February 11.

In his 24 years as Mayor, John Rednour has left an indelible mark on Southern Illinois. He has been able to lead as well as compromise and he is justifiably proud of the infrastructure improvements that have occurred during his tenure as mayor, most notably the Highway 51, Poplar Street overpass, an industrial park and water and sewer improvement projects. All of these infrastructure improvements were completed while maintaining balanced municipal budgets. In evaluating potential projects, John's simple criterion was always, "Is it good for Du Quoin?"

John Rednour's community contributions were not limited to his successful business ventures and service as mayor. John also serves as Chairman of the Illinois State Police Merit Board and is a commissioner of the Perry County Housing Authority. He has been active in politics his entire adult life, having served as a member of the Democratic National Committee for nearly 40 years.

John and his wife, Wanda, have been married for over 60 years and are proud parents, grandparents and great grandparents.

Mr. Speaker, I ask my colleagues to join me in an expression of appreciation to Mayor John Rednour in recognition of his years of service as a community leader and to wish him and his family the very best in the future.
