TRIBUTE TO NICK RENKOSKI

HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 21, 2013

Mr. LATHAM. Mr. Speaker, I rise today to congratulate and recognize Nick Renkoski for being named a 2013 Forty Under 40 honoree by the award-winning central Iowa publication, *Business Record*.

Since 2000, *Business Record* has undertaken an exhaustive annual review to identify a standout group of young leaders in the Greater Des Moines area who are making an impact in their communities and their careers. Each year, forty up-and-coming community and business leaders under 40 years of age are selected for this prestigious distinction, which is based on a combined criteria of community involvement and success in their chosen career field. The 2013 class of Forty Under 40 honorees join an impressive roster of 560 business leaders and growing.

Nick Renkoski is the Director of Marketing and Communications at the Des Moines Metro Opera. In this role, Nick utilizes his love of the arts and his talents of writing, directing, and acting to develop innovative ways to draw in new audiences to the opera and challenge preconceived notions. His video series, *We Live Opera*, has received attention from opera companies across the country for doing just that. Both in and out of the opera, Renkoski has contributed to the crucial role the arts have played in the city's revitalization efforts through his involvement as a committee member of the Des Moines Art Center's Gala and Fashion Week and his performances in several Des Moines Social Club productions. Originally a Des Moines native and a graduate of the University of Missouri, Nick now resides in downtown Des Moines with his wife Liz, who is a member of the 2012 Forty Under 40 class. In all aspects of his life, Nick is an example of hard work and service that our state can be proud of.

Mr. Speaker, it is a profound honor to represent leaders like Nick in the United States Congress and it is with great pride that I recognize and applaud Mr. Renkoski for utilizing his talents to better both his community and the great state of Iowa. I invite my colleagues in the House to join me in congratulating Nick on receiving this esteemed designation, thanking those at *Business Record* for their great work, and wishing each member of the 2013 Forty Under 40 class continued success.

IN RECOGNITION OF NATIONAL
PUBLIC HEALTH WEEK APRIL 1-7
2013

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 21, 2013

Mr. RANGEL. Mr. Speaker, since 1995 the first full week of April was declared National Public Health Week (NPHW) to recognize the

contributions of public health and to highlight issues that are important to improving it. Public health improves the conditions and behaviors that affect the health of each and every one of us. Public health ensures that we have safe, healthy communities. This is why I hope that all Americans will join me in observing National Public Health Week April 1-7, 2013.

This year's National Public Health Week theme is "Public Health is ROI: Save Lives, Save money." It highlights the value of prevention and the importance of well-supported public health systems in preventing disease, saving lives and curbing health care spending. Much like the business world, ROI indicates the return on investments. Investing just \$10 per person each year in proven community-based public health efforts could save the Nation more than 16 billion within five years. That's a \$5.60 return for every \$1 invested. America spends more than twice what most other industrialized nations spend on health care and we still have poor health outcomes. A major reason for this startling fact is that we spend only 3 percent of our health care dollars on preventing diseases as opposed to treating them, when 75 percent of our health care costs are related to preventable conditions.

I was a proud sponsor of the health care reform law which was enacted on March 23, 2010. I feel passionate about uninsured Americans who suffer from chronic conditions such as heart disease and diabetes. The Affordable Care Act, as it is commonly called, ensures that more Americans than ever before will have insurance coverage for mounting medical expenses. Also included in this bill is the creation of the Prevention and Public Health Fund, a new mandatory fund for prevention and public health. The Fund is intended to provide a stable and increased investment in activities that will enable communities to stay healthy in the first place.

Thanks to the great work of the American Public Health Association (APHA) which serves as the organizer of National Public Health Week and the efforts of the U.S. Department of Health and Human Services, great strides have been made to raise awareness about public health and prevention.

However, our work is far from done. In Congress, I will continue to support reliable funding of public health and stand-up for the Prevention and Public Health Fund which helps to provide funding for community-based prevention activities and programs that reduce deaths due to preventable causes. Our current and future generations must not be deprived of the opportunity to live long, healthy lives. Working together, I am optimistic that we can achieve this outcome.
