Humbly, I echo the words of President Ronald Reagan, "We will always remember. We will always be proud. We will always be prepared, so we will always be free." And humbly, I offer my sincere gratitude to Corporal Massey for his service and acts of bravery that allow us the freedoms we enjoy today.

IN RECOGNITION OF NATIONAL
PEACE OFFICERS MEMORIAL DAY

HON. PATRICK MURPHY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2013

Mr. MURPHY of Florida. Mr. Speaker, I rise today to honor and pay tribute to all those who serve and who have served as peace officers to protect and serve our great nation. Today is the day we demonstrate our respect for the men and women and all that they do for us and our country. We especially honor those who sacrificed everything and lost their lives in the line of duty. On this day we remember all those who don a uniform signifying the protection of our country's citizens by means of defending the laws of our nation.

Since October 1, 1962 when President John F. Kennedy signed a special law, May 15 has been National Peace Officers Memorial Day, and the week containing May 15 has been recognized as National Police Week. This is a time when Americans are given a chance to honor the extraordinary service given year after year by our police forces. Although people sometimes forget those in uniform, we must recognize this day to understand the length these officers go to in order to do their job and serve our communities. These officers are special because they have taken the initiative to sacrifice their own safety for the safety of others. They exhibit bravery and courage every day to keep our communities safe, to preserve and protect our laws and our constitution in their line of duty. It is important they know that they have the full support of the United States Congress and the American people.

We must commemorate the dedicated law enforcement officers who serve our communities, states and country. This being said, I would like to take this opportunity to remember our own Sergeant Gary Morales, who was shot and killed in the line of duty at the age of 35 on Thursday February 28, 2013 in Fort Pierce, Florida. He was a selfless hero, like all those who have lost their lives during service. The motto of police week, "Never Alone, Never Forgotten," must be observed and remembered not only today, but every day. Sergeant Morales—you will never be forgotten.

Peace Officers Memorial Day gives us all the opportunity to thank those in our community who do so much for us. This day, as well as National Police Week, pays tribute to the local, State, and Federal law enforcement officers who serve and protect us with courage and dedication. This opportunity to thank those around us also allows for the coming together of communities. These observances re-

mind us all of the ongoing need to be vigilant against all forms of crime and violence. The service of these brave men and women must not go unrecognized and I would like to extend my personal thanks to all those who serve.

IN SUPPORT OF H.R. 527, THE RESPONSIBLE HELIUM ADMINISTRATION AND STEWARDSHIP ACT

HON. LINDA T. SÁNCHEZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2013

Ms. LINDA T. SÁNCHEZ of California. Mr. Speaker, on April 26, 2013 the House of Representatives passed H.R. 527—the Responsible Helium Administration and Stewardship Act. During that roll call, I inadvertently voted against the bill. I rise today in support of H.R. 527.

The Responsible Helium Administration and Stewardship Act is a common sense plan to sell helium from the Federal Helium Reserve in a responsible manner to prevent a global shortage, protect jobs and the economy, and ensure a fairer return for taxpayers. This bill provides a positive alternative to authorizing a continuation of the current program. H.R. 527 prevents an extremely small number of companies from controlling a significant segment of the U.S. economy that relies on helium.

The three phase system carefully outlined in this legislation is strongly supported by my colleagues and the administration. Additionally, the Bureau of Land Management (BLM) has said it can implement this legislation without a lengthy rulemaking process. Transparency and the prevention of collusion are central components of this legislation, allowing all users to know for how much the BLM helium is being sold, creating a stable price environment. This legislation and the three phase program will ensure that there remains a stable, predictable supply of helium for the U.S. economy, as well as continuing to provide taxpayers a fair return on this supply of helium.

HONORING VAN ZANDT COUNTY'S
165TH ANNIVERSARY

HON. JEB HENSARLING

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 15, 2013

Mr. HENSARLING. Mr. Speaker, today I would like to recognize Van Zandt County, Texas on their 165th anniversary.

Van Zandt County was first established by the Texas legislature on March 20, 1848, when it was taken from part of Henderson County. Sabine Lake (Jordan's Saline) was the first county seat. There court was first held in a log-built courthouse during December of 1848. The county seat was later moved to Canton after Wood County was carved out of Van Zandt County in 1850. The county's namesake is Republic of Texas leader Isaac Van Zandt.

The area provides numerous opportunities for enjoying the outdoors and great East Texas food. Local attractions include Lake Tawakoni, the famous First Monday Trade Days in Canton, Salt Festival and Rodeo held in Grand Saline, Van Oil Festival, Edom Festival of the Arts, Ben Wheeler Fall Feral Hog Festival, Wills Point Bluebird Festival, Edgewood Heritage Festival, and countless other events and activities throughout the year that attract visitors from across the state and country.

It is my privilege and honor to represent the citizens of Van Zandt County in the United States House of Representatives.
