

RECOGNIZING JAMES MARTIN OF
MIRAMAR, FLORIDA AS A HAS-
TINGS STAR STUDENT

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 9, 2013

Mr. HASTINGS of Florida. Mr. Speaker, I rise today to recognize the achievements of James Martin of Miramar, Florida, and to honor him as a Hastings Star Student.

At the age of 17, James recently graduated Suma Cum Laude from Florida Atlantic University with a GPA of 3.9. He earned a Bachelor's of Science in Molecular Biology. Having been home-schooled by his mother from a young age, James started college at the age of 14. He is a shining example of what hard work and dedication can accomplish.

While in college, James worked alongside a Nobel Prize winner Dr. Eric Wieschaus at Princeton University. After graduating, James was offered a job with Dr. Wieschaus as a paid lab assistant while he decides which PhD programs to apply to. His goal is to pursue a career as a professor, and I have no doubt he will contribute greatly to the Molecular Biology field.

I would also like to recognize the dedication of Joan Martin, James' mother, to her son's education. The active participation on the part of one's parents is important to a good education, and Joan has gone above and beyond in that regard and is to be commended.

Mr. Speaker, the accomplishments of James Martin are an inspiration to students everywhere, especially within the minority community. I am proud to honor such an outstanding individual. We can all look forward to the bright future this young man has ahead of him.

Mr. FITZPATRICK. Mr. Speaker, we are proud to recognize the 25th anniversary of Bucks County's cultural treasure—the James A. Michener Art Museum. In the span of 25 years, the museum in Doylestown, Bucks County, Pennsylvania has preserved the artistic heritage of the county through its extensive permanent art collection and by reaching out to diverse audiences with national and regional exhibitions, scholarly publications and educational programs. Its art collection has grown from 115 objects to nearly 3,000, including 182 Bucks County related exhibitions featuring over 300 local artists. The museum is housed in an historic 19th century jail that has been expanded to 72,000 square feet of gallery and event space and two beautiful public gardens. We know that last year nearly 150,000 people visited this outstanding repository of Bucks County's creative tradition. And so we proudly acknowledge the James A. Michener Art Museum as a cultural pillar in Bucks County and congratulate those who gave the museum life and sustain it today.

IN RECOGNITION OF LOUIS
CATALDO AND ALICE GEORGE

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, September 9, 2013

Mr. KEATING. Mr. Speaker, I rise today to recognize the outstanding civic contributions of Mr. Louis Cataldo and Mrs. Alice George on the occasion of their retirement from the Mercy Otis Warren Woman of the Year Selection Committee.

Mr. Cataldo first conceived the Mercy Otis Warren Award as a way of recognizing the contributions of Cape Cod's women, past and present. The honor has been bestowed upon twelve women since 2002 for their exceptional leadership, involvement in local institutions, and community enrichment. Mr. Cataldo's love of history and the Cape Cod community are evident in the award's namesake, as Mercy Otis Warren was a citizen of Barnstable County and a vocal advocate for civil liberties in the midst of the American Revolution. Mr. Cataldo's initiative has helped preserve the memory of an often-overlooked American patriot while praising the distinguished women who continue Warren's legacy today.

A charter member of the Mercy Otis Warren Woman of the Year Selection Committee, Mrs. Alice George has presided as its chair from the beginning. In partnership with Mr. Cataldo and the Barnstable County Commissioners, Mrs. George has led the charge to bring Cape Cod's most inspiring women to the forefront. She has long been a central figure in Barnstable and actively serves in many charitable and community organizations. Mrs. George also worked with Mr. Cataldo in bringing the Mercy Otis Warren statue to the grounds of the county courthouse.

Following eleven wonderful years at the helm, Mr. Cataldo and Mrs. George will step down from their positions on the selection committee. Mr. Speaker, please join me in thanking Mr. Louis Cataldo and Mrs. Alice George for over a decade of service to southeastern Massachusetts. I ask that my colleagues join me in applauding them for their selfless advocacy efforts.

HONORING THE CALIFORNIA HIS-
PANIC CHAMBERS OF COMMERCE

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 9, 2013

Ms. LEE of California. Mr. Speaker, I rise today to honor the California Hispanic Chambers of Commerce, CHCC, as it celebrates its 35th anniversary at its annual convention being held at Oakland, California. I commend CHCC for their choice to hold this important event in my congressional district, known for its spirit of diversity and innovation, as well as its proud history of Hispanic and Latino entrepreneurship.

In 1978, a group of local Hispanic chamber leaders from throughout California convened to discuss the lack of representation of Hispanic businesses in State government. These leaders also recognized the need for an organization that would effectively represent the interest of the rapidly growing number of Hispanic-owned businesses in California. From those beginnings, the CHCC has grown into a network of over 65 Hispanic chambers and business associations throughout the State of California. Through its network, the CHCC represents the interest of over 700,000 Hispanic business owners in the State, making it the largest ethnic business organization in the Nation.

As a longtime advocate for the advancement of disadvantaged and minority-owned businesses, I applaud the CHCC's mission to promote, support, and encourage the advancement and development of Hispanic and minority-owned businesses, and to provide an organizational forum for the exchange of ideas, information, technical assistance, procurement opportunities, and any other form of business opportunities that enhance the Hispanic and minority business communities. I also commend its development of a program of advocacy in order to inform and educate elected and appointed officials, legislative bodies, agencies, and public and private organizations about the concerns, needs, and opportunities which affect the Hispanic and minority business communities of California, and to foster unity and communication between organizations, corporations, and individuals who support the goals and objectives of the CHCC.

CHCC's numerous programs are making real impacts in this State. Through their

Project Homeowner initiative, CHCC has worked to help borrowers understand their financials, and in some cases reach agreements on home loan modifications. The ABC/ETP program works to connect minority and women-owned firms with tools and non-traditional capital streams, while providing educational opportunities to bolster budding businesses through an innovative, original curriculum.

Since 2008, the CHCC Foundation has worked to promote charitable programs to create and develop educational and economic development programs to increase adult leadership for CHCC and its members, and to provide scholarship opportunities for qualified students to attend educational institutions to study business and economic development. The Foundation also partners with the United Health Care Foundation to provide scholarship opportunities to promising students entering the medical field.

Therefore, on behalf of the residents of California's 13th Congressional District, I would like to salute the CHCC, and all of those who have contributed to its 35 years of success. Thank you for your long-term belief in entrepreneurship and for your contributions to our community. Once again, congratulations, and I wish you the very best as you strive for another 35 years of excellence.

Monday, September 9, 2013

Mr. BURGESS. Mr. Speaker, I rise today to honor the exemplary career of Col. Charles Jackson who recently retired from his position as Assistant Vice President for Facilities at the University of North Texas (UNT) in Denton, Texas. For over a decade, he has competently overseen the rapid growth of new construction and renovation of numerous campus buildings. Prior to his work at UNT, Col. Jackson spent the majority of his career serving his country on active duty with the United States Air Force (USAF). As a registered professional engineer and member of the Association of Physical Plant Administrators, Col. Jackson has distinguished himself as an accomplished military and civilian engineer through his successful direction of numerous projects and developments, domestically and abroad.

Col. Jackson received a B.A. in civil engineering from the U.S. Air Force Academy and a M.A. in engineering/facilities from the Air Force Institute of Technology. He served as the commander of the 7th Engineering Squadron at Carswell Air Force Base at Fort Worth, Texas. His civil engineer leadership positions include duty assignments stateside in Colorado, Texas, Nebraska, and Oklahoma and overseas in Japan, Germany and Belgium. Col. Following his departure from the Air Force, Col. Jackson began employment at UNT as Facilities Maintenance Manager and was selected for his current position in 2005. Since 2000, the UNT campus has rapidly expanded

to accommodate the growing number of incoming students. Col. Jackson has overseen the construction of four residence halls, seven major buildings and additional renovation projects. His proudest accomplishments include the Library Mall, the Net Zero Energy Lab, and the recent completion of the SMART project which will have a long-term beneficial impact for the UNT campus. Col. Jackson acted as a vital proponent of this project that will save the University over \$3 million in utility and operation costs annually and ensure reliable systems to support UNT into the future. The SMART project recently received a Green Ribbon Award in the infrastructure category from the U.S. Green Building Council North Texas as the best example of the implementation of sustainable infrastructure design, construction or management practices.

On a personal level, I am grateful to Col. Jackson for his advice and expertise as a member of my Service Academy Board. As a USAF Academy graduate and higher education representative, Col. Jackson's role was to comprehensively screen and interview high school and college applicants wishing to receive a congressional nomination and to advise me upon the selection of qualified service academy candidates.

I join his family, friends and colleagues in congratulating Col. Charles Jackson upon his exemplary service to our community, state and nation and extend my warmest wishes upon a well-earned retirement. His positive contributions and dedicated efforts will continue to enhance The University of North Texas for years to come, and I am privileged to represent the University of North Texas in the U.S. House of Representatives.

STATEMENT ON THE 100TH
BIRTHDAY OF LUCY T. DAVIS

HON. HAKEEM S. JEFFRIES

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, September 9, 2013

Mr. JEFFRIES. Mr. Speaker, I rise today in celebration of the 100th birthday of Mrs. Lucy T. Davis. Mrs. Davis is a beloved member of the community; throughout her life, she has brightened the lives of all she encountered. In celebration of her centennial birthday, Mrs. Davis was honored on May 11, 2013 at the Bishop Hucles Nursing Home in Brooklyn, NY.

Mrs. Davis was born in Macon, Georgia on May 12, 1913, and in 1931 her family moved to Brooklyn, NY as part of the Great Migration of African Americans from the rural South to cities in the North, Midwest, and West. While doing domestic work during the day, Mrs. Davis took night courses to learn office skills. During World War II she moved to Washington, DC to work for the United States Department of Defense as a typist. After World War II, Mrs. Davis returned to Brooklyn, NY where she became a supervisor at the Department of Motor Vehicles.

She has been an active member of Cornerstone Baptist Church since 1950. In 1984, Dr. Harry S. Wright appointed Mrs. Davis as the third chairperson of the Board of Christian Education at Cornerstone Baptist Church. During her tenure as chairperson, the board sponsored a Youth Speak Out; a Cinema Club; and a series of family activities including an

annual family church outing, family night, and a family Sunday where the board honored three families from the congregation—a young family, a middle-aged family, and a senior family. She greatly contributed to the vitality of the Church through the numerous roles that she held. From 1985 to 1993 she led the Tuesday afternoon Bible Study. She also led the Circle South in the Missionary Society. Mrs. Davis was an outstanding Sunday School teacher, who my brother, Hasan, and I were very fortunate to have learned from.

Throughout her life, Mrs. Davis has been an avid student. She took many courses in adult education from the City of New York. She received her first, second, and third certificates of progress from the National Baptist Congress of Christian Education. Mrs. Davis also greatly enjoys reading and painting.

We thank her beloved goddaughter, Rose Davis Utendahl, for traveling from Alabama for this celebration. Mr. Speaker, I ask that you and my other distinguished colleagues join me in congratulating Mrs. Davis on her 100th birthday. For her dedication to the community, she is worthy of the highest praise.
