DEFUNDING OBAMACARE

(Mr. SMITH of Missouri asked and was given permission to address the House for 1 minute.)

Mr. SMITH of Missouri. Madam Speaker, when I talk to folks back home in my rural Missouri district, it remains clear that our families and businesses want to defund ObamaCare. As time goes on, the list of problems with the President's health care mandate continues to get longer. The reality of rising premiums, job-killing mandates, and jeopardized patient care are proof that this unworkable legislation must be stopped.

Today the House of Representatives will vote to defund President Obama's health care law. The vote will be a victory for my constituents who are adamantly opposed to ObamaCare and the disastrous impact it will have on our rural economy.

After the House of Representatives votes to defund ObamaCare today, the United States Senate must justify to the American people why ObamaCare is too harmful for businesses but should still be forced on families and individuals. The Senate must justify why special interests are eligible for waivers and delays while average Americans will be hit with ObamaCare's tsunami of mandates, fines, and confusions.

Madam Speaker, I urge the United States Senate to follow the House's lead and defund ObamaCare.

STRENGTHENING THE SOCIAL SECURITY ACT

(Mr. HOLT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOLT. Madam Speaker, Social Security is one of the most successful programs of the Federal Government. However, many Americans don't realize that the wealthy pay a lower rate on taxable income into Social Security.

With Senator HARKIN, Representative LINDA SÁNCHEZ, along with many co-sponsors, we have introduced legislation to scrap the wage cap on payroll taxes. Most Americans will, no doubt, think it is more fair that everyone pay the same rate, and the bill would stop the misguided claims that Social Security needs to be changed or scrapped.

It would allow increased monthly benefits. It would also provide a cost-of-living allowance that better reflects the actual cost of living for seniors.

I ask my colleagues to join us in this effort.
