

CONGRATULATING H-E-B

HON. RUBÉN HINOJOSA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2013

MR. HINOJOSA. Mr. Speaker, I rise to congratulate and thank H-E-B for its 85 years of service to the State of Texas and the border communities I represent. This year marks their 85th anniversary of entry into the communities in the Río Grande Valley. Since 1928, H-E-B has provided local border communities with some of the best customer service and groceries at everyday low prices.

Because of the commitment of H-E-B to the communities along the border, the people in the Río Grande Valley have grown to consider H-E-B as their neighbor, and not just their local grocer. H-E-B has served our communities with fresh food, convenient services and has shown a commitment to education, hunger prevention, disaster relief, diversity, volunteerism and the environment for the past 85 years. During some of the most impactful hurricanes in history, H-E-B was the last store to shut its doors and the first to re-open, providing the community with much needed service and support.

The dedication that H-E-B has shown towards our communities is apparent through their actions. Most recently, through their sponsorship of the University of Texas Pan-American's (UTPA) Hispanic Engineering, Science and Technology Conference (HESTEC), H-E-B has once again demonstrated their commitment to our youth. Over the years, H-E-B has been a loyal sponsor of UTPA and HESTEC, because they understand the importance of developing a twenty-first century workforce. It is because of H-E-B, and all contributing sponsors, that HESTEC has been able to recruit more Latino students into careers in science, technology, engineering, and mathematics (STEM) and health related fields.

It is truly an honor for me to recognize H-E-B for all their efforts in the Río Grande Valley. I congratulate them on their 85th Anniversary celebration and thank them for their strong partnership with the University of Texas Pan American and HESTEC.

RECOGNIZING JAMES CASTELLANE

HON. TIMOTHY H. BISHOP

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2013

MR. BISHOP of New York. Mr. Speaker, I rise today to congratulate James Castellane, one of Long Island's most formidable leaders and a dynamic advocate for working families, on this occasion of his retirement.

I am proud to call Jimmy a good friend and partner in expanding opportunity and raising the standard of living for working men and women across Long Island. Jimmy has dedicated his life to improving workplace conditions and ensuring that every worker has a chance to work at a quality, good paying job.

Jim joined his local insulator union, the International Association of Heat and Frost Insulators and Allied Workers, upon returning from the war in Vietnam. For the next forty years, Jim devoted his time working as an enthusiastic laborer, organizer and union leader.

In 2007, Jimmy became President of the Building and Construction Trades Council of Nassau and Suffolk Counties on Long Island. As President, Jimmy represented 36 local construction unions and over 55,000 workers.

As President of the council during one of the worst economic crises in our country's history, Jim understood the importance of construction trades and the hardships faced by workers and fought tirelessly to create and save good paying construction jobs on Long Island.

As a veteran, Jim is familiar with the hardships that can come with returning home from war. He often partnered the Building and Construction Trades Council with local government agencies and businesses to ensure that every returning service man and woman had the opportunity to find quality employment.

Jim extended his passion for protecting workers' rights well beyond that of the construction trades as a member of the Executive Committee of the Long Island Federation of Labor. No matter what the industry, you could rest assured you would find Jim on the front line in defense of his fellow Long Islanders whenever workers' rights were threatened.

Mr. Speaker, on behalf of the First Congressional District of New York, I thank Jim Castellane for his service to our country and the many decades he has spent advancing the rights of workers on Long Island. On behalf of the people of the first congressional district of New York, I wish him the very best retirement and all the best in the years to come.

IN RECOGNITION OF 60TH ANNIVERSARY OF SOUTHERN CALIFORNIA PERMANENTE MEDICAL GROUP

HON. XAVIER BECERRA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2013

MR. BECERRA. Mr. Speaker, I rise today to recognize the 60th anniversary of the Southern California Permanente Medical Group (SCPMG) of Kaiser Permanente.

The origins of the Southern California Permanente Medical Group began in 1942 when industrialist Henry J. Kaiser asked Dr. Sidney Garfield to establish a health care plan for workers at the Kaiser steel mill in Fontana, California. In 1945, the health organization opened enrollment to other residents of the Fontana area. A few years later, at the invitation of the International Longshoremen and Warehousemen unions and the Retail Clerks Union Local 770, services were brought to the Los Angeles Harbor area. In 1953, the Southern California Permanente Medical Group's partnership was officially formed.

The Southern California Permanente Medical Group is an exclusive partner with the Kaiser Permanente health plan. From its modest beginnings more than 60 years ago, the Southern California Permanente Medical Group has grown to meet the changing economy and communities of Southern California. Today, approximately 7,000 SCPMG physicians care for more than 3.6 million Kaiser Permanente members in Southern California. These physicians proudly serve diverse communities speaking over 100 languages with culturally responsive care. SCPMG supports community partners through initiatives that reduce health care disparities and promote healthy eating. SCPMG physicians additionally contribute to the health of area residents through their personal volunteer work in local community clinics.

The Southern California Permanente Medical Group's presence can be noticed throughout Southern California's health care system. SCPMG physicians serve on the faculty of area medical schools and mentor graduate medical residents who train in Kaiser Foundation Hospitals' Graduate Medical Education rotations.
