

We urge the Iranian people to do tshuvah for their government's demonization of the United States and Israel, for its holding U.S. diplomats hostage for more than a year in 1979-1980, and for the support it seems to have covertly given for attacks on Israeli citizens.

We believe that this combination of governmental acts and public rethinking and re-feeling can move American society, the entire Middle East, and the world toward the shalom that Judaism yearns for.

RECOGNIZING THE SERVICE OF  
BILL HARRISON

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, January 10, 2014*

Mr. COSTA. Mr. Speaker, I rise today to recognize Mr. Bill Harrison as he retires after 24 years with the San Luis & Delta-Mendota Water Authority (Water Authority). Bill's commitment and dedication to the Water Authority deserves to be commended.

Bill earned a Bachelor of Arts Degree in Sociology from Stanford University, and he continued his education at Theological Union in Berkeley, California where he received his Master's Degree in Systematic and Philosophical Theology. Although Bill's background did not begin in water management, he quickly learned the trade and became an asset to the Water Authority.

Prior to the formation of the Water Authority in 1992, Bill served on the Board of Directors of the San Luis & Delta-Mendota Water Users Association for 14 years. Currently, he serves on the board for the Central Valley Project Water Association where he represents the interests of 160 public agencies served by way of the Central Valley Project. In addition, he also serves on the board of the State and Federal Water Contractor's Agency which is comprised of water agencies dedicated to assuring a reliable and quality water supply for the costumers of their member agencies.

Since 1994, Bill has been employed as the General Manager of the Del Puerto Water District. During his tenure, he brought 10 districts together which now make up the Del Puerto Water District. He was instrumental in negotiating and implementing a long series of interim renewal service contracts, resulting in the district's 2005 Long-Term Renewal Contract with the Bureau of Reclamation.

As Director of the San Luis & Delta Mendota Water Authority, Bill develops and initiates policy recommendations for Board review. He works closely with the Board to develop and achieve the organization's purposes and goals. Bill's leadership and grasp on the issues has benefitted the Water Board for decades.

Mr. Speaker, I ask my colleagues to join me in recognizing Bill Harrison as he celebrates his retirement from the San Luis & Delta Mendota Water Authority. His tireless efforts and advocacy on behalf of farmers and residents throughout the Central Valley will undoubtedly be missed.

HONORING SUPER AUTO SHOP

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Friday, January 10, 2014*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a well respected rural town minority owned business, Super Auto Shop.

Super Auto Shop was established in 1985 in Bolton, Mississippi by Mr. Terry Williams. Originally from Jackson, Mississippi, Mr. Williams has always maintained an interest in auto body work from a very young age.

In 1970, he moved to Chicago, Illinois and in 1979, he moved to Gary, Indiana, where he worked for Inland Steele Company for approximately 13 years. While working at Inland Steele, Mr. Williams performed auto body work as a hobby. In 1985, Mr. Williams married his wife Joanna and they both moved back to her hometown of Bolton. After acquiring a mechanic shop previously owned by Mr. Mitchell Reese, Mr. Williams took the opportunity to establish an auto body work shop.

Upon its establishment, Mr. Williams performed all auto body work and two other individuals performed auto mechanical services. Over time, his business began to grow and all of Mr. Williams' sons became an integral part of his now auto body and mechanic shop. Because of the need to expand and the coincidental availability of a much larger auto shop, Mr. Williams moved his shop in 2005. With the expansion of his business, Mr. Williams has a wide variety of clientele, both near and far. His services to the Bolton community have been invaluable over the past 28 years. Currently, he employs an auto body painter and a mechanic.

Mr. Speaker, I ask my colleagues to join me in recognizing Mr. Terry Williams and Super Auto Shop for its remarkable contribution and undying commitment to provide reliable auto body and mechanic work to the citizens of Bolton and neighboring rural communities.
