THE PASSING OF GODFREY FUNK

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 15, 2014

Mr. COLLINS of Georgia. Mr. Speaker, Northeast Georgia lost a valued community member when Godfrey Funk passed away on January 8, 2014.

Godfrey spent 35 years teaching in the Hall County School System. During his tenure in the classroom, he touched thousands of young Georgians' lives—including mine.

Born and raised in Georgia, Godfrey came into the world on May 10, 1926. He graduated from Cornelia High School in 1944 and served in the United States Navy for two years immediately following graduation. He went on to study at the University of Georgia and received his Bachelor of Science in Agriculture in 1950. Godfrey moved to the community of Clermont upon graduation, where he met and married his wife, Patty. They raised four sons together and enjoyed 63 years of marriage. The Funks were active members of Concord Baptist Church, where Godfrey served as a deacon for more than 60 years.

Godfrey will be remembered not only for his decades of investment in the community, but also for his well-known green thumb. Gardening was a lifelong love for Godfrey, whose beautiful yard and prolific vegetable garden were well-known and admired by family, friends and neighbors.

My prayers and thoughts are with Patty and the rest of Godfrey's family as they mourn their loss.

TRIBUTE TO MORGAN STEWARD

HON. PAUL C. BROUN

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 15, 2014

Mr. BROUN of Georgia. Mr. Speaker, I rise today to acknowledge the accomplishments of Morgan Steward, a 5-year-old from Covington, GA. Steward was born with spinal muscular atrophy, a genetic condition that affects his muscle movement and confines him to a wheelchair. However, Morgan's physical limitations in no way have hindered his career goals, specifically, his dream of becoming a police officer.

When the Covington Police Department learned of Morgan's aspirations, they sprang into action, swearing him in as the newest member of the squad. As news of the new officer spread, the people of Covington formed a social media campaign to dedicate a special day to the young officer. Soon after, on December 17, 2013, a crowd gathered on the Covington Square to honor and cheer on the young officer as it was declared Officer Morgan Day.

However, Morgan's special day did not mean a break from maintaining public order. Typical daily responsibilities of a member of

the force, like Morgan, include keeping the peace, law enforcement, protection of people and property, and the investigation of crimes. Officer Morgan Day was no exception, as December 17th proved to be a crime-filled day in Covington. Officer Morgan loyally executed the duties of the Covington Police Department, thwarting the efforts of a "bank robber" at BB&T and solving a theft of the "Jewels of Covington" at Southern Heartland Art Gallery. Morgan even teamed up with basketball star Shaquille O'Neal to rescue a cat from a tree.

It is my honor to acknowledge Morgan Steward for his brave service to his community as a Police Officer. I want to also commend this young man for setting the highest example of courageousness while facing such serious adversities. Those who know Morgan, recognize him for his constant smile and positive attitude. On behalf of the United States Congress, I commend young Officer Morgan for his service and thank him for the exceptional example he sets for all who face medical hardships.
