

REPORT OF THE CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO IRAN THAT WAS DECLARED IN EXECUTIVE ORDER 12957 ON MARCH 15, 1995—PM 35

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Iran that was declared on March 15, 1995, is to continue in effect beyond March 15, 2014.

The crisis between the United States and Iran resulting from the actions and policies of the Government of Iran has not been resolved. The Joint Plan of Action (JPOA) between the P5+1 and Iran went into effect on January 20, 2014, for a period of 6 months. This marks the first time in a decade that Iran has agreed to and taken specific actions to halt its nuclear program and to roll it back in key respects. In return for Iran's actions on its nuclear program, the P5+1, in coordination with the European Union, are taking actions to implement the limited, temporary, and reversible sanctions relief outlined in the JPOA.

Nevertheless, certain actions and policies of the Government of Iran are contrary to the interests of the United States in the region and continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency declared with respect to Iran and to maintain in force comprehensive sanctions against Iran to deal with this threat.

BARACK OBAMA,  
THE WHITE HOUSE, March 12, 2014.
