Moreover, the Teen Pregnancy Prevention Initiative, an initiative that SIECUS also seeks to strengthen and support, has greatly impacted the Alameda County Public Health Department. Currently, Alameda County provides evidence-based HIV, STD, and teen pregnancy prevention to more than 1,500 young people in eighteen OUSD Middle Schools.

Therefore, on behalf of California's 13th Congressional District, I want to extend my congratulations to SIECUS on this important milestone. I wish them continued success in advancing comprehensive sexual education and the health of all people.

IN CELEBRATION OF AMOS
CHARLES HASTON'S 100TH
BIRTHDAY

HON. AL GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 29, 2014

Mr. AL GREEN of Texas. Mr. Speaker, I would like to acknowledge the 100th birthday of a respected educator and community leader, Amos Charles Haston. Born in Denison, Texas on this day in 1914 to Tilmon and Mary Haston, Mr. Haston rose from humble beginnings to become a respected leader.

Tragedy struck early in Mr. Haston's life when his father was murdered in his presence in 1919. He and his mother subsequently moved to Wewoka, Oklahoma. He excelled in school, graduating as the salutatorian of his high school and achieving the status of all-state half-back for his football team. Mr. Haston worked, played varsity football, and sang on the college's travelling a capella choir while putting himself through college at Langston University. In 1934, he became a member of his beloved Alpha Phi Alpha Fraternity, Inc. at Langston. In 1937, Mr. Haston graduated with a Bachelor of Science degree in Science and Mathematics. He later attended the University of Colorado for post-graduate work; Texas Southern University, where he received his Masters of Education in Secondary Administration degree; and the University of Oklahoma, where he did course work toward a doctorate.

In 1937, Mr. Haston took his first job out of college as a teacher in a one-room schoolhouse, simultaneously teaching grades 1-8. He eventually resigned and moved to Hugo, Oklahoma to accept a position as a math teacher, as well as the head football and basketball coach. During the summers, Mr. Haston worked as a porter for the railroad, traveling from Portland, Oregon to Seattle, Washington to earn extra income. He met his wife of 73 years, the former Doris E. Sampson in Hugo. They married Christmas day in 1941 and remain married to this day.

In August 1942, Mr. Haston was called to the service of his country for a period of 46 months, 27 months of which were served in combat in the Pacific Theater of World War II. Though his service began as a Buck Private in the Army, he was separated from the serv-

ice as a Second Lieutenant in the Corps of Engineers. Mr. Haston's wife looked after his mother who became ill during his absence in the war.

In September 1946, Mr. Haston was hired as a teacher in Ardmore, Oklahoma, where he also served as the assistant coach of the football and basketball teams. In February 1952, Mr. Haston and his wife had their son William, who presently serves as Counsel in the Legal Division of the Federal Deposit Insurance Corporation in Washington, D.C.

In 1954, Mr. Haston accepted a job as Principal of Lincoln High School in Nowata, Oklahoma. He resigned in 1958 to establish a home in Houston, Texas in an effort to provide better opportunities for his son. In Houston, he worked for the Houston Independent School District as a math teacher at Kashmere Gardens Jr./Sr. High School. Mr. Haston would go on to teach biology, chemistry, and physics. He also obtained the distinction of F.O.A. Science Specialist and was later promoted to Assistant Principal.

In 1961, Mr. Haston and his family joined St. James Episcopal Church, where he served as a member of the Vestry, Sunday School Superintendent, Junior Warden, Senior Warden, and member of the Brothers of St. Andrew.

Mr. Haston is a proud member of Kiwanis International and Alpha Phi Alpha Fraternity, Inc. He was the inspiration for Dr. Ronald Peters to work to establish Alpha's Brother's Keeper Program. On July 23, 2010, at Alpha's 90th General Convention, the Brother's Keeper Program became international and was renamed the "A. Charles Haston Brother's Keeper Program." Mr. Haston is also the only member of Alpha Phi Alpha to maintain a membership for 80 years.

When recently asked what the most significant event that had occurred in his life, he unhesitatingly said, "The election of a Black man, Barack Hussein Obama, II, as the President of the United States."

Mr. Speaker, in closing, Amos Charles Haston, is a dedicated and loving husband, father, grandfather, great-grandfather, educator, veteran, and servant of all mankind. He is an exemplar for all those who aspire to selflessly serve others.

Although the name has changed, Harrisburg Regional Chamber of Commerce has stayed true to its mission, acting as a catalyst for policy change, job creation, and business growth throughout Cumberland, Dauphin, and Perry counties. The

Chamber continues to serve as an important asset in Southeastern Pennsylvania, spurring economic development throughout the community.

Mr. Speaker, for 100 years the Harrisburg Regional Chamber of Commerce has served as a catalyst for economic growth in Harrisburg, PA. Therefore, I commend all those who have served to improve their community as part of this important organization.

COMMENDING CHILDREN'S
MEDICAL CENTER OF DALLAS

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 29, 2014

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today to commend Children's Medical Center of Dallas, the recipient of the prestigious HIMSS Davies Enterprise Award of Excellence. Children's leadership in the use of health information technology provides superior patient care.

As the first nurse elected to Congress, I recognize that the implementation of an electronic health record (EHR) and the use of EHR technology is crucial in our medical community. Since 1994, the Nicholas E. Davies award of Excellence has recognized superior implementation and use of health information technology for healthcare organizations, private practices, public health entities, and community health organizations.

This is the second year in a row that Children's has been the recipient of the HIMSS Davies Enterprise Award and Children's was the first hospital to achieve HIMSS Electronic Medical Record Adoption Stage 7. Children's has also received two HITRUST certifications and was named Most Wired by Hospitals and Health Networks eight times.

Children's is able to use EHR technology to support quality focused care delivery where staff works in a team-based setting to bring high quality, measurably better care for their young patients. Children's has seen reductions in median length of stay decline from 2.4 days to 1.95 days. Chest x-rays have decreased from 59 percent to 39 percent.

Children's uniquely uses the capabilities of its EHR to help patients and families play a larger role in their own care. This increases patient and family satisfaction. Children's leadership in the health information technology space not only moves us forward but it also improves patient care and quality of life for these young patients.

I am proud to have Children's Medical Center in my district and I will continue to advocate advancing health information technology nationwide.

CORAM FIRE DEPARTMENT'S 85TH
ANNIVERSARY**HON. TIMOTHY H. BISHOP**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 29, 2014

Mr. BISHOP of New York. Mr. Speaker, I rise today to honor the members and leaders of the Coram Fire Department on the department's 85th anniversary.

The Coram Fire Department exemplifies bravery, selflessness, and a strong sense of community. For 85 years, its members have been willing to leave their homes and their families at any hour of the day or night, running toward danger to save their neighbors.

The department has grown with the community, expanding its services and its facilities to ensure the safety of Coram residents. It has opened its fire house to more than just fire-or department-related activities. Two civic groups meet regularly at the auxiliary fire house. And any time my office is in need of a meeting space, whether to honor our nation's veterans, to bring in banks to help homeowners with mortgage issues, or to celebrate our military academy nominees, the Coram Fire Department has welcomed us and provided the space with support for our events.

The Coram Fire Department is also proactive in its advocacy for the fire and emergency services. Whenever there is something that can be done to make the jobs of volunteer emergency service personnel easier, or the need to call our attention to something they feel makes it harder, the membership works hard to find ways to resolve the issue.

Mr. Speaker, on behalf of all of the residents of the First Congressional District, and in particular the residents of Coram, I offer my thanks and best wishes to the Coram Fire Department. Here's to 85 more years of dedicated service to the community.

COMMENDING SUMMER BROWN ON
EARNING THE GIRL SCOUT SILVER
AWARD**HON. PETE OLSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 29, 2014

Mr. OLSON. Mr. Speaker, I rise today to congratulate Summer Brown on earning the Girl Scout Silver Award, the highest achievement a Cadette can earn. Summer, a student at First Colony Middle School in Sugar Land, achieved this honor through her accomplishments in leadership, advocacy, and dedication to improving her community.

Summer completed her Girl Scout Silver Award project by coordinating and leading a "Healthy Eating and Energy" workshop for elementary students. She led a team of volunteers to teach students how to lead a healthy lifestyle. This included helping students learn how to read and understand nutrition labels on food packages. Summer also conducted a fruits and vegetable taste test to help the students discover and experience healthy foods. Every parent knows that in itself is an accomplishment.

On behalf of all of the residents of the Twenty-Second Congressional District of

Texas, I'm pleased to recognize Summer's Girl Scout accomplishment and her contributions to help make her community a healthier place. We are all proud of Summer Brown.

WELCOMING PASTOR BENNY TATE

HON. PAUL C. BROUN

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 29, 2014

Mr. BROUN of Georgia. Mr. Speaker, I rise to recognize Pastor Benny Tate, the Senior Pastor of Rock Springs Church in Milner, Georgia, for over 25 years.

When Dr. Benny Tate first arrived in Milner, Georgia, Rock Springs Church had just 60 members in its congregation. Today, that number has grown to more than 6,000.

Under the leadership of Pastor Tate, several ministries were formed at Rock Springs Church in order to meet the needs of the community, including:

The Rock Springs Medical Clinic to care for those who cannot afford medical insurance, the Potter's House, which ministers to women battling drug and alcohol abuse, Rock Springs Christian Academy, offering quality education to children K through 12, and the Impact Street Ministries, which helps the homeless by serving meals and providing clothing to those in need.

Psalm 68:5 says, "A father to the fatherless, a defender of widows, is God in his holy dwelling." Or James 1:27 says, "Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world."

Dr. Tate's work is a shining example of what scripture tells us the role of the church should be—to care for the poor, the fatherless, and widows.

Today, Pastor Tate and his wife of more than thirty years, Barbara, reside in Griffin Georgia, and are parents to their daughter, Savannah Abigail.

Mr. Speaker, I ask my colleagues to join me in honoring Pastor Benny Tate for his 25 years of outstanding leadership and service to his community at Rock Springs Church. I wish him many blessed years ahead as he continues to lead, serve, and further the gospel at his full service church.

DONNA PALERMO

HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 29, 2014

Mr. BARLETTA. Mr. Speaker, I rise to honor Donna E. Palermo on her retirement from the Greater Hazleton Chamber of Commerce after 26 years of exceptional service.

Ms. Palermo began working for the Chamber as an executive secretary in 1988 and continued to move through the ranks of the organization, serving as an administrative assistant, vice president, and interim president. In May 2001, she became the first woman in the Chamber's 120-year history to serve as president, a position she held for 13 years.

Beyond her work with the Chamber, Ms. Palermo is an active member of the Hazleton

community, serving in numerous leadership roles including President of the Northeastern Chamber of Commerce Services Organization, Chair of the Luzerne County Convention & Visitors Bureau, and Chair of the Greater Hazleton Area Civic Partnership. She is also a member of the Greater Hazleton Health Alliance (now Lehigh Valley Hospital-Hazleton), Leadership Hazleton, Lackawanna/Luzerne County Metropolitan Planning Organization, and CAN BE.

In addition to her involvement with many of the areas organizations and charities, she has undertaken several special projects, including an effort to bring back a health insurance program for the Chamber. As a result of her collaborative efforts, this health insurance program has grown beyond the Greater Hazleton Chamber to 17 additional Northeast Pennsylvania Chambers of Commerce.

Mr. Speaker, having had the pleasure to work with Ms. Palermo on many projects centered on community service and economic development, I can attest to her integrity and strong sense of community pride. Therefore, I commend Donna E. Palermo for her years of committed service to her community and the Greater Hazleton Chamber of Commerce, and I wish her continued success in the future.
