Each year the winner of the competition has their art work displayed with other winners from across the country in a special corridor here at the U.S. Capitol. Thousands of our fellow Americans walk through the exhibition and are reminded of the vast talents of our young men and women. Indeed, all of these young artists are winners, and we should be proud of their achievements so early in life.

Mr. Speaker, I urge my colleagues to join me in congratulating these talented young people from New Jersey's 11th Congressional District.

TRIBUTE TO VARUN KUKKILLAYA

HON. SHELLEY MOORE CAPITO

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 28, 2014

Mrs. CAPITO. Mr. Speaker, I rise today to recognize the hard work of Varun Kukkillaya who has joined 280 other spellers to compete in the 2014 Scripps National Spelling Bee taking place in our nation's capitol. Varun is a 13-year-old seventh grader from John Adams Middle School, one of four, who will be representing West Virginia in this year's spelling bee.

Varun has already performed exceptionally in the beginning testing round and I wish him the best of luck during the remaining preliminary rounds and throughout the rest of the competition. Varun enjoys a challenge and is an eager traveler. Through his persistence and determination he plans to pursue a career in medicine.

This will be the 87th competition in the Scripps National Spelling Bee, which focuses on helping students improve their spelling, expand their vocabularies, and develop proper concepts as they continue to further their academic careers.

Mr. Speaker, the State of West Virginia commends Varun for his extraordinary efforts and looks forward to watching his progress in the coming competition.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. mittee—of the time, place, and purpose of the meetings, when scheduled, and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
