

leagues and various recreational activities. The Arc has numerous group homes which allow adults to enjoy an independent and less structured living environment. These programs afford individuals the opportunity to grow and develop their skills and social networks.

This year, The Arc of Greater Prince William celebrates its 50th Anniversary. The organization has built a remarkable infrastructure of programs and facilities, including a new 13,800 square foot expansion. The residents of Prince William are served well by the diverse and comprehensive selection of assistance programs offered by The Arc.

Mr. Speaker, I ask that my colleagues join me in congratulating The Arc of the Greater Prince William County on the occasion of its 50th Anniversary and in thanking their compassionate members and staff for their commitment to providing opportunities for disabled individuals. I would like to express my personal gratitude for their work and my admiration for the mission they seek to accomplish.

RECOGNIZING CORPORAL WILLIAM
"KYLE" CARPENTER ON THE OC-
CASION OF RECEIVING THE
MEDAL OF HONOR

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 19, 2014

Mr. MILLER of Florida. Mr. Speaker, I rise today to recognize the remarkable military service of retired Marine Corporal William "Kyle" Carpenter, and former Defense Fellow with the House Veterans Affairs Committee, as earlier today he became the latest and youngest recipient of our Nation's highest military honor, the Medal of Honor.

Born in Flowood, Mississippi on October 17, 1989, Corporal Carpenter enlisted in the United States Marine Corps in February 2009. Upon completion of Recruit Training at Parris Island, South Carolina, then Private First Class Carpenter was assigned to Fox Company, 2nd Battalion, 9th Marines as a Squad Automatic Weapon gunner. In July 2010, Corporal Carpenter deployed to Afghanistan in support of Operation Enduring Freedom. Later that year, his life would change forever in an instant.

On November 21, 2010, Lance Corporal Carpenter and Lance Corporal Nicholas Eufrazio were providing overwatch on the rooftop of a makeshift operation center in Marjah, Helmand Province, Afghanistan, when his unit took small arms fire from enemy forces. A live grenade landed next to both men and with complete disregard for his own personal safety, Lance Corporal Carpenter leaped onto the grenade to save the life of his brother-in-arms. His subsequent injuries were so extensive that the medical team of a nearby facility labeled him "Expired on Arrival".

Thanks to the remarkable efforts of his medical team, Corporal Carpenter stabilized. In the following two and a half years, Corporal Carpenter would undergo more than forty surgeries to fix a skull fracture, punctured lung, thirty fractures to his right arm, a fractured jaw, ruptured ear drums, and subsequently lost his right eye. All the while, the Marine Corps and Department of the Navy had been conducting an investigation into the incident

and found that Corporal Carpenter's actions proved worthy of the Medal of Honor for conspicuous gallantry and intrepidity.

I do not believe Corporal Carpenter's actions that day occurred in a vacuum; selflessness and heroism of that magnitude do not simply happen overnight, and it serves as a testament to the moral character he had developed every single day leading up to that fateful event. The true grit, determination, and never-give-up attitude he has demonstrated through his extensive rehabilitation these past few years since serve us all as an example of the best this Nation has to offer. While the duration of his official military service was cut short, the example he left will motivate and inspire not just those within our military ranks, but our entire Nation for generations to come.

I wish Kyle all the best in his future endeavors and thank him for his selfless service and sacrifice. Semper Fi, Corporal Carpenter.

RECOGNIZING THE CENTENNIAL
ANNIVERSARY OF THE CITY OF
NIAGARA

HON. REID J. RIBBLE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Friday, June 20, 2014

Mr. RIBBLE. Mr. Speaker, I rise today to celebrate the 100th anniversary of the City of Niagara. Founded in 1914, this community is located at the northern part of my district and has been referred to as a "City of Scenic Beauty". The name itself means "thundering waters". Smalley Falls and Piers Gorge are two highly visited places near the city. The beautiful Menominee River serves as a border between this city in my district and the State of Michigan. This part of the 8th District is a wonderful destination for travelers looking to get outdoors.

This community also takes great pride in some residents that have represented the City of Niagara well through their professional accomplishments. Anna DeForge, an alumna of the Niagara High School basketball program, became the first resident to not only play for the WNBA but also played on the 2004 WNBA All Star Team.

Retired Major General Michael J. McCarthy, another Niagara native, served his country with distinction in the United States Air Force and completed his service to our country by working at the Pentagon. Major General McCarthy has been recognized with the Distinguished Flying Cross, the Vietnam Service Medal as well as Vietnam Gallantry Cross, and Kuwait Liberation Medal, just to name a few.

The City of Niagara is planning to commemorate their centennial from June 25–29th with a giant carnival, live music, children's activities and a grand parade that will include the University of Wisconsin Marching Band. Again, I congratulate the City of Niagara for achieving this milestone, and wish the city and its residents all the best in the next 100 years!

CELEBRATING THE FIRST ANNI-
VERSARY OF AEROJET
ROCKETDYNE

HON. AMI BERA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 20, 2014

Mr. BERA of California. Mr. Speaker, today, I rise to celebrate an important milestone for one of Sacramento County's most important economic drivers, Aerojet Rocketdyne.

It was one year ago that the formerly separate companies officially launched their future together as Aerojet Rocketdyne, a company that jointly represents 130 years of space launch and rocket propulsion.

Aerojet Rocketdyne is a world-recognized aerospace and defense leader providing propulsion and energetics to the space, missile defense, strategic, tactical missile and armaments areas. They also play a key role in our nation's space program.

They employ more than 5,300 people nation-wide, and more than 3000 of those employees are in my home state of California. They represent the best our nation has to offer in science, technology, engineering and math (STEM), and contribute to our community and to keeping our nation a leader in aerospace and propulsion.

Over this inaugural year, among Aerojet Rocketdyne's many accomplishments was successfully contributing to 11 rocket launches; and they have already contributed to the successful launch of 4 of the 17 rocket launches planned for 2014. They have powered every human mission to space since the Gemini and Mercury missions that preceded the Apollo Moon missions.

Aerojet Rocketdyne will also power the next generation Space Launch System, which will launch humans into space farther than we have ever gone before, and they are working with commercial partners to provide affordable and innovative solutions to launching crew and cargo to the International Space Station.

So, again, I want to recognize Aerojet Rocketdyne and the men and women who have worked to invigorate our economy and make our country a leader in propulsion and space exploration. Thank you, Aerojet Rocketdyne, for 130 years of success. I wish you many more!

TRIBUTE TO QUINTON JENKINS

HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 20, 2014

Mr. LATHAM. Mr. Speaker, I rise today to recognize and congratulate Quinton Jenkins for being named a state winner of the Library of Congress's Letters about Literature program.

Letters about Literature is a national reading and writing program that is sponsored by the Library of Congress. The program asks students to write to the past or present author of a book that affected their life. More than 50,000 young readers from across the country submitted letters last year to compete for the state-level awards for 2014.

A panel of judges that can include published authors, editors, publishers, librarians, teachers, and state officials chose Quinton's letter

as a state winner. Quinton wrote a letter to author Michael Buckley explaining how Buckley's book, *Gifted Hands*, affected his life. Quinton's letter to Buckley earned him recognition in his community as well as here in Washington.

Mr. Speaker, the example set by this young man demonstrates the rewards of harnessing one's talents and sharing them with the world. Quinton's efforts embody the Iowa spirit and I am honored to represent him and his family in the United States Congress. I know that all of my colleagues in the United States House of Representatives will join me in congratulating his achievement and will wish him continued success in his future education and career.

CELEBRATING KAREN WALANKA'S
OUTSTANDING CAREER AND
SERVICE WITH MORIAH CON-
GREGATION

HON. BRADLEY S. SCHNEIDER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, June 20, 2014

Mr. SCHNEIDER. Mr. Speaker, I rise today to honor a very special woman on the occasion of her retirement. Karen Walanka is stepping down as the Executive Director of Moriah Congregation in Deerfield, a synagogue in the Illinois district I represent, and of which I am also a proud member.

Karen is completing this chapter of her life, leaving a legacy of accomplishments too long to mention in full, having touched the lives of countless people.

From her parents, Karen learned a deep love for her heritage and community, and she developed a great passion for "Tikkun Olam", for making her immediate world, and the entire world, a better place.

As the Executive Director of Moriah, Karen has been responsible for many achievements and had a tremendous impact in our community. In her first week in the position, she began the Shabbat Bulletin to better engage the community and keep the congregation informed. She later started the Moriah All-Judaic Art and Jewelry Fair that is a celebrated community event. And Karen created the widely anticipated weekly Moriah Shabbat lunch, or "kiddush."

But perhaps Karen's most lasting legacy will be the establishment of the Moriah Congregation Endowment Fund, which will ensure the long-term financial future of the congregation as well as support its continued expansion and deeper engagement with the community. This contribution will truly define her legacy for years to come, leaving the Moriah Community vibrant and strong.

Karen is a Moriah Congregation institution, a true leader and visionary, a dear friend and a beloved member of our community. Her constant presence and leadership will be missed, but her professional legacy will leave a permanent mark, and her friendships will continue to flourish. I want to personally thank Karen for everything she has done for me, my family and our community, and wish her the absolute best in her future.

Mr. PALAZZO. Mr. Speaker, while I originally intended that the Hon. DONNA EDWARDS and the Hon. EDDIE BERNICE JOHNSON be added as cosponsors to my bill, H.R. 4412, the NASA Reauthorization Act of 2014, due to an error they were not added prior to the engrossment of the bill. IN RECOGNITION OF THE 350TH AN-
NIVERSARY OF MIDDLETOWN
TOWNSHIP, NEW JERSEY

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, June 20, 2014

Mr. PALLONE. Mr. Speaker, I rise today to recognize Middletown Township, New Jersey as it celebrates its 350th Anniversary this year. It is my honor to join the residents in celebration of this significant milestone.

Middletown village is a National Register of Historic Places historic district. One of the oldest settlements in New Jersey, Middletown was established by English settlers from western Long Island and New England by the Monmouth Patent. It was settled on land acquired from local Native Americans and was one of three villages settled at the time, including Portland Point, which was unsuccessful, and Shrewsbury.

In 1693, Middletown was one of the three municipalities organized into Monmouth County. Still one of the largest townships in New Jersey, Middletown has seen its borders change several times over the years, including the 1848 formation of Raritan Township, the 1887 secession of Atlantic Highlands and the 1900 secession of Highlands. The local neighborhoods of Port Monmouth, East Keansburg, Belford, Leonardo, Locust, New Monmouth, Navesink, and Lincroft have their own history and create Middletown's unique identity and character.

In 1913 a high school built in the Leonardo section of Middletown was the first rural high school in the area. Also in 1913, Middletown's first library, the private Navesink Library, opened. The Middletown Public Library opened seven years later.

The First Town Book in Middletown, dated 1667, marks the first formal records of the township. The New Jersey State Legislature approved a special charter in 1971 establishing the township's current form of government. In its 350th year, Middletown Township is governed by Mayor Stephanie Murray, Deputy Mayor Kevin Settembrino, and Committeemen Anthony Fiore, Stephen Massell and Gerard Scharfenberger.

Mr. Speaker, I sincerely hope that my colleagues will join me in marking the 350th Anniversary of Middletown Township and celebrating its rich history.

CONGRATULATIONS TO
PROVIDENCE BOYS GOLF TEAM

HON. ERIK PAULSEN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 20, 2014

Mr. PAULSEN. Mr. Speaker, I rise today to honor the Providence Academy Boys Golf Team for winning the 2014 Class AA High School State Championship earlier this month.

The state title was the first in Providence Academy's history. The Lions golfers all played well—finishing 10 strokes ahead of the second place team. All of the Lions played with enormous commitment and passion throughout the season, culminating with their performance at the State Tournament where they ran away with the competition.

Golf is a game that requires focus, skill, and mental toughness. Despite the pressure of jumping out to an early lead, the Providence team maintained their concentration and finished strong. Their performance is even more outstanding when you factor in how difficult it is for high school student-athletes to balance their dedication to their sport and their efforts in the classroom. These student-athletes should all be very proud.

Congratulations again to the Providence Boys Golf Team, Coach Seiffert, and all of the parents, teachers, and fans who have supported these athletes along the way.
