

EXTENSIONS OF REMARKS

HONORING THE WORK OF MICHAEL WERNER

HON. SUZAN K. DELBENE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. DELBENE. Mr. Speaker, I rise today to honor Michael Werner, who was recently selected as the first Innovative Teacher of the Year by the Center of Excellence for Aerospace and Advanced Manufacturing for his extraordinary work at Granite Falls High School.

Since Mr. Werner began teaching at Granite Falls in 2007, he has been a pioneer for its STEM education programs. In addition to the classes he teaches, Mr. Werner has created an excellent manufacturing program for his students from the ground up.

Mr. Werner's teaching engages students by pushing them to apply materials learned in class to real-world projects and challenges. His dedication to preparing his students is important for the future of Washington state's skilled workforce and manufacturing industries. Mr. Werner plans on introducing similar hands-on technical education in elementary schools to encourage an interest for engineering in our youngest students.

In 2009, Mr. Werner began the Eco Car program at Granite Falls High School. The program challenges students to design and build extremely fuel-efficient cars for the Shell Eco-Marathon Americas competition. As a strong advocate for female participation in the historically male-dominated manufacturing and engineering fields, Mr. Werner has created an all-girls team, ShopGirls, to compete in the competition, as well as a coed team, UrbanAutos.

I want to congratulate Michael Werner on his well-earned achievement, and I thank him for his commitment to building a better future for the students of Granite Falls High School.

SALUTING THE 50TH ANNIVERSARY OF ALPENFEST IN GAYLORD, MI

HON. DAN BENISHEK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. BENISHEK. Mr. Speaker, I wish to salute the city of Gaylord, Michigan, on the occasion of the 50th Alpenfest this year. Since 1964, the Alpenfest has celebrated the city of Gaylord, its connection with the particle board industry, and the heritage of many of the region's residents.

The first Alpenfest (then called the Alpine Festival) was formulated in 1964, with the imminent location of a U.S. Plywood particle board plant in 1965. To celebrate this occasion, as well as complete a goal of establishing an alpine look for Gaylord, the inaugural festival was set for July 5 through July 10 of 1965. The festival was a great success

despite no dedicated source of funding and the need to dress the town and the residents with alpine garb to complete the aesthetic for the festival.

The Chamber of Commerce, along with many local businesses, civic associations, and citizens help to make this event possible every year. In addition to the transformation of Main Street in Gaylord, numerous activities are enjoyed by all during the week, including the Alpenstrasse arts and crafts market, a carnival, the crowning of the Alpenfest queen, activities for children, and the "World's Largest Coffee Break." This festival is one of the highlights of summer in Otsego County and Northern Michigan as a whole.

As a final note, I wish to invite all Members of this body and all Americans to come to Northern Michigan and experience the natural beauty, great events such as Alpenfest, and friendly hospitality that make my home state one of the best places in the country to visit.

IN RECOGNITION OF GERMANY'S WORLD CUP VICTORY

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. KEATING. Mr. Speaker, I rise today to congratulate our friends in Germany on an incredible victory in the World Cup final on Sunday. As Co-Chair of the German-American Caucus, I watched the game with great interest. It was a truly deserved victory for the German team in what has been an excellent tournament.

I am certain that many Americans were as thrilled as I was by Germany's outstanding performance in Brazil. Our two countries share important political, economic, and cultural links, with roughly 50 million Americans reporting some level of German ancestry. Hundreds of Americans have worked in the German Bundestag through the International Parliamentary Scholarship, and thousands of Germans and Americans have forged closer relationships through the Congress-Bundestag exchange program. No matter what challenges we have in the transatlantic relationship, important connections such as these will ensure that our great relationship continues for years to come.

So, congratulations Germany! ("herzlichen Glückwunsch Deutschland!"). And I look forward to the day when the United States and Germany meet in the World Cup finals.

HONORING THE LAKE COUNTY CHAPTER OF THE LEAGUE OF UNITED LATIN AMERICAN CITIZENS AND THE YOUTH COUNCIL FOR THEIR OUTSTANDING COMMITMENT TO THEIR LOCAL COMMUNITY

HON. BRADLEY S. SCHNEIDER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. SCHNEIDER. Mr. Speaker, I am proud to rise today to honor the Lake County Chapter of the League of United Latin American Citizens (LULAC). In particular, I would like to recognize the LULAC Lake County Youth Council for its efforts to mobilize fellow members of the Waukegan community to clean up their streets.

For more than 80 years, LULAC has helped enhance economic and educational opportunities for the U.S.'s Hispanic population, empowering Hispanic-Americans to become more active and influential citizens. LULAC advances these efforts by harnessing the passions of community leaders, who establish local chapters, such as LULAC Lake County in my district.

In June, I had the privilege of joining members of the LULAC Lake County Youth Council for a Day of Service in Waukegan. As a part of the "Operation Clean Up Waukegan" initiative, the 11 youth members on the Council recruited more than 50 volunteers from the Waukegan community to help clear brush and garbage from an overridden city alley, as well as paint over gang graffiti on a family's garage.

The enthusiasm and commitment to service displayed by the Youth Council members is truly an inspiration. I am so proud to see our youth taking an active role in their community, engaging their friends and neighbors in the effort to restore the damaged and neglected areas of their hometown.

RECOGNIZING THE ARNOLD PALMER MEDICAL CENTER

HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. WEBSTER of Florida. Mr. Speaker, Arnold Palmer Medical Center in Orlando, Florida has, once again, been recognized as one of the best children's hospitals in the country by U.S. News & World Report. Arnold Palmer Medical Center, comprised of Arnold Palmer Hospital for Children and Winnie Palmer Hospital for Women & Babies, was ranked by U.S. News & World Report in eight different specialties this year—the most they have ever received.

In 2007, U.S. News introduced the Best Children's Hospitals rankings in order to help

families find the best medical care available for their children. These rankings include detailed information about the hospitals' performance and their reputation in the pediatric community.

Arnold Palmer Hospital for Children is a world-class facility dedicated exclusively to the needs of children. The hospital provides expertise in pediatric specialties and is known for its excellence in cardiac care, neurology, orthopedics and sports medicine.

Adjacently, the Winnie Palmer Hospital for Women & Babies is a 285-bed facility dedicated to the care of women and babies. It is a national leader in neonatal intensive care and is highly regarded for providing comprehensive healthcare for women throughout all stages of life.

Both of these institutions are Magnet-designated for their commitment to quality patient care, safety, research, and service excellence. Arnold Palmer Medical Center attributes its many accolades to the high level of care its medical team provides every day. I take comfort in knowing that the women and children of Central Florida have access to the nation's best care close to home. It is my distinct pleasure to recognize Arnold Palmer Medical Center for their dedication to the Central Florida community.

SUPPORT FOR THE CHALDEAN COMMUNITY FOUNDATION'S FUNDING OPPORTUNITY ANNOUNCEMENT

HON. KERRY L. BENTIVOLIO

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. BENTIVOLIO. Mr. Speaker, I am writing to express my support for the Chaldean Community Foundation's Funding Opportunity Announcement (FOA). The continued work of this organization will improve our health care system and the lives of countless Americans.

The Chaldean Community Foundation provides invaluable support to consumers navigating our health care system and comparing insurance plans. Although our burgeoning deficit makes allocating funds one of the most difficult parts of my job, my decision to support the foundation's grant request was an easy one. Millions of ordinary citizens need help avoiding obstacles that could impede their physical health and quality of life. Like you, the health and well-being of the American people is my top priority. With that solemn responsibility in mind, I am proud to reaffirm my support for the Chaldean Community Foundation.

Since my election to Congress, I have tirelessly advocated for fiscal responsibility. In addition to assisting consumers, the Chaldean Community Fund combats waste, fraud, and abuse in our health care system by providing desperately needed oversight. As baby boomers retire in ever greater numbers and life expectancy continues to rise, the need for organizations like the Chaldean Community Foundation will increase exponentially. I urge you to accept their request.

Ms. WASSERMAN SCHULTZ. Mr. Speaker, as Ranking Member of the Legislative Branch Appropriations Subcommittee, it is my distinct pleasure to congratulate the diverse workforce of Congressional Research Service analysts, attorneys, information professionals and support staff on the 100th anniversary of CRS service to Congress.

Since its creation in 1914, CRS has developed expertise and services to Members, committees, and congressional staff as a shared resource. Congress expanded that role in 1946, after World War II, and in 1970 to include close support for Members of Congress and committees.

In recent years, CRS evolved as a forward thinking organization and provides products and services across multiple formats to facilitate and expedite the work that we do on behalf of our constituents in Congress. IN RECOGNITION OF MANA'S 40TH ANNIVERSARY

HON. BEN RAY LUJÁN

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. BEN RAY LUJÁN of New Mexico. Mr. Speaker, I rise today to honor MANA, a National Latina Organization, whose members will be in our nation's Capital from July 24 to July 26, 2014, to celebrate its 40th anniversary.

MANA was founded in 1974 as the Mexican American Women's National Association, as a national grassroots membership organization with chapters, individual members, and affiliates across the country. The organization has evolved to encompass Hispanic women from all ethnic and cultural backgrounds and is the oldest and largest Hispanic women's organization in the country. The MANA mission is to empower Latinas through leadership development, community service, and advocacy.

For 40 years, MANA has been a powerful voice for Latinas across the country to share their concerns, as well as their successes, as women, professionals, heads of households, educators, and trailblazers. Through its chapters and affiliates, MANA's expansive network has made the organization a leader for reaching the Latino community at the grassroots level. Each local chapter is supported by the commitment of passionate volunteers who are dedicated to the educational, health, political, and economic advancement of Hispanics in their respective communities, implementing the shared mission and vision of the national MANA office, headquartered in Washington, DC.

Throughout its rich history, MANA has established a number of programs to fulfill the mission of the organization and empower Latinas from every walk of life. The Avanzamos Initiative is a national effort to provide leadership development for adult Latinas.

Through training in the areas of financial literacy, mentoring, advocacy and leadership development at the annual MANA Latina Leadership Institute, Latina leaders from across the country are given the skills to help shape the lives of future generations in positive and upwardly mobile directions. The MANA Las Primeras Awards Gala honors Latinas who demonstrate important "firsts" in their fields with a national impact on the Hispanic community—highlighting Latinas' important contributions across the country. The Hermanitas Initiative is significant mentoring program in the United States developed specifically for Hispanic youth. The program empowers Latina adolescents by promoting educational achievement and personal enrichment; developing leadership abilities; encouraging cultural identity and awareness; and modeling proactive community involvement.

Finally, I salute the commitment of the founders of MANA—Blandina (Bambi) Cardenas, Organizing Chair; Bettie Baca, Organizing Vice Chair; and Evangeline (Vangie) Elizondo, the First Board President. Their early efforts were the building blocks for what MANA has become today.

It is my honor to congratulate MANA, a National Latina Organization, for 40 years of success in strengthening the Latina community in the United States.

HONORING CAFÉ LUSH

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise to honor Café Lush, and owners Tom Docherty and Sandy Gregory, on the 3rd anniversary of their distinguished local Albuquerque establishment.

Since opening in 2011, Café Lush has developed into a thriving business and popular hotspot for locals. Located in downtown Albuquerque, Café Lush features an exceptional menu that carries nutrient dense organic food and fresh seasonal produce that promotes happy, healthy, and sustainable lifestyles.

The beautiful street corner café, with its vibrant outdoor patio was not always a distinct feature in the neighborhood. In fact, before the establishment of Café Lush many restaurants unsuccessfully tried to establish themselves in the area. The location became known as a frequent site for new restaurants that would eventually close, or go out of business.

Despite this historical precedent, and a struggling economy, Café Lush launched a

business model that appealed to the growing demand for locally grown healthy foods. Café Lush's fresh new take on organic ingredients with a New Mexico twist reverberated throughout the community and today the café continues to be wildly successful.

Café Lush's vision and accomplishments are an inspiration for future generations of entrepreneurs and small business owners, and demonstrate the ability of one business to change an entire neighborhood. Located next to two schools, a place of worship, and just a short walk away from the heart of downtown Albuquerque, Café Lush has reinvigorated the area and brought renewed energy to Albuquerque's scenic landscape.

I have no doubt that Café Lush will continue to have great success. Their quality food, great customer service, and beautiful outdoor patio are what continue to make me a frequent customer. Mr. Speaker, I would like to congratulate Café Lush on these accomplishments, their 3rd anniversary and the many more to come.

RECOGNIZING OUR NATION'S COMMUNITY CORRECTIONS PROFESSIONALS

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. NORTON. Mr. Speaker, I rise today to recognize our nation's community corrections professionals for the invaluable contribution they make to public safety and restorative justice throughout our country.

In the District of Columbia and nearly every community across America, thousands of women and men serve as pretrial, probation and parole officers or officials. As public servants, these Americans commit themselves to helping improve the lives of those involved in the criminal justice system, which ultimately results in stronger and safer communities for all.

In light of the value and contributions of pretrial and post-conviction supervision officers and entities, I am proud to stand in support and honor of Pretrial, Probation and Parole Supervision week, which commenced on Sunday, July 13, 2014, and will be celebrated through Saturday, July 19, 2014.

I am sure that my congressional colleagues would agree with me that community corrections is an essential part of the American justice system. Our constituents who serve as community corrections professionals work tirelessly to uphold the law with dignity, while rec-

ognizing the right of the public to be protected from criminal activity.

These individuals are responsible for supervising adult and juvenile offenders in the community. In many cases these trained professionals go above and beyond the call of duty by providing their clients supportive services or referrals to critical community-based resources, employment opportunities and housing programs. Additionally, community corrections professionals provide services, support, and protection for victims, while continuously promoting the importance of crime prevention.

Mr. Speaker, in the District of Columbia, community corrections and supervision services for D.C. Code offenders are carried out by the Court Services and Offender Supervision Agency for the District of Columbia (CSOSA) and the Pretrial Services Agency for the District of Columbia (PSA).

CSOSA and PSA and their hundreds of pretrial and community supervision officers stand out as model community supervision agencies due to both their professionalism and their novel approach to enhancing public safety in the District of Columbia.

CSOSA provides innovative criminal justice and community leadership through active strategic planning, trend awareness, and partnership building. On any given day, CSOSA is responsible for supervising approximately 13,000 individuals on probation, parole or supervised release, whereas PSA supervises roughly 20,000 defendants.

The work that these agencies perform is vital and complex. Nevertheless, the community corrections professionals that comprise both CSOSA and PSA carry out their duties with skill, compassion and diligence, thereby serving as a true force for positive change for communities throughout the District of Columbia.

Mr. Speaker, in recognition and honor of Pretrial, Probation and Parole Supervision Week 2014 and the contributions made by community corrections professionals, I hope my colleagues will join me in thanking these public employees for the important services they perform in helping to safeguard and improve the quality of life in our neighborhoods.

RECOGNIZING THE CENTENNIAL OF THE CONGRESSIONAL RESEARCH SERVICE

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. HOYER. Mr. Speaker, I rise to recognize an anniversary that all the Members of this House surely ought to celebrate. On July 18, 1914—one hundred years ago this Friday—the Congressional Research Service came into being. Ever since, it has provided Members on both sides of the aisle with important analysis, research assistance, and expertise on virtually every topic relating to our work on behalf of the American people.

The Congressional Research Service, known as the Legislative Research Service for its first fifty-six years, was the brainchild of Senator Robert LaFollette Sr. and Rep. John Nelson, both from Wisconsin. In the Progressive Era, reformers like Sen. LaFollette and Rep. Nelson sought to make government

more responsive by providing Members of Congress with greater access to the latest in scientific research and analytical tools. For a century, that is what the Congressional Research Service has done—and the men and women who work there have proven beyond a doubt the merit behind Sen. LaFollette and Rep. Nelson's proposal.

After World War II, as Congress's work expanded to meet the needs of a growing nation and economy and America's role as a military superpower, the Congressional Research Service adapted by hiring experts to provide briefings and answer Members' questions. So many Members and their staffs have come to rely on the timely responses from Congressional Research Service personnel on pending bills, legislative history, and issue tracking. Those who work at the Congressional Research Service continue to play an extraordinarily important role in Congress's work.

In my thirty-three years in this House, the Congressional Research Service has provided me with absolutely essential research on the legislative interests I have pursued. My work on the 1990 Americans with Disabilities Act, the 2002 Help America Vote Act, the 2008 ADA Amendments Act, federal employee and civil service issues, and a wide range of constituent questions have all been aided immeasurably by Congressional Research Service reports and analysis.

As it begins its second century, the Congressional Research Service is adapting to new technologies to improve the way it keeps Members of Congress informed. Through social media, online research tools, and reports accessible by internet twenty-four hours a day, it continues to carry out its mission in a way its founders never could have imagined—but for which they would surely be proud.

I hope my colleagues will join me in thanking the Congressional Research Service's diverse workforce of over 600 researchers, analysts, attorneys, support staff, and information professionals for their tireless work in service to our nation.

**HONORING THE LIFE AND LEGACY
OF U.S. CONGRESSMAN KEN
GRAY, A TRUE FRIEND AND
CHAMPION OF SOUTHERN ILLI-
NOIS**

HON. WILLIAM L. ENYART

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. ENYART. Mr. Speaker, I rise today to commemorate the life of a great Southern Illinoisan, a man who knew this Chamber very well, U.S. Congressman Ken Gray.

Born and raised in Southern Illinois, Ken returned there after retiring from Congress. It is in Southern Illinois where he passed away this past Saturday and it is there, in his native West Frankfort, where he will be laid to rest. This is worth noting as we remember Congressman Ken Gray as one of the most persistent and productive advocates for his home district that ever served in this Chamber.

An entrepreneur from a young age, Ken answered the call to serve his country when he enlisted in the U.S. Army Air Forces during World War II. His military service would take him to North Africa and Italy, southern France

and central Europe, and would result in several decorations, including three bronze stars.

Returning to Southern Illinois after the war, Ken first won election from the 25th Congressional District of Illinois in 1954. He continued to serve for a total of 10 successive terms before his first retirement in 1974. He ran again for Congress in 1984, won that election, and served another two terms before his final retirement in 1989.

Ken's ability to fight for our region is unparalleled. His accomplishments are legendary, from building our interstate highways, building Rend Lake and the Marion Federal Prison to countless post offices, roads, bridges and water lines. A proud veteran himself, Ken was a tireless advocate for our region's veterans and hundreds received care because of his efforts. Serving an area with many coal mines, Ken also saw that miners and their families received the black lung benefits they were due.

Whether convincing President Carter to tour an underground coal mine, or escorting President Kennedy to Carbondale and Marion—Congressman Gray was a one-of-a-kind advocate for Southern Illinois.

He loved serving in this House, and few Members spent as much time presiding in the Speaker's chair during his tenure. Like thousands of people in our region, I counted Ken among my friends. We'll always remember him as a character whose personality was as colorful as the suits he wore here to the Capitol each day.

Mr. Speaker, I ask my colleagues to join me in honoring Congressman Ken Gray and extending our condolences and prayers to his family.

**HONORING THE LIFE OF H.
MINTON FRANCIS, SR.**

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. VAN HOLLEN. Mr. Speaker, I rise today to remember and pay tribute to the extraordinary achievements of my constituent, Henry Minton Francis, Sr., who devoted his entire life to serving our country and his community. Mr. Francis was also the oldest living African American graduate of West Point Academy.

H. Minton Francis, Lt. Col., USA Ret., was a fifth generation Washingtonian and resident of Chevy Chase, MD. He attended public schools in the District of Columbia where he graduated from the famous Paul Laurence Dunbar High School. Educated at the University of Pennsylvania and the United States Military Academy, he also studied at Syracuse University, where he earned an MBA degree with honors and was elected to the International Honor Society of Beta Gamma Sigma. Following graduation from West Point in 1944, Mr. Francis served the nation as an officer of the Regular Army for twenty-one years. He was a member of the Army Concept Team in Vietnam; a commander of artillery soldiers in the Korean Conflict and in World War II. His final military duty was to serve as a staff officer for the Comptroller of the Army and the Secretary of Defense.

Subsequent to his retirement from the Army, Mr. Francis worked both in government and the private sector. As Deputy Assistant Sec-

retary of Defense, Mr. Francis was in charge of the Defense Human Goals Program guaranteeing protection of the rights of, and equal opportunities for, women, minorities and the disabled of all races, ethnic groups and religions. His program embraced the now famous Defense Equal Opportunity Management Institute (DEOMI) at Patrick Air Force Base in Florida, the first of its kind anywhere in the United States. For his extraordinary efforts, Mr. Francis was awarded the Distinguished Civilian Service Medal for his exceptional service in the Department of Defense.

On leaving federal service, Mr. Francis accepted appointments at Howard University as Director of University Planning; Executive Director of the University-Wide Self-Study Task force; Executive Secretary of the Presidential Search Committee in 1989; Special Assistant to the President; and Director of Governmental Affairs. In December 1992, he was appointed President of the Black Revolutionary War Patriots Foundation, authorized at that time by the United States Congress to erect a memorial on the National Mall in honor of the more than 5,000 African Americans who fought and died in the American Revolution.

For nearly 20 years Mr. Francis was a civilian aide to the Secretary of the Army, a voluntary office without compensation, where he carried the Army's message and image to the American people.

As a human resources consultant to the Secretary of the Army, Mr. Francis traveled to Europe at his own expense to investigate and report on the command climate with respect to race and gender relations in the U.S. Army units stationed in Germany. He performed a similar service for Army installations in the midwestern United States. The report produced by his group led to major changes in the Army's policy and practices with respect to race and gender.

Mr. Francis was a Life Member of Disabled American Veterans, and the Veterans of Foreign Wars. Additionally, he was a Trustee Emeritus of the Association of Graduates of the United States Military Academy, a member of the Washington Institute of Foreign Affairs, the Board of Managers of the Historical Society of Washington, DC, and the Board of Directors of Metropolitan USO in Washington. He was a volunteer member of the Board of Directors of the Carroll Publishing Company of the Catholic Archdiocese of Washington. He held memberships in the National Press Club and the University Club of Washington, DC, and he was a member of Sigma Pi Phi, the oldest and one of the most prestigious African-American fraternities.

Mr. Francis is survived by his second wife Alicia G. D. Francis and five children from his first marriage: Marsha A. Francis, Henry M. Francis, Jr., M.D.; Peter M. Francis, Morya K.F. Ferris, and John H. Francis, six grandchildren and two great-grandchildren, nieces, nephews, other relatives and friends.

I am proud to speak today to honor this extraordinary man and I urge my colleagues to join me in recognizing Mr. H. Minton Francis Sr.'s many accomplishments, his lifelong work on behalf of our nation's veterans, and his profound commitment to honoring their service.

Ms. CLARKE of New York. Mr. Speaker, I was unavoidably detained in my district due to travel cancellations caused by inclement weather and I missed the votes on Monday, July 14, 2014. Had I been present, I would have voted “yea” on rollcall No. 405, H.R. 4195—The Federal Register Modernization Act and “yea” on rollcall No. 406, H.R. 5029—The International Science and Technology Cooperation Act of 2014.

OCCUPIED CYPRUS—FORTY YEARS OF ILLEGAL OCCUPATION, ETHNIC CLEANSING, AND DESTRUCTION OF RELIGIOUS SITES

HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. SMITH of New Jersey. Mr. Speaker, I rise today to mark 40 years since the illegal occupation of the Republic of Cyprus by the government of Turkey. These forty years have been marked by tragedy for the Greek Cypriots, and by criminal guilt for the Turkish government. In July 1974 the Turkish army began its sneak invasion of the island—it was the beginning of a tragedy and outrage that continues today. At least one hundred eighty thousand Greek Cypriots were forced to flee the north. They lost all their property—shockingly, even today none of them have been allowed to return to their property. The Turkish government effectively “ethnically cleansed” the north of the island, where only a few hundred Greek Cypriots live in small enclaves, and even they are not allowed to worship freely.

During these forty years over five hundred Christian religious sites have been demolished, destroyed, or desecrated, for example turned into casinos or warehouses. Eighty stolen churches have been converted into mosques. Artifacts from churches and cemeteries continually show up on the international black market.

Mr. Speaker, in the current discussions about reunifying the island, the United States

must stand firm on the complete withdrawal of Turkish military forces, respect for universally-recognized human rights for all Cypriots everywhere on the island, and an independent, unified government.

RECOGNIZING KEVIN LITTLE AND KURTIS MOORE

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mrs. HARTZLER. Mr. Speaker, I would like to recognize and thank two outstanding men from my district for their service and sacrifice to share their time and talents to help others. Kevin Little and Kurtis Moore from Osage Valley Electric, volunteered for the National Rural Electric Cooperative Association's International Foundation in Haiti as part of the Caracol Community Electrification Project. They spent two weeks in northern Haiti building and upgrading more than a mile and a half of power lines to help communities there receive affordable, safe and reliable electricity.

Mr. Little and Mr. Moore even helped connect homes to electricity for the first time around Tru-du-Nord. To date, more than 4,800 consumers in the northern part of Haiti have access to electricity. Some homes now have TV antennas, a few towns have water treatment plants, doctors can provide better care to patients, and residents have opened their own small businesses like Internet cafés.

Electricity is a critical element in improving the quality of life. In Haiti less than 20 percent of the people there have regular access to electricity. I am blessed to represent Kevin Little and Kurtis Moore in Congress, grateful for their hard work and commitment to the community, and I wish them the best in all their future endeavors.

Mr. BENTIVOLIO. Mr. Speaker, I would like to congratulate the Chinese Association of Greater Detroit on 22 years of service and community outreach.

I am pleased that such a great organization has found its home in Michigan's 11th Congressional District.

Thank you for everything you have done to serve Metro-Detroit and the Chinese-American community.

HONORING THE LIFE AND LEGACY
OF VICENTE (BEN) CABRERA
PANGELINAN

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. BORDALLO. Mr. Speaker, I rise today to honor the life and legacy of Vicente (Ben) Cabrera Pangelinan. Ben was a Senator of the 22nd, 23rd, 24th, 25th, 26th, 27th, 29th, 30th, 31st Guam Legislature and was currently serving in the 32nd Guam Legislature. Senator Pangelinan passed away on July 8, 2014 at the age of 58.

Senator Pangelinan moved from the island of Saipan to Guam at a very young age and grew up in the village of Barrigada. He graduated from Father Duenas Memorial School in 1974 before attending Georgetown University, where he graduated with a Bachelor's Degree in Government.

While Ben was a student at Georgetown University, he served as a staff assistant to Guam's Delegate, Congressman Antonio B. Won Pat. Upon graduating from college, Ben returned to Guam and worked under my late husband, Governor Ricardo J. Bordallo's administration.

Before beginning his public service to the people of Guam, Ben worked for an insurance company doing business in Guam, Saipan and California. He held many leadership positions at FHP/HML Guam, including Regional General Manager.

In addition to his work as a Senator in the Guam Legislature, Ben was also a respected businessman in the community. He was President and Owner of Group Pacific, Principal Consultant/President of Pacific Presence Group; Founding Director of Graphic Center, Inc. and Micronesia Graphics, Inc.; and Director of Fifth Wheel, Inc.

Senator Pangelinan served in the Guam Legislature for twenty years. He was first elected in the 22nd Guam Legislature and served as the Speaker in the 27th Guam Legislature.

Senator Pangelinan was serving as the Chairman of the Committee on Appropriations, Public Debt, Retirement, Legal Affairs, Public Parks, Recreation, Historic Preservation, and Land. Through Senator Pangelinan's leadership, the Guam Legislature was able to pass budgets in a timely manner. He took pride in the fact that these budgets reflected the priorities of the people of Guam, such as education, health and safety.

After twenty years of service in the Guam Legislature, Senator Pangelinan will be remembered for championing many issues to improve the quality of living for the people of Guam and always staying true to his convictions.

During the 30th Guam Legislature, Senator Pangelinan notably authored Public Law 30-193 which designated I Milåyan i Más Takhilo' na Sakrifisiu or the Medal of the Ultimate Sacrifice. The Medal of Ultimate Sacrifice is given to the survivors of Guam residents or service members stationed on Guam who were killed in action to recognize them for their service and sacrifice.

Ben was also a tireless advocate for Chamorro self-determination. Senator Pangelinan was a careful steward of our public funds, as well as our natural resources.

We are deeply saddened by the passing of Senator Ben Pangelinan, and I join the people of Guam in celebrating his life and recognizing his dedicated public service. My thoughts and prayers are with his family, loved ones and friends. He will be missed, and his memory will live on in the hearts of the people of Guam.

HONORING DR. VERONICA MAZ

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to join me in remembering Dr. Veronica Maz, a founder of So Others Might Eat (S.O.M.E.) in the District of Columbia, who passed away on June 24, 2014. Dr. Maz's signature achievement was the co-founding of Martha's Table in 1980, upon realizing the need for children, particularly in the 14th Street corridor Northwest neighborhood, to have a refuge from violence and drugs. Originally, Martha's Table served as a place for children to get a free meal after school. After 35 years of service, Martha's Table has developed into a multifaceted social services organization, providing services that not only address the problem of hunger in DC communities, but also the lack of quality education and affordable clothing.

Dr. Maz was born in Aliquippa, Pennsylvania on October 15, 1924. She attended the University of Pittsburgh in 1947, where she received her undergraduate and a doctorate degree in sociology. Dr. Maz began her career as an educator, teaching at Lake Erie College for Women, Skidmore College, and Georgetown University. While teaching at Georgetown University, Dr. Maz decided to change careers and become a social entrepreneur. With the help of Father Horace B. McKenna, Dr. Maz founded S.O.M.E. and House of Ruth, a home for battered women. Today, both organizations continue to be bulwarks to the residents of the District, and have expanded their reach throughout the community.

Today, Martha's Table has almost 90 employees, and has expanded its operation to include McKenna's Wagon, a daily mobile feeding program for the hungry, Martha's Markets, a free and health-conscious market in 10 locations, and Martha's Outfitters, a thrift store for families in need and the community at large. Ultimately, Martha's Table, S.O.M.E. and House of Ruth maintain Dr. Maz's legacy of community service through holistic and solution-based support for the people of the District.

Mr. Speaker, I ask my colleagues to join me in honoring Dr. Veronica Maz for a life of committed service to the District of Columbia. Her legacy continues to offer a powerful example for how we should conduct our lives and strive to serve our communities.

150TH ANNIVERSARY OF THE
PEDDIE SCHOOL

HON. RUSH HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Mr. HOLT. Mr. Speaker, this year, Peddie School in Hightstown, New Jersey celebrates its 150th anniversary as one of the finest independent schools in the nation. Peddie School prides itself on the intellectual, social, and moral growth of its students.

I have been fortunate to have visited Peddie's campus and host interns who went to Peddie. Whenever I observed their work and work ethic, it was always apparent that their actions and skills reflected the values of Peddie, including respect, honesty, scholarship, balance, and courage—the same values that were also revered at its creation as a Baptist school during the Civil War. This philosophy is further evident in the uniting *Ala Viva* chant and student accomplishments in a diverse range of areas, from a dominant golf team to state poetry competition accolades.

I congratulate Peddie School for 150 years of fostering young women and men to become thoughtful and constructive members of society. May the next 150 years bring the same success and see generations of students develop into successful, upstanding citizens.

HONORING BAY VIEW HIGH
SCHOOL ON ITS 100TH ANNIVERSARY

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 15, 2014

Ms. MOORE. Mr. Speaker, I rise to pay tribute to Bay View High School celebrating its 100th Anniversary on October 4, 2014. Bay View High School opened in September, 1914 with seven teachers and 150 students. Mr. Gustav Fritsche, a German teacher, served as its principal. The school was then a one building barrack without central heating known as "Fritsche's Foundry". In 1922, classes were held in a new school building, still in use today and referred to as the "Castle on the Hill". The high school is a visible landmark from both the Hoan Bridge and Interstate I-43/1-94 in Milwaukee.

Bay View High School started a successful Student Government Association (SGA) in 1947 that led to unique programs such as honor study halls and building control. Many of the Bay View students involved in SGA have become politicians. Bay View High School has staged over 50 years of musicals. The high school has prepared many amateurs and professionals for a lifetime of music and the arts; they make up the current alumni choir and alumni band. Bay View High School's interscholastic sports program has developed champions after graduation who continue in their sport to set records and achieve a level of success up to and including Olympic gold.

Bay View High School's students have become community leaders and good citizens that include such luminaries as: State Representatives Sandy Pasch and La Tonya Johnson, Milwaukee County Board Chair Marina Dimitrijevic, Esther Jones, 1992 US Olympic Gold Medalist in track and my granddaughter, Taylor Walker.

Many Bay View High School students have gone on to become educators. In fact, many have returned both as teachers and adminis-

trators with some spending their entire careers at their Alma Mater.

Mr. Speaker, I am proud to say that the Bay View High School is located in the 4th Congressional District. I wish them another 100 years of success.
