

Honor Flight participants as smooth and easy as possible.

The commonsense legislation before us today is a step to achieving that goal. It sets in motion a process for expedited passenger screening services by TSA for veterans traveling on an Honor Flight Network charter. It simply makes sense to authorize and facilitate collaboration between TSA and the Honor Flight Network to ensure that our veterans are treated with the respect they have earned and deserve when they come to visit the memorials dedicated to their service.

Mr. Speaker, I urge my colleagues to support H.R. 4812 as a token of appreciation for our veterans' service.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. HUDSON) that the House suspend the rules and pass the bill, H.R. 4812, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

EAST BENCH IRRIGATION DISTRICT WATER CONTRACT EXTENSION

Mr. DAINES. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 4508) to amend the East Bench Irrigation District Water Contract Extension Act to permit the Secretary of the Interior to extend the contract for certain water services.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 4508

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. EAST BENCH IRRIGATION DISTRICT CONTRACT EXTENSION.

Section 2(1) of the East Bench Irrigation District Water Contract Extension Act (Public Law 112-139; 126 Stat. 390) is amended by striking "4 years" and inserting "10 years".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Montana (Mr. DAINES) and the gentleman from New Jersey (Mr. HOLT) each will control 20 minutes.

The Chair recognizes the gentleman from Montana.

GENERAL LEAVE

Mr. DAINES. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Montana?

There was no objection.

Mr. DAINES. Mr. Speaker, I yield myself such time as I may consume.

Hearing that water services delivery could be in jeopardy for 60,000 acres of some of the most productive farmland in my home State of Montana, I was happy to introduce this legislation that ensures that irrigation in southwest Montana is protected.

H.R. 4508 protects irrigation and water supplies in the Beaverhead Valley by extending the district's contract while an updated contract is pending approval by the Montana Water Court. This contract extension is necessary since the Montana court system is in the middle of conducting a necessary State-required review of the new contract between the irrigation district and the United States. This bill does not prejudice the outcome of that examination but keeps in place the existing 1958 contract so area farmers and ranchers in the Beaverhead Valley of Montana have water supply certainty for nearly 60,000 acres.

The legislation has no cost to the Federal Government and is based on congressional precedent. In fact, Congress has extended this 1958 contract a number of times, since an extension provides an irrigation district with an absolute right under Federal law to negotiate a new contract with the Bureau of Reclamation. This bill simply adds 6 additional years to the last extension, thereby extending the 1958 contract until December 31, 2019, or until a new contract is executed.

This bill is the result of hard work that is being done in Montana. I especially want to thank Mr. Bill Hritsco and the East Bench Irrigation District for their leadership and for working with me on this legislation to provide Montana farmers and Montana ranchers with much-needed certainty about their water supply.

Mr. Hritsco, the Dillon, Montana-based attorney representing the Irrigation District, provided expert testimony on this bill before the House Natural Resources Committee earlier this year. The Irrigation District's work with me on this bill represents how Montanans can roll up their sleeves and get good things done. As a result, water will continue to flow in the Beaverhead Valley's fields for years to come if this legislation is enacted. I urge adoption of the bill.

I reserve the balance of my time.

Mr. HOLT. Mr. Speaker, I yield myself such time as I may consume.

(Mr. HOLT asked and was given permission to revise and extend his remarks.)

Mr. HOLT. Mr. Speaker, H.R. 4508, introduced by the gentleman from Montana (Mr. DAINES), would extend the East Bench Irrigation District's water contract, as he has said, for 6 years, pending a judicial ruling. The extension will allow the water to continue to be delivered to nearly 60,000 acres in the Beaverhead Valley of Montana, will protect the right for contract renewal, and will be useful to the residents of the area while the court confirmation process is given time for completion.

I support this legislation. I ask my colleagues to support it as well.

Mr. Speaker, I yield back the balance of my time.

Mr. DAINES. Mr. Speaker, I urge adoption of the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Montana (Mr. DAINES) that the House suspend the rules and pass the bill, H.R. 4508.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

Mr. DAINES. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 4562) to authorize early repayment of obligations to the Bureau of Reclamation within the Northport Irrigation District in the State of Nebraska.
