

protect and defend this great country and to care for his fellow warriors. To his parents, David and Sylvia; brothers, Aaron and Mathew; and to all of his family and friends, we owe our eternal gratitude. Tim touched the lives of many and displayed dedication to duty and courage of heart. He will always be remembered for his selfless service to this great Nation, and his life will continue to inspire those who knew him best and those who follow in his footsteps.

Mr. Speaker, on behalf of a grateful United States Congress, I am privileged to honor the life of Senior Airman Timothy J. Wright. My wife, Vicki, joins me in offering our most sincere condolences and prayers to his family and friends. May God continue to bless them and the brave men and women of our United States Armed Forces.

TRIBUTE TO COLONEL DAVID J.
WILKIE

HON. PAUL C. BROUN

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 24, 2014

Mr. BROUN of Georgia. Mr. Speaker, I rise today to pay tribute to Colonel David J. Wilkie, who is retiring after 30 years of Active Duty Service in the United States Army. The valuable leadership demonstrated in his role as Chief of the Neuroscience and Rehabilitation Center at Dwight David Eisenhower Army Medical Center (DDEAMC) is indispensable. His position there represents the culmination of a career that has been defined by a drive for excellence.

During his time at the United States Military Academy at West Point, COL Wilkie was a four year distinguished cadet, wearing a star on his collar indicating his rank in the top five percent of his class. In 1987, he was elected by his classmates to the position of Chairman of the Cadet Honor Committee and served on the Brigade Staff as a First Class Cadet. He graduated in 1988, receiving the Army Medical Department Award for the highest academically ranking cadet entering the AMEDD and the General McClellan award for the Chairman of the Cadet Honor Committee.

After graduation from West Point, COL Wilkie completed the AMEDD Officer Basic Course at Fort Sam Houston, Texas and earned a degree of Doctor of Medicine at the Uniformed Services University of the Health Sciences in Bethesda, Maryland. From there, he completed his internship and residency in Neurology at Madigan Army Medical Center. COL Wilkie has been Board Certified by the American Board of Psychiatry and Neurology since 1997, scoring in the top five percent nationally on his board Certification exam.

An expert in his field, COL Wilkie has served in leadership positions on staff at DDEAMC and Madigan Army Medical Center, on numerous prestigious boards and committees and important response teams. COL Wilkie led the development of the DDEAMC Traumatic Brain Injury (TBI) program, and the Level 1 TBI program at DDEAMC was the first program certified by the Office of the Surgeon General in 2009. COL Wilkie was also instrumental in developing the Integrated Pain Management Clinic at DDEAMC, again the first such program active in the Department of Defense.

Additionally, COL Wilkie served as Battalion Surgeon for 2–3 Infantry Battalion in Mosul, Iraq during Operation Iraqi Freedom in 2004. In 2013, he served as US FORCES–Afghanistan Neurology consultant at Bagram Airfield, Afghanistan during Operation Enduring Freedom. His decorations include the Bronze Star Medal, Army Commendation Medal (3 OLC), Navy Achievement Medal, Army Achievement Medal (2 OLC), National Defense Service Medal with bronze star, Iraqi Campaign Medal, Afghanistan Campaign Medal, Global War on Terrorism Expeditionary and Service Medals, Army Service Ribbon, NATO Medal, Air Assault Badge and Combat Medic Badge.

COL Wilkie truly has made leadership and service his calling. In his own community, he coaches little league sports, participates in medical education programs, serves on the St. Teresa of Avila Parish Council, and operates the Parish Angel Gabriel Message charity, an organization he founded that supports local families facing childhood cancer.

In a profession that is saturated with talent, intelligence, and leadership, COL Wilkie has managed to distinguish himself among his peers. For this reason, on behalf of the United States Congress, it is my honor to applaud the great work of Colonel David Wilkie following three decades of outstanding service to the United States Armed Forces.

HONORING RENEE THERIAULT
WEBBER

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 24, 2014

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Renee Theriault Webber upon her retirement from the Sonoma County Water Agency (SCWA) after thirty years of dedicated service. As the Division Manager for the SCWA's Environmental and Public Affairs Division, Ms. Webber made significant contributions to the conservation and management of environmental resources and water use in Sonoma County.

Ms. Webber has devoted her professional life to environmental conservation. She received her Bachelor of Arts in Environmental Studies from California State University, Sacramento. She is a member of both the Association of Environmental Professionals and the California Native Plant Society.

Among her innumerable contributions while with the SCWA, Ms. Webber coordinated the development of a national coalition to secure Congressional authorization for the Pacific Coastal Salmon Recovery Fund. Established in fiscal year 2000, the Pacific Coastal Salmon Recovery Fund aims to protect, restore, and conserve Pacific salmon and steelhead populations as well as their habitats.

In addition to her work with the SCWA, Ms. Webber was also a principal manager of the North Bay Water Reuse Program. This program brings together three counties and ten water and sanitation agencies to address water supply shortages by working to develop recycled water as a new water supply source. When fully implemented, the North Bay Water Reuse Program will produce 33,000 acre-feet of recycled water per year in order to maximize the water supply in the North Bay.

Ms. Weber is credited by her colleagues as being able to see both sides of an issue and then build consensus among those with differing opinions. Ms. Webber's leadership in environmental management and water reuse is greatly appreciated and will certainly be missed. Mr. Speaker, it is appropriate at this time that we honor and thank Ms. Webber for her public service and wish her a most enjoyable retirement.

RECOGNIZING JAMES C.
MCCLOSKEY

HON. RUSH HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 24, 2014

Mr. HOLT. Mr. Speaker, I rise today to recognize the career and accomplishments of James C. McCloskey who has served for the past 34 years as the Founder and Executive Director of Centurion Ministries of Princeton, New Jersey, and has been a tireless advocate for people wrongly convicted across our country.

A native of Philadelphia, Jim graduated from Bucknell University in 1964. After three years as a naval officer in Japan and Vietnam, Jim spent 13 years in business in Tokyo and Philadelphia. After his stint in the business world, Jim opted for a change and went to pursue a Masters in Divinity from Princeton Theological Seminary. During that time Jim served as a student chaplain at the Trenton State Prison where he met then inmate Jorge De Los Santos.

After listening to the convicted man's claims of innocence Jim took it upon himself to review the case.

After reading the entire record of the case, he came to believe that Mr. De Los Santos was innocent. Jim then, using his own money, spent the next three years, including a year-long sabbatical from seminary, investigating Mr. De Los Santos' case. After bringing forward the only witness against Mr. De Los Santos, Jim hired a young lawyer, Paul Casteleiro, to have the case retried. In July 1983 Mr. De Los Santos was exonerated and freed and Centurion Ministries was launched. Jim knew that this was his calling for the rest of his life.

Most of the early cases came from the stories that Mr. De Los Santos had told Jim regarding several other men Mr. De Los Santos believed were innocent. Upon reading their case files Jim came to believe them, too. Jim worked alone until 1987 when he obtained his fifth exoneration and the general public took notice of this remarkable work he was doing.

He founded Centurion Ministries in order to bring voice to those who have lost all appeals and thus all hope of having their wrongful convictions brought to light. Beginning with a staff of just himself, Centurion Ministries has grown and now has eight full time staff, five part time staff, and a group of 23 part time volunteers who dedicate their time to the cause of the wrongfully convicted.

Centurion Ministries takes on the difficult cases. They do not shun cases that can turn on DNA evidence, but because there are other avenues for inmates whose cases have DNA evidence, Centurion Ministries' focus has been primarily on cases that require a field investigation and a very savvy lawyer. To date Centurion Ministries has overturned the wrongful
