

documents from the Library's collections chronicling this important period in the history of both countries. It is invaluable for students and researchers because it provides access to rare documents about the U.S.-Mexico border.

The Hispanic Reading Room is "... a home away from home for researchers from all over the world," according to Jaime Benitez, noted educator and Puerto Rican Commissioner during 1973–1977. With its arched ceilings, vivid murals by Brazilian artist Candido Portinari, and architecture reminiscent of renaissance Spain, the reading room provides an inspiring space for those seeking to research their ancestors, complete school assignments, or write books. With its vast Hispanic collections, the Library provides both exploratory materials for beginning students and rare published or other materials—maps, manuscripts, photographs, sound recordings—for advanced scholars. These materials allow those of us in the United States and in other parts of the world to better understand Hispanic heritage and history, and its lasting and ongoing influence within our country.

My husband, Latin American historian Dr. Thomas C. Wright, can personally attest to the incredible resources available through the Division to scholars and authors. We congratulate the Hispanic Division and its staff and celebrate the valuable work they have done over the past 75 years.

TRIBUTE TO CHIEF JUDY  
BRADSHAW

**HON. TOM LATHAM**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 2014*

Mr. LATHAM. Mr. Speaker, I rise to recognize the retirement of Des Moines Police Chief Judy Bradshaw, and to express my appreciation for her dedication and commitment to law enforcement.

Since beginning her storied career as a police cadet in 1980, Chief Bradshaw has been an integral part of the Des Moines Police Department for more than three decades. As the Des Moines Police Department's first female lieutenant, captain, major, and chief of police, Chief Bradshaw has continually broken new ground while both innovating and improving the department.

Throughout her career, Chief Bradshaw has worked and supervised in every area of the department while developing several programs and policies. Since assuming the role of Chief of Police in 2007, Chief Bradshaw has revitalized the community's relationship with the department and its officers. Two of her programs, the Community Ambassador Program and Mentoring Youth with Cops Program, incentivize productive relationships with at-risk youth and community leaders alike. Chief Bradshaw's tenure has shown that when the Des Moines community and its police work together, great things are possible.

Throughout her illustrious and lengthy career, Judy has never wavered in her commitment to justice and security. Chief Bradshaw is a testament to the high quality character instilled in Iowans, and the city of Des Moines owes her a great debt of gratitude for her service. While Judy's leadership will be sorely missed, she leaves behind a more secure

community that will continue to benefit from her service for years to come.

Mr. Speaker, it has been a great honor to represent the brave men and women that comprise the Des Moines Police Department in the United States Congress. I thank Judy for her wonderful work and I wish her the best as she begins a new chapter in her life.

REMEMBERING MAYOR JOHN  
FORD

**HON. LOU BARLETTA**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 2014*

Mr. BARLETTA. Mr. Speaker, I am honored to recognize and remember the life of former Hazleton Mayor John Ford, a well known member of the community. Mayor Ford passed away on Thursday, May 8, 2014 after a long and distinguished career of public and civil service.

Prior to serving as mayor of Hazleton, Mayor Ford was the founder and owner of John Ford Trucking and the Hazleton Standard Fuel Co., a small company that continues to service the Hazleton area to this day. Beyond his role as a small business owner, Mayor Ford was very active in the area. He was a member of the Hazleton Elks, West Hazleton Lions, and was on the board of numerous charitable organizations. Mayor Ford continued to serve on multiple committees at the local, state, and federal level after completing his term as mayor.

During his tenure as mayor from 1986–1987, Mayor Ford saw the city of Hazleton change from a commission form of mayor to a strong mayor form, finishing his last two years of government as a member of the city council from 1988–1989. He is remembered by all who knew him as a hard working and generous man committed to making Hazleton a better city.

My sincerest condolences go out to his wife Rose, who survives him, as well as his sisters Marie and Ida, brother Robert, and several nieces and nephews.

HONORING TYRONE HOSPITAL

**HON. BILL SHUSTER**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 2014*

Mr. SHUSTER. Mr. Speaker, I rise today in recognition of the 60th Anniversary of Tyrone Hospital in Tyrone, Pennsylvania. It is a milestone in this outstanding facility's history of providing essential healthcare services to the residents of its community.

In the early 1900s, Harvey Gray, a prominent Tyrone businessman had a vision to build a hospital to care for the people of Tyrone and surrounding areas. Mr. Gray and his wife Adda ultimately donated \$150,000 after their deaths toward the establishment of Tyrone Hospital. The Tyrone Borough Water department provided the location, donating nearly 17 acres of wooded land west of the Laurel Ridge. The people of Tyrone realized the Gray's vision of a community hospital over a period of years. Numerous community resi-

dents, businesses, and social and civic organizations donated time and funds to support the construction of the hospital. A contribution was also made by Tyrone's famous son, Fred Waring who gave a concert in Tyrone to benefit Tyrone Hospital.

On September 20, 1954, Tyrone Hospital opened its doors and accepted its first patient. Over the years, the hospital has grown to bring personalized health care not only to the residents of northern Blair County but also to communities in neighboring counties. That growth has included state of the art medical equipment, an expanded range of services, and a diverse medical staff.

The hospital's 60th year has been marked by the recent introduction of its new name—Tyrone Regional Health Network—reflecting its developing system of new providers and services throughout Central Pennsylvania. The 60th year also coincided with the announcement of plans for a 38,000 square foot expansion that will provide a new hospital facility.

A lot has changed since Tyrone Hospital first opened its doors in 1954. However, its presence as a community hospital and its mission to provide needed healthcare services to local residents has remained the same.

I wish to thank Tyrone Hospital's dedicated staff, Board of Directors and CEO Stephen Gildea for their commitment to quality healthcare. I congratulate them and the people of Tyrone and surrounding communities on this important anniversary for their local hospital. I'm proud to have such a wonderful facility in the 9th District, and wish Tyrone Hospital continued success in the next sixty years and beyond.

STRONGLY SUPPORTING THE  
PEOPLE OF UKRAINE

SPEECH OF

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 17, 2014*

Ms. JACKSON LEE. Mr. Speaker, I rise today in strong support of H. Res. 726, a resolution supporting the right of the people of Ukraine to freely determine their future, including their country's relationship with other nations and international organizations, without interference, intimidation, or coercion by other countries.

I thank my colleague from Pennsylvania, Congressman GERLACH, for introducing this bipartisan resolution and urge all Members to support it to show the solidarity of the people of the United States with the people of Ukraine.

The United States is strongly committed to the sovereignty, independence, and territorial integrity of Ukraine.

The United States strongly supports efforts to assist Ukraine to defend its territory against military aggression by the Russian Federation and by separatist and paramilitary forces.

The Russian Federation has undertaken a campaign of political, economic, and military aggression against Ukraine.

For example, Malaysia Airlines Flight 17, a civilian airliner, was destroyed by Russian-backed Ukrainian separatists using a Russian-made missile, taking the lives of all 298 innocent persons on board.

That is why I strongly support H. Res. 726, which condemns the continuing political, economic, and military aggression by the Russian Federation against Ukraine and the violation of its sovereignty, independence, and territorial integrity.

I strongly support the resolution's demand that the Russian Federation remove its military forces and military equipment from the territory of Ukraine, including equipment provided to the separatist and paramilitary forces.

I applaud the resolution's call for the President to cooperate with allies and partners in Europe and other nations around the world to impose visa bans, targeted asset freezes, sector sanctions, and other measures on the Russian Federation and its leadership sufficient to compel it to end its violation of Ukraine's sovereignty and territorial integrity.

Mr. Speaker, I ask all members to join me in voting for H. Res 726.

#### TAIWAN'S NATIONAL DAY

### HON. DENNIS A. ROSS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 2014*

Mr. ROSS. Mr. Speaker, as Taiwan's national day, known as Double Ten Day, approaches on October 10, I rise to remind my colleagues that Taiwan, our democratic ally, continues to be left out of international organizations at the insistence of China.

Taiwan's exclusion does not befit a society that is modern, prosperous, and democratic, and a government whose institutions have implemented the operating procedures and guidelines set forth by the very international organizations from which it has been shut out. America shares many values with Taiwan, including our commitment to democracy, human rights, and free markets, and this is a voice from which we should hear in the forums debating the complex issues and challenges of our time.

The best way we can honor our friends in Taiwan as they celebrate their national day, in addition to extending our best wishes and congratulations—which I do now—is to continue to build on the work we have done to strengthen Taiwan's meaningful participation in international organizations where Taiwan's membership is impossible due to its unique political status. I hope my colleagues will join me in this effort and also join me in wishing Taiwan a Happy Double Ten Day.

#### CONGRESSIONAL RECOGNITION OF QUAKEWRAP FOR ITS SUCCESS IN IMPROVING INFRASTRUCTURE SAFETY WORLDWIDE

### HON. RON BARBER

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 2014*

Mr. BARBER. Mr. Speaker, I rise today in recognition and celebration of QuakeWrap, a growing business in Tucson, Arizona that is improving the safety of infrastructure around the globe. On October 1, 2014, they will be honored by the District Export Council of Arizona for their success in exporting.

QuakeWrap is to be recognized and celebrated for its job creation and sales here in the United States and in multiple international markets, including Australia, Indonesia, Mexico, Nigeria and Vietnam, as well as its work with the United Nations. Both private and public sector customers are utilizing its patented carbon fiber technology to repair, modernize and secure vital infrastructure for public safety and commerce, such as bridges, pipelines, buildings and piers. Among their diverse portfolio of projects, they have repaired the tunnel system under the University of Arizona, done retrofit work on Alcatraz Island in the San Francisco Bay, provided seismic retrofit for the VA Medical Center in Albuquerque, provided blast protection for the new UN building in Beirut, Lebanon and begun an extensive infrastructure pile project in Nigeria.

QuakeWrap is an example of a small U.S. business that has grown by being a leader in state-of-the-art technology and by embracing exporting as key to their growth strategy. Even in the face of great economic recession, QuakeWrap increased its revenues and created jobs in our community. QuakeWrap has also made strategic and effective utilization of key export resources at both the federal and state levels, including the U.S. Commercial Service and its Arizona Export Assistance Center in Arizona, the Arizona Commerce Authority, and the U.S. Small Business Administration—demonstrating the impactful collaboration that can indeed exist between the private and public sectors.

#### OUR UNCONSCIONABLE NATIONAL DEBT

### HON. MIKE COFFMAN

*Thursday, September 18, 2014*

Mr. COFFMAN. Mr. Speaker, on January 20, 2009, the day President Obama took office, the national debt was \$10,626,877,048,913.08.

Today, it is \$17,770,878,224,353.80. We've added \$7,144,001,175,440.72 to our debt in 5 years. This is over \$6.9 trillion in debt our nation, our economy, and our children could have avoided with a balanced budget amendment.

#### RECOGNIZING THE 50TH ANNIVERSARY OF BEDFORD, PENNSYLVANIA'S FALL FOLIAGE FESTIVAL

### HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 2014*

Mr. SHUSTER. Mr. Speaker, I rise today in recognition of the 50th anniversary of Bedford's Fall Foliage Festival. This wonderful event celebrates not only the changing of the seasons, but all that the town of Bedford has to offer.

Every year, the coming of fall brings about a beautiful transformation across Central Pennsylvania. From the changing color of the leaves, to the return of autumn favorites like Sunday football and pumpkin pie, there truly is no better place to experience all that the season has to offer than in the heart of our state. That is why I am honored to stand here today to celebrate 50 years of the Bedford Fall Foliage Festival.

In 1964, the Bedford County Motor Club and the Antique Auto Club joined together to create the Historical and Fall Tour, an event which then came to be known as the Fall Foliage Festival in 1966 and has grown ever since. Today, the event draws an estimated 70,000 visitors to Bedford over the course of two weekends, and features the work of over 400 artists and craftsmen. In addition, parades, antique cars, the crowning of the fall foliage queen, and a wide range of musical entertainment offer excitement for people of all ages. The event is one of the largest fall foliage festivals in the Northeast, and its 50th anniversary this year promises to be the best one yet.

I would like to thank all of the dedicated volunteers who have put so much effort into making the Bedford Fall Foliage Festival such a lasting success. Their hard work has ensured that the festival continues to be a highlight every autumn, and I know that it will only get better in the years to come. I'm proud to have such a wonderful event in the 9th District, and hope that everyone has a chance to visit and experience fall in Bedford County.

#### HONORING RON TINGLEY

### HON. JEFF DENHAM

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 18, 2014*

Mr. DENHAM. Mr. Speaker, I rise today to acknowledge and honor the life of Ron Tingley, who passed way September 8th in a tragic traffic accident. Ron was born to Ethel and Richard Tingley January 31, 1947. His lifelong interest in our veterans started with his father who was a World War II vet stationed primarily in Guam. In addition, his grandfather served as a motorcycle courier in Germany during World War I. After retiring from 41 years of service as a counselor at Modesto Junior College, Ron wanted to give back and continued his work with our country's veterans.

Mr. Tingley played an instrumental part in establishing the Veteran's Resource Center (VRC) at Modesto Junior College (MJC). The VRC opened three years ago as a permanent location for vets to meet, study, and share camaraderie. Once in place, Ron worked with veteran students to solidify the purposes and services of the VRC. Uniting partners in the community helped the VRC extend services beyond the college campus.

In addition, Mr. Tingley collaborated with off-campus resources to educate and train MJC veteran students to facilitate peer support groups. He became keenly aware of the needs of spouses and dependents and it was
