

I feel privileged to have known and worked closely with President Fisher during the time he and I worked together on economic development summits in southeast Fort Worth. Those were a huge success and were helpful to the small businesses that were in an economically challenged area. He was always available and helpful to me personally. His stances on preventing banks that are too big to fail from coming to the taxpayer for bailouts was inspiring.

On behalf of the 26th District of Texas, I commend President Richard Fisher on a job well done. I congratulate him on his retirement and wish him every success in the future.

PRESIDENT DECEIVED AMERICANS ABOUT OBAMACARE

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, in yesterday's Charleston Post and Courier, Charles Krauthammer points out the President's deceit when misrepresenting ObamaCare before shoving it through a Democratic Congress.

According to the column, an "October 2013 video has surfaced that shows MIT Professor Jonathan Gruber, a principal architect of ObamaCare, admitting that, in order to get it passed, the law was made deliberately obscure and deceptive. It constitutes the ultimate vindication of the charge that ObamaCare was sold on a pack of lies."

As more is revealed about the truth behind the President's manipulation when passing ObamaCare, "It's refreshing that 'the most transparent administration in history' . . . should finally display candor about its signature act of social change. Inadvertently, of course. But now we know what lay behind Obama's smooth . . . arrogance . . . that rules in the name of the citizenry it mocks, disdains, and deliberately, contemptuously deceives."

It is sad Democratic elitists believe their voters are stupid.

In conclusion, God bless our troops. The President should take action to never forget September the 11th and the global war on terrorism.

The SPEAKER pro tempore. The Chair must remind all Members that remarks in debate may not engage in personalities toward the President.

MIZZOU 175TH BIRTHDAY

(Mrs. HARTZLER asked and was given permission to address the House for 1 minute.)

Mrs. HARTZLER. Mr. Speaker, today I rise to recognize my alma mater, the University of Missouri, as it celebrates 175 years of providing quality education, cutting-edge research, and practical extension services to all Missourians.

Mizzou was the first State university established west of the Mississippi and

is a school rich with tradition. I am humbled to be a graduate of such a longstanding, esteemed institution.

The University of Missouri was home to the first journalism school in the world and is still recognized as one of the best schools around the world for agriculture, business, and journalism, just to name a few.

The core values of the University of Missouri—respect, responsibility, discovery, and excellence—leave a mark on every individual influenced by this institution and have helped shape me as an American citizen and lawmaker.

Throughout my career in education and public service, I have striven to uphold the values of the university and sleep well knowing that all alumni, present and future, will do the same.

I am so proud to be a Tiger, and I wish a very happy birthday to Mizzou. Go Tigers!
