HISTORICAL RECORD ON PASSAGE OF FALEOMAVAEGA'S LEGISLATION TO INCREASE THE NUMBER OF MILITARY ACADEMY APPOINTMENTS FROM AMERICAN SAMOA

HON. ENI F.H. FALEOMAVAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 3, 2014

Mr. FALEOMAVAEGA. Mr. Speaker, I rise today to include, for historical purposes, the following information on the passage of legislation to increase the number of military academy appointments from American Samoa.

[Press Release, Nov. 24, 2003]

PRESIDENT SIGNS INTO LAW LEGISLATION FALEOMAVAEGA INTRODUCED TO INCREASE THE NUMBER OF MILITARY ACADEMY APPOINTMENTS FROM AMERICAN SAMOA

Congressman Faleomavaega announced that President Bush signed into law today the National Defense Authorization Act for FY04 which included language Faleomavaega offered to increase the number of military academy appointments from American Samoa.

On May 7, 2003, the House Subcommittee on Total Force unanimously voted in favor of my amendment to increase the number of military academy appointments from American Samoa to the U.S. Military Academy, the United States Naval Academy, and the United States Air Force Academy, Congressman Faleomavaega said. On May 9, 2003, the Armed Services Committee also agreed to include this language in the National Defense Authorization Act of 2004.

This legislation passed the House on May 22, 2003 and the Senate and the House agreed to the conference report as of November 12, 2004. I am now pleased that President Bush has signed this historic legislation into law. As a result of this new law, American Samoa will be able to send two students to each service academy. Prior to this law being passed, American Samoa was only able to send one student to each academy.

This also means that I will be able to nominate up to twenty students per academy. Each academy scholarship is worth approximately \$250,000 and each service academy is ranked among the top rated educational institutions in the U.S. Given that American Samoa has a population of about 60,000, a per capita income of less than \$4,500 and almost 5,000 men and women serving in the U.S. Armed Services, I am pleased that we may be able to offer more students the opportunity to attend one of our nations prestigious military academies.

At this time, I want to thank my colleagues, both Democratic and Republican, for supporting my initiative to increase American Samoa's academy appointments and, again, I commend President Bush for signing this important legislation into law, the Congressman concluded.

WADSWORTH "LALIE" DICKERSON

HON. DONNA M. CHRISTENSEN

OF THE VIRGIN ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 3, 2014

Mrs. CHRISTENSEN. Mr. Speaker, I rise in posthumous recognition of Wadsworth Dickerson, a Friend, Mentor, campaign and personal supporter, who was with me at the

beginning of my political career. He was one of those individuals that could be accurately described as "Larger than Life"! He would enter a room and fill it with a Presence bigger than his person, and begin to talk in that voice that was oh so powerful—even in a whisper. Many memories come to mind of 'that smile' and how he enjoyed a good joke.

He had more than a finger on the pulse of sentiments being felt by the constituency and their concerns that were often not brought to the attention of those seeking public office. His was an absence that was, and still is, greatly and pointedly missed, in every election I have participated in since his untimely demise a decade ago.

Mr. Dickerson was also affectionately known as "Lalie", to those that knew him on a first name or nickname basis. He was born on the island of Antigua to parents that came from the island of St. Kitts. He was the only son that his parents had and those who were brave enough to say it, said that he always got his way and succeeded in getting away with conduct that was never tolerated from his sister siblings or other relatives. This privilege helped to give him stellar and sterling attributes that later on became exemplary characteristics that endeared him to many: a care free, head strong and independent person, with a love for life, adventure and animals, which all started at an early age.

As a young boy, Lalie travelled back and forth from Antigua to St. Croix, until he decided that St. Croix was where he wanted to live and raise a family with his then girlfriend, Cavelle. The island of St. Croix, in the early days of their marriage, provided vast opportunities to young people with talent; and Lalie's carpentry craftsmanship allowed him to make a lot of people very happy when he built cabinets, wall aquariums, mahogany beds and other priceless treasures. This is how he began to establish and maintain close connections with the "grass roots".

Lalie's eulogy credited his love for democracy and politics as coming from his mother and former Congressman Ron de Lugo, my predecessor. He was always a person who enjoyed a good time and an intense political chat. This was another method that enabled him to keep his hand on the pulse and enabled him to know who was who and how they thought and felt on various subjects. Other characteristics that endeared him to many was his ability to be there for others, always ready to lend a helping hand to others less fortunate, or to those that just needed advice. "He was steadfast in whatever he believed in even if it meant he was on the losing side"—which was a very rare event.

Lalie became mesmerized with the beauty of St. Croix so much that he enjoyed hanging out with friends on the waterfront or even just to go to take a sail with a friend. In addition to his carpentry skills, he worked at the Department of Sanitation; the U. S. District Court; the Youth Rehabilitation Center and the Department of Education; where a job injury ended his working career. He was also a Life-long Democrat because his mother told him there could be no other party than the Democratic Party, because it was the Party for poor people. He has also been involved and a member of numerous Democratic Clubs, including the People's Democratic Club and the Democratic Territorial Committee.

I know that many Democrats still deeply miss the presence and unwavering support

from one of our most dedicated party members who also just happened to be the "Conscience" of the Party. Even though he seemed to breathe politics, he also had another passion which was gardening. His green thumb caused his family to always be able to have fresh vegetables and even fruits at times.

Lalie was also a family man, proud of his children; loved his grandchildren and was overjoyed being in the presence of his great-grandchildren. His and Cavelle's home was the center and heartbeat of the family.

As I bring my congressional tenure to closure and reflect on the beginning: the joy, happy memories, the sadness of losing him and appreciation of him and all that he brought to me, my life, family and campaigns; always contributed to making it extremely difficult to think and write about him. It is so easy to be sad in nostalgia but, he would not want us to feel anything but happiness for Life and Opportunity to move on and improve. May he rest in peace.

HISTORICAL RECORD OF U.S.
ARMY RESERVE FACILITY IN
AMERICAN SAMOA

HON. ENI F.H. FALEOMAVAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 3, 2014

Mr. FALEOMAVAEGA. Mr. Speaker, I rise today to include, for historical purposes, information about the U.S. Army Reserve Facility in American Samoa.

[Press Release, July 20, 2000]

U.S. ARMY RESERVE GETS APPROVAL TO CONSTRUCT \$20 MILLION FACILITY AT TAFUNA AIRPORT

Congressman Faleomavaega announced today that the Federal Aviation Administration (FAA) is ready to release to the American Samoa Government 6.5 acres of land at the Tafuna Airport so that the U.S. Army Reserve (USAR) can begin construction of its new \$20 million training facility.

There was considerable amount of time spent on discussions between my office, the FAA and the USAR to work out this deal, and I am just glad that we have resolved it, Faleomavaega said. With this agreement from the FAA, the ASG and USAR can now begin the process to secure the property and enter into detailed lease negotiations.

As it now stands, the FAA has agreed to release the land from Federal obligation and redesignate the property for non-aeronautical purposes. The FAA has also agreed to extend a 55-year lease to USAR. For its part, USAR has agreed to pay fair-market value for the property. Its a win-win for everybody, Faleomavaega said. Prior to this agreement, the airport stood to lose Federal funding if ASG leased the site to USAR at a nominal lease rate. Now that the military has agreed to pay fair-market value, the airport will retain its right to Federal funding and will still receive fair-market rates from USAR. In turn, the military will be able to construct its \$20 million facility on a site that is best-suited to meet the training needs of our troops.

All that's left is for ASG to submit a formal request to the FAA Airports Division, Western-Pacific Region to release the said property, Faleomavaega said. In fact, Mr. Herman C. Bliss, Manager of the FAA Western Division has already been notified to expedite the handling of this FAA request and to coordinate with ASG the preparation and submission of the release. Beyond the details of the lease agreement, Faleomavaega also noted Senator Inouye's involvement in securing funds for construction of the new military facility in American Samoa. Senator Inouye and I have worked on this project for the past five years, Faleomavaega said. I am confident this facility will be both a boon to our economy and a much-needed and welcome operation.

I thank Senator Inouye for his commitment and assistance and I also thank Governor Tauese and his staff for their support in getting this project underway,

Faleomavaega said. I think it's fair to say that we're all looking forward to groundbreaking and to renewed and strengthened relations with the United States Army Reserve.

[Press Release, Feb. 8, 2006]

FALEOMAVAEGA RECOMMENDS THAT NEW ARMY RESERVE CENTER BE NAMED IN HONOR OF THE LATE SFC KONELIO PELE

In response to recent inquiries from the press and public, Congressman Faleomavaega announced today that on January 25, 2006 and also on April 7, 2004 he wrote a letter to Brigadier General John Ma, Commanding General, 9th Regional Readiness Command, in Hawaii recommending that the newly built \$20 million U.S. Army Reserve Center in Tafuna, American Samoa be named in honor of the late Sergeant First Class (SFC) Konelio Pele. I am pleased that in the January 30, 2006 issue of Samoa News, retired U.S. Army Lieutenant Colonel Mapu Jamias announced on behalf of our local Veterans of Foreign Wars that they were also recommending that the new Army Reserve Center be named in honor of SFC Konelio Pele. I was unaware that our veterans made the same recommendation but I am pleased by this outcome, Congressman Faleomavaega said.

SFC Konelio Pele was assigned to the Alpha Company, 3rd Brigade, 25th Infantry Division based in Hawaii and was deployed in Vietnam under the command of Major General Carpenter. On July 25, 1966, SFC Konelio Pele was awarded the Silver Star, the third highest medal for valor, for his gallant service in the field of battle during the Vietnam War. SFC Pele served in three wars and was awarded a Bronze medal, two Purple Hearts, and three Combat Infantryman Badges.

On July 25, 1966, the Department of the Army issued General Orders: Number 4997 awarding SFC Konelio Pele the Silver Star for his actions on May 29, 1966. The citation states: Sergeant First Class Pele distinguished himself on 29 May 1966 while serving as a platoon sergeant securing a landing zone in the Pleiku Province, Republic of Vietnam. When his platoon moved out from the landing zone to render assistance to other elements of the company that were pinned down by a large Viet Cong force, Sergeant First Class Pele repeatedly exposed himself to the intense hostile fire as he maneuvered his platoon. During the course of action, he singlehandedly charged a Viet Cong machine gun emplacement, killed two of the crew members with his rifle, and caused the remaining insurgents to flee. After he covered the evacuation of the dead and wounded, he carried the hostile machine gun and ammunition through the bullet swept area to friendly positions. When he returned to the landing zone, he realized that a wounded member of his platoon had been left behind. Sergeant First Class Pele, with complete disregard for his safety, moved several hundred meters across open terrain, found his fallen comrade, and carried him back to be evacuated. Through his heroic efforts, the Viet Cong were defeated in that area. Sergeant First Class Pele's extraordinary heroism in close combat against a numerically superior Viet Cong force was in keeping with the highest traditions of the military service and reflects great credit upon himself, his unit, and the United States Army.

SFC Pele's action is a pure example of personal courage. His unit and the U.S. Army recognized his selfless actions and for this reason he was awarded the Silver Star. It is my understanding that SFC Pele was also recommended for the Congressional Medal of Honor for his heroic actions but there were problems in processing the paperwork
