

annual contributions as well as organizing volunteer opportunities with local organizations like Morningside-Area Alliance, Community Impact, the Friends of Morningside Park, the Friends of Riverside Park, and the Broadway Mall Group. It has also worked to provide educational opportunities to young people in its community, working together with groups like St. John the Divine's ACT summer camp program, Tompkins Hall, and the Learning Center. And through an annual bike-a-thon, it raises funds for Columbia Community Service, with donations and participation increasing every year.

In addition to its foundational commitment of educating promising young women, the College has historically reached out to those students who may be otherwise hindered by a lack of access to opportunities, which I commend. This has resulted in a diverse and inclusive student body, faculty, and staff.

For all this and more, I would like to honor Barnard College for 125 years of significant and enduring contributions to the civic life of our community and the scholarship of our Nation. I wish the College the best of luck in its future endeavors, as I know it will continue to impact the lives of its students and its fellow community members throughout New York City and the world. I ask my colleagues to please join me in recognizing Barnard College's efforts.

COMMEMORATING THE LIFE OF
MR. ROBERT CRAVES

HON. SUZAN K. DELBENE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, February 2, 2015

Ms. DELBENE. Mr. Speaker, I rise today to pay tribute to Robert "Bob" Craves, who recently passed away at the age of 72.

I would like to honor Bob Craves, a founding officer of Costco, for his support of students throughout Washington state in their pursuit of a college degree. In 2000, Mr. Craves started the College Success Foundation, which provides scholarships and mentoring to low-income and first-generation Washington students. Mr. Craves served as CEO of the foundation until his retirement in 2013, and thereafter remained with the organization as a member of the Board of Directors.

His efforts to make higher education accessible were not isolated to Washington state. The foundation estimates that 5,000 students across the country are currently enrolled in college due to the generosity of Craves' work. The organization has raised an estimated \$600 million, and now includes a branch in Washington, DC.

Scholarship recipients continue to vocally express the meaningful impact Mr. Craves had on their lives by providing them with the opportunity to attend college. Several have gone back to work with the non-profit upon graduation to offer career training services and help graduates find jobs.

I would like to commemorate Bob Craves on his lifetime of achievements. He will be remembered by his uplifting demeanor and unflinching optimism, and as a committed community servant whose significant work will continue to echo in years to come. My thoughts go out to his wife, Gerry, and all of his family and friends.

TRIBUTE TO MR. FORREST WELLS—RECIPIENT OF THE BRONZE STAR MEDAL (POST-HUMOUS)

HON. SCOTT DesJARLAIS

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Monday, February 2, 2015

Mr. DESJARLAIS. Mr. Speaker, it is with great pride that I rise today to honor the life and service of Private First Class (PFC) Forrest Wells upon his receipt of the Bronze Star Medal.

PFC Wells landed on the shores of Normandy in June of 1944, as a member of the 113th Field Artillery of the 30th Infantry Division, nicknamed "Old Hickory."

During their deployment to Europe, the 30th Infantry Division assisted in the liberation of Saint-Lo, fought off the German counter-attack at Mortain, was the first infantry division to enter Belgium and the Netherlands, and was instrumental in halting the German offensive near Malmédy during the "Battle of the Bulge."

On July 29, 1944, while serving as a member of a gun section outside of Hebecevon, France, PFC Wells' battery was subjected to a heavy aerial attack. During this bombardment, the gunpowder surrounding one of the units 155 mm howitzers was set ablaze. Without hesitation, PFC Wells left his sheltered position and rushed over to extinguish the flames, thereby eliminating the danger it posed to his fellow soldiers and saving valuable materials from destruction.

In recognition of his service, Brigadier General James M. Lewis, Commanding Officer 30th Infantry Division, awarded PFC Wells with a certificate of merit in the days following the incident.

More than 70 years later, the United States Army, by order of the Secretary of the Army, announced that PFC Forrest Wells would posthumously receive the Bronze Star Medal for meritorious achievement in active ground combat.

Long overdue, this recognition is certainly well-deserved and is a testament to the heroism and dedication to duty that marked PFC Wells' exemplary service during World War II.

I wish to extend to the Wells family my sincere congratulations upon receiving this award, as well as my heartfelt thanks for Private Wells' outstanding service to our great country.

HONORING THREE NORTH
GEORGIAN VETERANS

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 2, 2015

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize three patriots from Georgia's Ninth District.

Arthur Mohor from Hartwell is a 91-year old World War II veteran, who received France's highest honor on January 27, 2015. As a Staff Sergeant in the U.S. Army's 302nd Infantry Regiment, he stormed the beaches of Normandy in 1944.

In a special ceremony in Atlanta, France's Consul General bestowed on Mr. Mohor and

two more Northeast Georgians—Harry T. Catchpole (Technical Sergeant, 9th Traffic regulation Group, 3rd Army) of Bogart and Henry R. Petree (Private First Class, 1306th Engineer General Service Regiment) of Bethlehem—The National Legion of Honor medal.

The medal symbolizes France's eternal gratitude to these three brave Georgians, who risked their lives to knock the Nazis on their heels and help liberate France and the rest of Europe. We owe them—and the many others who gave their lives to preserve this country's freedom—our own eternal gratitude.

The actions of Arthur Mohor, Harry Catchpole and Henry Petree provide amazing examples of service and sacrifice. The honor France bestowed upon them is a wonderful tribute to their bravery and a fitting tribute to America's Greatest Generation.

CORY NOTESTINE TRIBUTE

HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, February 2, 2015

Mr. TIPTON. Mr. Speaker, I rise today in honor of Mr. Cory Notestine. Mr. Notestine is a school counselor at Alamosa High School and has recently been named the 2015 School Counselor of the Year by the American School Counselor Association.

Mr. Notestine has been counselor since 2008 and prior to accepting his position at Alamosa High School in 2012, was the North Carolina School Counselor of the Year. His passion for his students shows in the investment he makes in their individual success. Since coming to Alamosa High School, he has implemented numerous counseling innovations that have improved the success of his students and better prepared them for life after high school, even joining with his fellow counselors to raise financial aid on behalf of their graduating seniors. Mr. Notestine has made huge strides in improving the counseling program in his first year at the high school, earning a RAMP designation—which is given for the program's efforts to ensure a rigorous education to all students and equitable participation in the program.

Mr. Speaker, Mr. Notestine's selfless work ethic and devotion to serving as an advocate for our nation's youth through his community is worthy of admiration and duplication. His students are truly fortunate to have him in their lives as they prepare for their futures. I stand with the residents of Alamosa County, the people of the 3rd Congressional District and the State of Colorado in thanking Mr. Notestine for his dedication, and congratulating him on the prestigious award.

COMMEMORATING THE OPENING
OF ST. JOSEPH'S HOSPITAL-
SOUTH IN RIVERVIEW, FLORIDA

HON. THOMAS J. ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 2, 2015

Mr. ROONEY of Florida. Mr. Speaker, I would like to commemorate the opening of BayCare Health System's St. Joseph's Hospital-South in Riverview, Florida. This \$225 million project will forever change healthcare in South Hillsborough County, and I am excited to see the positive impact the hospital will have on the Riverview community.

Community-owned BayCare Health System consistently upholds a standard of excellence in Florida. From private rooms with full bathrooms and in-room family areas to patient entertainment centers and Internet access, St. Joseph's-South is bringing the newest innovations in healthcare to South Hillsborough County. No detail was overlooked in the construction of St. Joseph's-South.

Riverview is a fast growing community in Florida's 17th District, and St. Joseph's-South's 352,000-square-foot campus is not only an exciting new healthcare option but also a catalyst for hundreds of jobs in the community. Since the Franciscan Sisters of Allegheny came to Tampa from New York to open the first St. Joseph's Hospital in 1934, St. Joseph's has been synonymous with quality healthcare that focuses on the patients first. South Hillsborough County is thrilled that BayCare is bringing St. Joseph's outstanding reputation to Riverview.

I would like to congratulate St. Joseph's Hospital-South president Scott Smith, his staff, and all the supporters of BayCare Health System on such a significant milestone in the history of South Hillsborough County. The hard work and dedication of everyone involved with the project made St. Joseph's-South a reality, and the new hospital will further highlight the great services that BayCare provides the community and lay the groundwork for a bright future.

RECOGNIZING THE WORK OF
BRAVO 369 FLIGHT FOUNDATION

HON. SUZAN K. DeLBENE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, February 2, 2015

Ms. DELBENE. Mr. Speaker, I rise today to recognize the work of the Bravo 369 Flight Foundation and their current project, "Warplanes to Siberia." Additionally, I want to recognize the efforts of the project's co-founders, Craig Lang and Jeff Geer. Mr. Geer, who serves as the President and Chairman of the Bravo 369 Flight Foundation, will pilot his own plane as part of the project. I applaud their work to educate and inspire the next generation of aviation enthusiasts.

"Warplanes to Siberia" is a historical re-creation of the Alaska-Siberia air route (ALSIB) with both American and Russian pilots flying together in formation to celebrate the end of World War II. It will commence in 2015 and follow the exact flight route from Great Falls, Montana to Krasnoyarsk to Moscow, flying the same types of aircraft used 70 years ago. The project is intended to pay tribute to the men and women of the United States, Russia, and Canada who were involved in this effort during the war, and to bring awareness to the significance of their work.

The Alaska-Siberia air route was used to deliver warplanes to the Eastern Front of the war effort as part of President Roosevelt's Lend-Lease policy, and contributed to the success of the Allies in World War II. The re-creation of the flight route will be documented for educational and broadcasting purposes, and accompanied with school, airport, and museum visits.

I want to commend the Bravo 369 Flight Foundation and their continued work on the "Warplanes to Siberia" project, celebrating past achievements and building strong relations for the future.

LNG PERMITTING CERTAINTY AND
TRANSPARENCY ACT

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 28, 2015

Mr. VAN HOLLEN. Mr. Speaker, I rise in opposition to H.R. 351, which would create arbitrary and rigid deadlines for Department of Energy (DOE) approval of LNG exports. Rather than speeding up the approval process, this unnecessary legislation would likely force the Department to deny projects because they will not have the time to fully consider their impacts.

The Department of Energy is one of two agencies that must approve LNG export terminals. The Federal Energy Regulatory Commission must first approve the terminal infrastructure, and then DOE must consider whether or not each facility's exports are in the national interest. That DOE review encompasses a number of considerations, including the environmental and domestic energy price impacts.

DOE has been working to refine this process and has approved several terminals, dramatically increasing the amount of LNG that will be exported from the United States. This shift in U.S. energy policy, from import to export, requires a complete review of the cumulative impact. For example, we should carefully monitor and control methane leakage along the natural gas supply chain, which has a potent impact on climate change. And a number of domestic manufacturers have expressed concern about the impact of exports on energy prices here at home.

I am not opposed to some responsible expansion of LNG exports, but it must be done in a way that protects the environment and American taxpayers. The Department of Energy has been charged, rightly, with protecting the public interest in this process. We should not arbitrarily short-circuit that critical effort. I urge a no vote.

HONORING VITO MARCANTONIO

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, February 2, 2015

Mr. ENGEL. Mr. Speaker, it is important to pay homage to those who have left an indelible mark on the community and the country as a whole. Former Congressman Vito Marcantonio, whose distinguished career in office spanned 3 decades, is most deserving of posthumous commemoration.

Vito was born on December 10, 1902 to Italian parents in East Harlem. After graduating from NYU Law School in 1924, Vito became Fiorello LaGuardia's campaign manager and protégé till 1934, when he was first elected to congress, filling LaGuardia's vacant seat in the House of Representatives.

Following defeat in 1937, Vito was reelected to the House in 1939 and served his East Harlem community in the House till 1950. His long-standing neighborhood presence, accessibility and responsiveness made him an extremely popular figure with the public. This powerful bond allowed Vito to build a strong coalition with a diverse political constituency.

As a legislator, Vito was a staunch defender of the civil rights of Italian Americans during World War II and of African Americans in the 40's and 50's. Vito advocated for the desegregation of Washington D.C. and in 1945 introduced a House resolution directing the Secretary of Commerce to investigate the employment practices of major league baseball clubs to determine if they were discriminating against African Americans. He was also known as the "de facto" representative of Puerto Rico in the House and led the drive to try to defeat the anti-union Taft-Hartley Act.

Vito passed away in 1954 and was buried in the Historic Woodlawn Cemetery in the Bronx. He now rests there next to his beloved wife and community activist, Miriam Sanders. On Saturday, August 9th, 2014 the Vito Marcantonio Forum hosted a commemorative event on the 60th anniversary of his passing at the gravesite. Their remembrance was important and well deserved.
