COMMEMORATING THE OPENING  
OF ST. JOSEPH'S HOSPITAL-  
SOUTH IN RIVERVIEW, FLORIDA

---

**HON. THOMAS J. ROONEY**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 2, 2015*

Mr. ROONEY of Florida. Mr. Speaker, I would like to commemorate the opening of BayCare Health System's St. Joseph's Hospital-South in Riverview, Florida. This \$225 million project will forever change healthcare in South Hillsborough County, and I am excited to see the positive impact the hospital will have on the Riverview community.

Community-owned BayCare Health System consistently upholds a standard of excellence in Florida. From private rooms with full bathrooms and in-room family areas to patient entertainment centers and Internet access, St. Joseph's-South is bringing the newest innovations in healthcare to South Hillsborough County. No detail was overlooked in the construction of St. Joseph's-South.

Riverview is a fast growing community in Florida's 17th District, and St. Joseph's-South's 352,000-square-foot campus is not only an exciting new healthcare option but also a catalyst for hundreds of jobs in the community. Since the Franciscan Sisters of Allegheny came to Tampa from New York to open the first St. Joseph's Hospital in 1934, St. Joseph's has been synonymous with quality healthcare that focuses on the patients first. South Hillsborough County is thrilled that BayCare is bringing St. Joseph's outstanding reputation to Riverview.

I would like to congratulate St. Joseph's Hospital-South president Scott Smith, his staff, and all the supporters of BayCare Health System on such a significant milestone in the history of South Hillsborough County. The hard work and dedication of everyone involved with the project made St. Joseph's-South a reality, and the new hospital will further highlight the great services that BayCare provides the community and lay the groundwork for a bright future.

RECOGNIZING THE WORK OF  
BRAVO 369 FLIGHT FOUNDATION

**HON. SUZAN K. DeLBENE**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 2, 2015*

Ms. DELBENE. Mr. Speaker, I rise today to recognize the work of the Bravo 369 Flight Foundation and their current project, "Warplanes to Siberia." Additionally, I want to recognize the efforts of the project's co-founders, Craig Lang and Jeff Geer. Mr. Geer, who serves as the President and Chairman of the Bravo 369 Flight Foundation, will pilot his own plane as part of the project. I applaud their work to educate and inspire the next generation of aviation enthusiasts.

"Warplanes to Siberia" is a historical re-creation of the Alaska-Siberia air route (ALSIB) with both American and Russian pilots flying together in formation to celebrate the end of World War II. It will commence in 2015 and follow the exact flight route from Great Falls, Montana to Krasnoyarsk to Moscow, flying the same types of aircraft used 70 years ago. The project is intended to pay tribute to the men and women of the United States, Russia, and Canada who were involved in this effort during the war, and to bring awareness to the significance of their work.

The Alaska-Siberia air route was used to deliver warplanes to the Eastern Front of the war effort as part of President Roosevelt's Lend-Lease policy, and contributed to the success of the Allies in World War II. The re-creation of the flight route will be documented for educational and broadcasting purposes, and accompanied with school, airport, and museum visits.

I want to commend the Bravo 369 Flight Foundation and their continued work on the "Warplanes to Siberia" project, celebrating past achievements and building strong relations for the future.

LNG PERMITTING CERTAINTY AND  
TRANSPARENCY ACT

SPEECH OF

**HON. CHRIS VAN HOLLEN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 28, 2015*

Mr. VAN HOLLEN. Mr. Speaker, I rise in opposition to H.R. 351, which would create arbitrary and rigid deadlines for Department of Energy (DOE) approval of LNG exports. Rather than speeding up the approval process, this unnecessary legislation would likely force the Department to deny projects because they will not have the time to fully consider their impacts.

The Department of Energy is one of two agencies that must approve LNG export terminals. The Federal Energy Regulatory Commission must first approve the terminal infrastructure, and then DOE must consider whether or not each facility's exports are in the national interest. That DOE review encompasses a number of considerations, including the environmental and domestic energy price impacts.

DOE has been working to refine this process and has approved several terminals, dramatically increasing the amount of LNG that will be exported from the United States. This shift in U.S. energy policy, from import to export, requires a complete review of the cumulative impact. For example, we should carefully monitor and control methane leakage along the natural gas supply chain, which has a potent impact on climate change. And a number of domestic manufacturers have expressed concern about the impact of exports on energy prices here at home.

I am not opposed to some responsible expansion of LNG exports, but it must be done in a way that protects the environment and American taxpayers. The Department of Energy has been charged, rightly, with protecting the public interest in this process. We should not arbitrarily short-circuit that critical effort. I urge a no vote.

HONORING VITO MARCANTONIO

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 2, 2015*

Mr. ENGEL. Mr. Speaker, it is important to pay homage to those who have left an indelible mark on the community and the country as a whole. Former Congressman Vito Marcantonio, whose distinguished career in office spanned 3 decades, is most deserving of posthumous commemoration.

Vito was born on December 10, 1902 to Italian parents in East Harlem. After graduating from NYU Law School in 1924, Vito became Fiorello LaGuardia's campaign manager and protégé till 1934, when he was first elected to congress, filling LaGuardia's vacant seat in the House of Representatives.

Following defeat in 1937, Vito was reelected to the House in 1939 and served his East Harlem community in the House till 1950. His long-standing neighborhood presence, accessibility and responsiveness made him an extremely popular figure with the public. This powerful bond allowed Vito to build a strong coalition with a diverse political constituency.

As a legislator, Vito was a staunch defender of the civil rights of Italian Americans during World War II and of African Americans in the 40's and 50's. Vito advocated for the desegregation of Washington D.C. and in 1945 introduced a House resolution directing the Secretary of Commerce to investigate the employment practices of major league baseball clubs to determine if they were discriminating against African Americans. He was also known as the "de facto" representative of Puerto Rico in the House and led the drive to try to defeat the anti-union Taft-Hartley Act.

Vito passed away in 1954 and was buried in the Historic Woodlawn Cemetery in the Bronx. He now rests there next to his beloved wife and community activist, Miriam Sanders. On Saturday, August 9th, 2014 the Vito Marcantonio Forum hosted a commemorative event on the 60th anniversary of his passing at the gravesite. Their remembrance was important and well deserved.

HONORING WILLIAM LEE EDWARDS

**HON. LUKE MESSER**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 2, 2015*

Mr. MESSER. Mr. Speaker, I rise today to honor the life of a man who had a tremendous impact on my life, William Lee Edwards. Bill was a treasured member of the Greensburg community and served in many different leadership roles at both Greensburg Junior High School and Greensburg High School over the past 40 years.

Bill Edwards was also a devoted husband to his wife of 46 years, Joyce. Together, they were the proud parents of three sons and grandparents to four grandchildren. Bill was an avid fisherman and loved spending his free time outdoors.

In addition to his family, Bill's lifelong passions revolved around education and sports. Bill served as the Greensburg Junior High Athletic Director for 27 years, coaching both the boys and girls track team, the football team, and the basketball team. Bill then moved on to become the face of Greensburg sports as the Athletic Director for Greensburg High School.

Mr. Edwards, as I always called him, played a significant role in the lives of literally thousands of young people in his decades of service to Greensburg. I was one of them. He was my seventh grade Social Studies teacher and my eighth grade football coach. He was an outstanding teacher, who brought energy to the classroom. And, decades later, now as a Member of Congress, I still recall his lessons on Israel and Vietnam. He was a great coach, who pushed us to excel and coached many undefeated seasons. But, maybe most importantly, he taught us that anything was possible if you worked hard, followed a plan and believed.

Mr. Edwards, I will always be grateful for those lessons. I know I speak for generations of young people in Greensburg when I thank you for your career. You will be missed by those you helped to smile, succeed and empower. May God bless you, your family, and all the people of Greensburg who you touched through your work.

HONORING SUMA FEDERAL CREDIT UNION'S 50TH ANNIVERSARY

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 2, 2015*

Mr. ENGEL. Mr. Speaker, financial service organizations have the ability to change lives and lift up entire communities. Such has been the case with SUMA Federal Credit Union, which celebrated its 50th anniversary in 2014 at their Jubilee Banquet.

SUMA was organized by a small contingent of Ukrainian immigrants who settled in Yonkers after World War II. Citing the growing need for financial services in order to improve the quality of life for their families, they developed a credit union whereby financial resources would be pooled to help obtain less expensive loans and insurance.

To comply with National Credit Union Association requirements, they chose to support the Ukrainian American Youth Association, Yonkers branch, as their sponsor. Using shoe boxes to store cash reserves, the credit union opened for business in September of 1964, and in four short months had accumulated over \$25,000 in assets from 82 members. For the next several decades, the SUMA Credit Union continued to grow and expand, establishing branch offices in Spring Valley, New York as well as Stamford, Connecticut.

Today, SUMA has a membership base of over 7,000 and over \$286,000,000 in total assets. But their impact goes beyond the financial wellbeing of its members; it has lifted up an entire community and provided incredible

support to the excellent works of the Ukrainian American Youth Organization.

The SUMA Federal Credit Union is a testament to the power of the financial sector and its ability to positively impact communities. I am proud to represent such a fine organization in the House of Representatives and wish them nothing but continued success in their next 50 years.

DR. C.T. VIVIAN

**HON. G. K. BUTTERFIELD**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 2, 2015*

Mr. BUTTERFIELD. Mr. Speaker, today it is with great pleasure that I rise to commemorate the contributions of Dr. C.T. Vivian, a public servant and passionate leader in the civil rights movement who has dedicated his life to the struggle for racial equality in America.

Dr. C.T. Vivian was born July 30, 1924 in Howard County, Missouri and attended Western Illinois University in Macomb and was recreation director for the Carver Community Center in Peoria, Illinois. It was there that Dr. Vivian participated in his first sit-in demonstrations which successfully integrated Barton's Cafeteria in 1947.

Dr. Vivian was a close friend and adviser to Dr. Martin Luther King, Jr. Dr. King appointed Dr. Vivian to the executive staff of the Southern Christian Leadership Conference (SCLC) in 1963, naming him national director of affiliates and strategist for the organization.

After leaving Dr. King's Executive Staff, Dr. Vivian founded the Black Action Strategies and Information Center (BASIC), a workplace consultancy on race relations and multicultural training. He and his late wife, Octavia Vivian founded the C.T. & Octavia Vivian Archives and Museum in Fayetteville, GA, in 2014.

In March 2007 at the occasion of the anniversary of Selma to Montgomery marches, then-Senator Barack Obama recognized Dr. Vivian in his opening remarks as "the greatest preacher to ever live." And, on August 8, 2013, President Obama honored Dr. Vivian at the White House by presenting him with the Presidential Medal of Freedom, the nation's highest civilian honor.

Mr. Speaker, Dr. C.T. Vivian remains a distinguished minister, author, and organizer. His historic contributions and achievements as a spiritual leader, champion of social justice, and strategist of the Civil Rights Movement have reserved his place in history. I ask my colleagues join me in expressing the appreciation of a grateful nation.
