Affordability is an essential component of the college's core mission. At a time when over 37 million Americans are saddled with over \$1 trillion in student debt, John Jay College was recently named one of the top 10 colleges where students graduate with the least debt. Only 20 percent of John Jay students were compelled to borrow money to finance their college education, less than one-third of the national average. And the vast majority of John Jay students graduate debt-free—enabling them to become successful in service for others without having to spend years paying off their student loans. In fact John Jay College was recently ranked No. 4 in the "Best Bang for the Buck" in the Northeast rankings in Washington Monthly's College guide.

John Jay develops fierce advocates for justice—each committed every day to building a better democracy. I am proud to represent John Jay College of Criminal Justice and the values that it stands for and works for every day. Congratulations to John Jay College on this very important day and its 50-year record of fighting for justice. ●
