CELEBRATING THE LIFE OF
JANINE FOSTER WOODY

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 30, 2015

Mr. MARCHANT. Mr. Speaker, I rise today to celebrate the accomplished and honorable life of my good friend, Janine Foster Woody. Sadly, Janine has recently passed away and is mourned by many.

Janine was one of the most dedicated and warm hearted people I was fortunate enough to know for many years. Her endless resume of involvement with local schools and the community are difficult to portray in words. She devoted much of her time to education and helping students and community members alike. It was an honor and a privilege to have known her.

As a member of the Dallas County School Board, and chair of the Technology Committee, she worked with various Independent School District (ISD) boards and superintendents to better technological services provided to the ISDs. Janine was also elected to the Texas Association of School Boards' Legislative Advisory Committee and the North Texas Council of Governments. Her hard work and generosity reached far and wide in North Texas.

Janine's involvement in Christ United Methodist Church also brought her great joy; she dedicated valuable time and energy to teaching and volunteering in the church for many years. Her other activities included chamber of commerce Education Committees, Farmers Branch Women's Club, Garland Asian American Festival Committee, Richardson Community Band, and several public service posts, along with many others. Janine was a great role model and someone you would want members of the community looking up to.

Janine received a B.A. in History and English from Northwestern University as well as a Master of Library and Information Science degree from the University of North Texas. A thesis she wrote on ethnic bibliographies was published in the Wilson Library Journal.

As a precinct chairwoman, and Headquarters Chairwoman of the Dallas County Republican Party, she worked hard in keeping people involved and informed on many issues. She organized and maintained events, started clubs, and generally performed above and beyond her civic duties. Janine's work ethic and

ability to keep people involved in the community will be greatly missed.

Mr. Speaker, it is an honor to recognize and celebrate the eventful and prosperous life of Janine Foster Woody. I ask all of my distinguished colleagues to join me.

HONORING THE 75TH ANNIVERSARY OF THE KILGORE COLLEGE RANGERETTES

HON. LOUIE GOHMERT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 30, 2015

Mr. GOHMERT. Mr. Speaker, the First District of Texas has been blessed as the birthplace of many remarkable individuals who have made notable contributions that have enriched lives well beyond the borders of Texas. One such example was born from a rather simple concept, yet grew into a worldwide movement. It is a great pleasure to stand in honor of the world famous collegiate drill team, the Kilgore College Rangerettes, as they celebrate their 75th anniversary this year.

The Rangerettes have long been considered the personification of talent and precision, the standard of excellence which has sparked an estimated \$8 billion industry and created more than fifty-thousand permanent jobs in the United States, according to one famed economist. The Rangerettes have inspired similar all-female dance drill teams, with an estimated 15,000 high school students and some 1,000 college students across the state of Texas taking part each year; while approximately 75,000 high school drill team members across the nation participate annually. The Rangerettes have been the impetus behind this major industry which has influenced lives and careers around the world.

The precision dance team concept began in 1939, and came to fruition led by the incomparably talented Miss Gussie Nell Davis with their first halftime performance on September 15, 1940. The Rangerettes were originally intended to promote diversity among the student body at Kilgore College while also encouraging football fans to stay in their seats during halftime; but while effectively accomplishing these tasks, they also introduced something astoundingly innovative to the field of sports entertainment. This group of talented young women set into motion a revolutionary model for all future choreographed dance teams. Technical skill and absolute choreographed perfection, along with the incomparable high kick routines, characterized the Rangerettes' routines at their inception, and those words can still be used today to describe the captivating performances of these young women.

The world renowned Rangerettes have toured the United States multiple times, performing for U.S. Presidential inaugurations, professional sports venues, nationally televised parades, collegiate bowl games, and even Indy 500 race events. They have been featured on television, in films, and in widely circulated magazines and newspapers. In addition to the notoriety they have experienced here in the United States, the Rangerettes have headlined several international tours which have allowed them to perform for massive numbers of enthusiastic fans on four continents and in countless cities worldwide.

The commitment to preserving the legacy and rich heritage of the young women who have achieved the honor of being named a "Rangerette" does not end upon graduation, but is demonstrated through the continuing efforts of their Rangerettes Forever alumni organization. Rangerettes now and forever have enjoyed an accomplished and vibrant history of group performances and individual achievement, while bringing visibility and prestige to Kilgore College, east Texas and the State of Texas.

It is a distinct privilege to honor this remarkable organization today since they have been so hard-working, motivational, & inspirational. Please join me in recognizing and congratulating the Kilgore College Rangerettes on their 75th anniversary, a milestone now recorded in this CONGRESSIONAL RECORD which will endure as long as there is a United States of America.

HONORING DOT PONDER

HON. JIM COOPER

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 30, 2015

Mr. COOPER. Mr. Speaker, today I rise to salute Mrs. Dot Ponder, a devoted Nashvillian and this year's Girl Scouts of Middle Tennessee honoree. I also have the great privilege of calling Dot my friend.

For more than thirty years, Dot devoted herself to the Girl Scouts. She registered with ten troops and served hundreds of girls as troop leader, instructor and camp director.

From sharing her love of the outdoors to teaching financial literacy, Dot's energy is endless. But her contributions didn't end when troop meetings were over. She taught civic responsibility and, through her example, she encouraged Girl Scouts to actively engage in their communities. She inspired girls to pursue the highest accolades in Girl Scouting, including the Gold and Silver Awards.

It is an honor to commend Dot Ponder for her contributions to the advancement of girls in our community through her tenure of devoted and humble service to the Girl Scouts of Middle Tennessee.

Ms. Collins began her career by working as a cashier and later became a teacher's aide. She attended Burlington County College in Pemberton, New Jersey, where she earned

ENERGY AND WATER DEVELOPMENT AND RELATED AGENCIES APPROPRIATIONS ACT, 2016

SPEECH OF

HON. STEPHEN F. LYNCH

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2028) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2016, and for other purposes:

Mr. LYNCH. Mr. Chair, I rise in strong support and as a cosponsor of the Huizenga-Hahn Amendment to increase funding in the 2016 Energy and Water Development Appropriations Bill for the U.S. Army Corps of Engineers Operations and Maintenance Account by \$36,306,000. This modest increase, offset by reducing funding for the Department of Energy, Departmental Administration, by \$36.7 million, will benefit Harbor Maintenance Trust Fund related projects.

I have the good fortune to represent the city of Boston and its Port. Like many ports in this country, the port of Boston is vital to the local and regional economies, generating \$2.4 billion in economic benefits annually and supporting 34,000 jobs.

In fact, every one of our 50 states relies on seaports for imports and exports, totaling

some \$3.8 billion worth of goods moving through U.S. seaports each day, supporting more than 13 million jobs across the country.

The Harbor Maintenance Trust Fund was created in 1986 to ensure that we could maintain and expand our ports and harbors in order to facilitate commerce and drive our economy. For too long Congress has engaged in budgetary shell games, starving the fund and hampering our ability to undertake dredging projects critical to maintaining this vital infrastructure.

The Water Resources Reform and Development Act of 2013, which the House passed overwhelmingly last year by a vote of 412–4, moved to rectify this situation by setting incremental target expenditures from the Harbor Maintenance Trust Fund that reaches 80% in 2020.

Mr. Chair, our amendment is simply in line with the amount overwhelmingly supported by my colleagues, increasing from \$1.178 billion to \$1.25 billion the amount allocated from the Harbor Maintenance Trust Fund, in order to support the critical needs of our nation's ports. The balance in the Harbor Maintenance Trust Fund at the beginning of fiscal 2016 will be approximately \$8.9 billion. The money is there. With the re-opening of the Panama Canal slated for next year we need to re-double our efforts to make certain that U.S. ports are prepared for increased commercial opportunities and will remain competitive.

All of our constituents benefit from the success of U.S. ports. It is time that we provide the resources to ensure that success. I urge my colleagues to support this amendment.

RECOGNIZING THE ACHIEVEMENTS OF TORKLIFT CENTRAL

HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 30, 2015

Mr. SMITH of Washington. Mr. Speaker, I rise to honor and recognize Torklift Central from Kent, Washington, for their dedication to the community as demonstrated through their annual Turkey Challenge.

In 2011, with the economy in the depths of the recession and many families struggling as a result, the Kent Food Bank unexpectedly lost the majority of its funding with the holiday season just around the corner. This left many households in the area scrambling to find ways to feed their families. Fortunately, Torklift Central—a family-owned company based in Kent—stepped up to meet the needs of the community by forming the Turkey Challenge. The Challenge, which is heading into its fifth year this winter, pits local businesses against each other in a friendly competition to see who can collect the greatest amount of canned food items and cash donations for the food bank. One hundred percent of the proceeds go to providing Thanksgiving meals for residents and families who visit the Kent food bank during the holiday.

Every year, donations for the Turkey Challenge have grown in both the number of cans and monetary donations received. The goal for 2014 was 4,000 pounds of food and \$17,000, an ambitious goal that would have nearly doubled what they collected in the previous year. Participating companies far exceeded those

goals, bringing in 10,820 pounds of canned food and \$22,418 in donations. Altogether, the Turkey Challenge has raised \$56,560 and collected 16,804 pounds of food.

Without the continued dedication of Torklift Central to the Kent Food Bank, many families in our community would go without a Thanksgiving meal and food throughout the year. No longer does the food bank have to turn away families on this special day and at other times during the year due to lack of supplies. Because of Torklift Central's outstanding initiative and contributions, the community can give less fortunate families a memorable Thanksgiving.

Mr. Speaker, it is with great honor that I recognize Torklift Central. Their service to our community is an inspiration to all organizations across the State of Washington.
