

Sheriff Rutherford regularly participated in Crime Prevention Walks throughout the city to meet with and listen to citizens one-on-one in their own neighborhoods. He hosted live Internet Call-In shows, established the Six Pillars of Character Award, and regularly recognized employees for their good works. In all of these ways, John led the 3,000 men and women at our Jacksonville Sheriff's Office to become a vital and interwoven part in the fabric of our community.

Sheriff John Rutherford led our Jacksonville Sheriff's Office for 12 years. He was an effective leader and his quiet, firm voice was always listened to during times of alarm. I am proud to call him friend and thank him for his service.

INTELLIGENCE AUTHORIZATION
ACT FOR FISCAL YEAR 2016

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 16, 2015

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2596) to authorize appropriations for fiscal year 2016 for intelligence and intelligence-related activities of the United States Government, the Community Management Account, and the Central Intelligence Agency Retirement and Disability System, and for other purposes:

Ms. JACKSON LEE. Mr. Chair, as a senior member of the Homeland Security Committee and Ranking member of the Judiciary Commit-

tee's Subcommittee on Crime, Terrorism, Homeland Security, and Investigations, I rise in opposition to H.R. 2596, the "Intelligence Authorization Act for Fiscal Year 2016," for several reasons.

I opposed the rule because Section 2 of the rule permits the House leadership to continue to be postponed through the legislative day of Thursday, July 30, 2015, further consideration of the motion to reconsider the vote by the House rejecting the Senate amendment to H.R. 1314, the "Trade Adjustment Act of 2015."

I do not believe it is appropriate to commingle in one rule subjects as complex, critical, and disparate as international trade policy, on the one hand, and authorization of intelligence community programs and activities, on the other.

They should be considered separately, debated separately, and voted on separately.

Second, I also opposed the rule because the appropriations authorized by H.R. 2596 are predicated on a continuation of the draconian funding levels set by sequestration rather than more realistic and responsible limits to be negotiated and agreed to by the House and Senate.

I agree with President Obama that prior to consideration of appropriations or annual authorization bills, the House and Senate should first reach agreement on a fair and balanced budget framework that does not harm our economy or require draconian cuts to middle-class priorities.

When applied to national security information gathering, sequestration is harmful because it adversely affects the ability of the intelligence community to: provide strategic warning to decision-makers across all levels of government; improve collection technologies to exploit existing and future opportunities and increase resilience; provide cutting-edge technical analysis of counterintelligence, cyber, advanced weapons, and proliferation threats; to spur IC integration; and increase intelligence capacity by investing in critical information technologies.

Third, I oppose the bill because it uses funds intended for Overseas Contingency Operations (OCO) in a manner that is inappropriate.

By ignoring the pre-negotiated terms regarding war spending, H.R. 2596 seeks to take monies budgeted for war and defense and apply them to domestic defense while neglecting other vital non-defense priorities of the American people.

Specifically, the bill uses OCO funding to circumvent budget caps in defense and intelligence spending and ignores the long-term connection between national security and economic security and fails to account for vital national security functions carried out at non-defense agencies.

Finally Mr. Chair, I oppose H.R. 2596 on the merits because it contains a highly objectionable ban on the use of funds to transfer any Guantanamo detainee into the United States or construct or modify facilities in the United States to house detainees transferred from Guantanamo.

Also highly objectionable is the provision in the bill providing that nothing in the statute authorizing the Privacy and Civil Liberties Oversight Board should be construed to allow that Board to gain access to information the executive branch deems to be related to covert ac-

Mr. Chair, in this digital information age the federal government has at its disposal a wealth of resources that enable it to record, track, and monitor the daily activities of ordinary law abiding citizens.

The balance between liberty and security must be respected to preserve our way of life and the values that countless generations have fought to preserve.

This includes taking precautionary measures to ensure that their lives are safe from eminent danger and terrorist threats both domestically and abroad.

I have long supported effective legislation that seeks to do this such as the bipartisan USA FREEDOM Act, which imposes necessary limits on the bulk collection of telecommunication metadata on U.S. citizens by American intelligence agencies, including the National Security Agency.

Because I have long advocated greater diversity and inclusion in government contracting and procurement, I am pleased that H.R. 2596 includes section 334, which requires the Director of National Intelligence to submit a report to Congress regarding participation in contracting opportunities by women, minorities, veterans, and small businesses awarded by elements of the intelligence community for goods, equipment, tools, and services.

There are several other provisions in the bill that I support, including provisions: allowing the Department of Energy's national laboratories to compete for homeland security grants; ensuring better understanding of FBI resource allocation against domestic and foreign threats, and the role of the FBI and DNI in countering violent extremism, particularly among young people; promoting greater oversight of the Intelligence Community's relationships with certain foreign partners; and giving intelligence support to the Ukraine.

But, on balance, Mr. Chair, H.R. 2596 contains more objectionable than salutary provisions, and for that reason I cannot support the bill or the rule governing the terms of floor debate.

PROTECT MEDICAL INNOVATION
ACT OF 2015

SPEECH OF

HON. ELIZABETH H. ESTY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 17, 2015

Ms. ESTY. Mr. Speaker, I rise today to express my frustration with the latest attempt to undermine the Affordable Care Act. I strongly support expanding access to quality, affordable health care for all Americans. Now, the Affordable Care Act isn't perfect, but where problems arise in the law, we should work together to find solutions and fix them. But crippling the law by cutting billions of dollars or robbing the Prevention and Public Health Fund is not a real solution. I've consistently opposed bills that would undermine or repeal the Affordable Care Act, and that's why I cannot support either H.R. 160 or H.R. 1190.

I do not support the creation of the Independent Payment Advisory Board and believe that the medical device tax needs to be changed. I am committed to working with my colleagues to responsibly fund the vital programs under the ACA without stifling innovation or slowing research and development.

Medical device manufacturers in Connecticut develop essential and lifesaving products that are critical to treating every patient whether in a physician's office, a hospital, a nursing home, or in the field by emergency responders. They provide well-paying jobs throughout my district making products that are sold throughout our country and exported around the world. I will continue to call for the medical device tax to be responsibly replaced.

RECOGNIZING JEFFREY L.
BAARSTAD

HON. JULIA BROWNLEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 18, 2015

Ms. BROWNLEY of California. Mr. Speaker, today I rise to recognize Jeffrey L. Baarstad, an influential and respected educator who has been committed to the success of our community, and has bestowed an immeasurable and remarkable quality of education upon students in Ventura County.

For over a decade, Superintendent Baarstad has served the Conejo Valley Unified School District with an unwavering commitment to the education of over 20,000 students within 27 schools throughout the district. The Conejo Valley Unified School District is an essential resource for many residents of Ventura County and is one of the top ranked school districts in California thanks to the dedication of outstanding educators like Superintendent Baarstad.

The Conejo Valley Unified School District serves as a beacon, which continues to lead the way towards a higher standard of quality education and academic success for countless children across our community. The work that the Conejo Valley Unified School District has accomplished, with Dr. Baarstad at its helm, has been recognized for its distinction by many national and state organizations. In

2010, Dr. Baarstad became the Superintendent of Conejo Valley Unified School District, and only three years later was recognized as Superintendent of the Year by the Association of California School Administrators for his outstanding work.

Extraordinary educators like Superintendent Baarstad exemplify Ventura County's commitment to education. Although Superintendent Baarstad will be retiring from Conejo Valley Unified School District, he is leaving a significant mark on public education throughout the region, and an immense impact on our community. I am certain his work will continue to inspire educators in their own commitment to providing an excellent education to students in Ventura County.

For these reasons, I graciously thank Superintendent Baarstad for his unwavering dedication as an educator for the past 35 years. It has been my sincere pleasure to work with Dr. Baarstad, whose influence will extend to many future generations.

IN RECOGNITION OF ISAIAH
CROWELL

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 18, 2015

Mr. BISHOP of Georgia. Mr. Speaker, I rise today to recognize and commend Isaiah Crowell, an outstanding football player and leader for the Cleveland Browns football team of the National Football League. Crowell will be hosting the Inaugural Isaiah Crowell Football Camp on Saturday, June 20, 2015 at the A.J. McClung Memorial Stadium in Columbus, Georgia.

Isaiah Crowell was born and raised in Columbus, Georgia, where he attended Carver High School. In high school, Isaiah excelled in football, track, and basketball. Upon graduation, Isaiah was a highly recruited athlete by the University of Alabama and the University of Georgia. In 2011, during a nationally televised conference, Isaiah chose to attend the University of Georgia.

During his freshman season at UGA, Isaiah lead the football team with 850 rushing yards and five touchdowns, which led to him being named the SEC Freshman of the Year by the Associated Press in 2011. For his sophomore season, he transferred to Alabama State University where he was named the Southwestern Athletic Conference Newcomer of the Year, after rushing for 842 yards and 15 touchdowns. After two seasons, Isaiah finished fifth in Alabama State University's history in points scored (160) and sixth in rushing yards (1,963).

In the 2014 National Football League draft, Isaiah signed with the Cleveland Browns as an undrafted free agent. As a rookie, he made an immediate impact scoring two touchdowns in the season opener against the Pittsburgh Steelers. He finished his rookie season with eight touchdowns and over 600 yards. Isaiah will enter the 2015 football season as the starting running back for the Cleveland Browns.

But more than being a remarkable athlete, Isaiah has been incredibly active in the communities of Columbus, Georgia and Cleveland, Ohio and is dedicated to giving back to both communities.

This weekend, Isaiah will be hosting a football camp that is part of the USA Football FUNDamentals program in partnership with NFL Play60. This program introduces children to football by teaching basic skills in a fun and energetic environment. Certified clinicians use a series of drills to show passing, catching, and running skills in a non-contact setting. The purpose of this camp is to ensure that children are learning and having fun while being active.

Isaiah was selected to bring this program to Columbus, Georgia, through the NFL Foundation's player grant program. The Columbus community is proud that Isaiah plans on making this area a priority for his charitable efforts throughout his NFL career and beyond.

Mr. Speaker, I have long said that in our area of Middle and Southwest Georgia, we have some of the best, the brightest, the most creative, and the most talented young people anywhere in the world. And Isaiah Crowell proves that beyond the shadow of a doubt! This young man is a true representation of what it means to triumph in the face of adversity. Throughout his personal struggles, Isaiah has shown what it means to preserve and chase his dreams. I support Isaiah in his NFL career and I am immensely proud of the spirit of philanthropy that Isaiah is bringing to his local community.

Mr. Speaker, I ask my colleagues to join me, my wife Vivian, and the more than 730,000 residents of Georgia's Second Congressional District in recognizing and commending Isaiah Crowell for his remarkable accomplishments as an athlete and for his generous heart and humble spirit as a philanthropist.

RECOGNIZING MR. GRANT JONES
OF KUKURUZA GOURMET POPCORN

HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 18, 2015

Mr. SMITH of Washington. Mr. Speaker, I rise to congratulate Mr. Grant Jones, of KuKuRuZa Gourmet Popcorn of Seattle, on receiving the U.S. Small Business Administration's (SBA) Washington State 2015 Young Entrepreneur of the Year award.

Today's KuKuRuZa began modestly as Popcorn Pavilion in the garage of his father-in-law, Charles Brown. Shortly after, in 2011, Grant was approached by the original owners of KuKuRuZa with an offer to sell their business to Grant, who jumped at the opportunity. In just three short years, Grant, together with the strong support of his wife, Ashley, grew KuKuRuZa into a multimillion dollar international company.

Since 2011, KuKuRuZa has expanded from one downtown Seattle location to 17 stores in Washington state and around the world. During this time, KuKuRuZa's sales have increased substantially; from \$360,000 in its first year to \$2.7 million by 2014. Much of this success is due to strong demand for KuKuRuZa's products and the company's expansion into international markets, which include 13 stores in Japan, Korea, Saudi Arabia, and Egypt. At the store location in Japan, for example, customers are said to stand in line for up to two hours to purchase KuKuRuZa's products.

Despite its rapid growth into an international company, KuKuRuZa continues to put its consumers first and strives to keep its ingredients
