

Mr. Speaker, I yield 2 minutes to the gentlewoman from California (Mrs. TORRES), my friend and colleague, who also sits on the Indian, Insular and Alaska Native Affairs Subcommittee.

□ 1700

Ms. TORRES. Mr. Speaker, I rise in support of H.R. 387, which directs the Secretary of the Interior to take certain land into trust for the benefit of Morongo Band of Mission Indians.

This legislation is a commonsense approach that will benefit the tribe, the city of Banning, and the larger local economy. Taking land into trust on behalf of tribes is one of the visible and impactful actions our government can undertake to uphold our trust obligations to the 567 sovereign tribal nations around the country.

Indian lands are critical for the exercise of tribal self-governance and self-determination and often represent great spiritual and cultural significance to tribal nations.

This bill represents an opportunity for the Morongo Band of Mission Indians to consolidate their land base and provide for their people while also resolving longstanding disputes that will clear the way for increased private economic development opportunities for the region. This legislation is a win-win for the tribe, the city, and private enterprise.

Mr. RUIZ. Mr. Speaker, I would like to thank the gentlewoman from California, NORMA TORRES, for her remarks in support of the bill. I would like to thank you, Mr. Speaker. I would like to again thank Representative PAUL COOK for his support of this legislation.

I would like to thank Chairman BISHOP and Ranking Member GRIJALVA for their work to bring this non-controversial bill to the floor before the end of the summer. I look forward to working together in the future on additional legislation to provide our tribal nations with the tools to create their own economic opportunity through self-determination and self-governance.

I urge my colleagues to come together, once again, and pass this commonsense bill that will create jobs and spur economic development for the Morongo Tribe and the city of Banning. Vote "yes" on H.R. 387.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. RUIZ) that the House suspend the rules and pass the bill, H.R. 387.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 5 o'clock and 3 minutes p.m.), the House stood in recess.
