

During her tenure in these two positions, Ms. Moeller helped introduce a revamped and revised education program that enabled organized labor leaders to contact union members more effectively during "Get Out the Vote" campaigns. This particular initiative proved successful for labor-supportive Texas Legislature and Congressional candidates.

Ms. Moeller's dedication to organized labor goes beyond her work within the AFL-CIO. Before her leadership in the Texas AFL-CIO, Ms. Moeller served as president of the Communications Workers of America Local 6137, the Corpus Christi local union representing workers at SBC (now AT&T). Ms. Moeller served in several capacities, including job steward, chief steward, Executive Board member, vice president and secretary-treasurer.

Ms. Moeller also served as President of the Coastal Bend Labor Council and as a member of the Texas AFL-CIO Executive Board. For several years, Ms. Moeller chaired the Texas AFL-CIO Scholarship Committee. She also traveled the state of Texas to promote unions and assist in a variety of worker actions.

In addition to her commitment to organized labor, Ms. Moeller served as a member of her local United Way Board of Governors and the Corpus Christi Workforce Development Board and also worked a number of voter registration drives. She was appointed by Governor Ann Richards as Chair of the Texas Department of Licensing Regulation commission.

TRIBUTE TO GREENFIELD MUNICIPAL UTILITIES

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 21, 2015

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate a great Iowa institution, Greenfield Municipal Utilities. On June 12, 2015, Greenfield Municipal Utilities celebrated 125 years of business.

A short ten years after Thomas Edison invented the light bulb, a group of Greenfield city councilmen and businessmen began planning a municipal light plant to provide the town with electricity. In the fall of 1890, their idea became a reality when Greenfield was one of the first towns in Iowa to have a plant. Members of the Board of Trustees today include Lynne Don Carlos, Terry Schneidder and Bob Guikema.

I applaud and congratulate the Greenfield Municipal Utilities for their 125 years in Iowa's Third Congressional District. I am proud to represent them in the United States Congress. I know that my colleagues will join me in congratulating and wishing the Board of Trustees and their employees nothing but success in the future.

RECOGNIZING COLIN THOMAS, SAM LAFFEY, AND MOSES WEISBERG

HON. KEN BUCK

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 21, 2015

Mr. BUCK. Mr. Speaker, I rise today to recognize Colin Thomas, Sam Laffey, and Moses

Weisberg for their hard work and dedication to the people of Colorado's Fourth District as interns in my Washington, DC office for the Summer 2015 session of Congress.

The work of these young men has been exemplary and I know they all have bright futures. They served as tour guides, interacted with constituents, and learned a great deal about our nation's legislative process. I was glad to be able to offer this educational opportunity to these three and look forward to seeing them build their careers in public service.

Our interns have made plans to continue their work with various organizations in Washington, Colorado, and Kansas. I am certain they will succeed in their new roles and wish them all the best in their future endeavors. Mr. Speaker, it is an honor to recognize Colin Thomas, Sam Laffey, and Moses Weisberg for their service this summer.

Mr. RODNEY DAVIS of Illinois. Mr. Speaker, I rise today to congratulate the Taylorville Optimist Club on their 50th anniversary this year. The Optimists have shown inspiring dedication to their mission of fostering an optimistic way of life in my hometown.

The Optimist Club was chartered in 1965, and there are currently over sixty active members. Since their charter, they have been a force of good in the community. CELEBRATING THE LIFE OF MR. THOMAS FRITZ

HON. CATHY McMORRIS RODGERS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 21, 2015

Mrs. McMORRIS RODGERS. Mr. Speaker, I rise today to mourn the loss of Mr. Tom Fritz, who tragically passed away last week in a

devastating fishing accident. A leader who helped to bring countless jobs and collaborative healthcare to Eastern Washington, Tom was a pillar of strength and generosity in our Greater Spokane community and will be greatly missed.

A beacon in our community, Tom tirelessly led Inland Northwest Health Services for the last 16 years before retiring last December. Founded as a joint venture of the area's largest hospitals and their parent companies, under his guidance, INHS grew to over 1,000 employees and brought in more than \$200 million in gross revenues, becoming one of the region's largest employers and one of its most active businesses. Having the vision to partner with community entities, Tom led INHS to provide exemplary access to health services not only in Spokane but all across our country. He drove their efforts through forward-thinking solutions, unique partnerships and innovative technologies. Tom's vision for INHS was to provide a collaborative approach to health care that is unlike any other.

Tom had a heart of gold. He tirelessly advocated for programs and initiatives that benefited the community he loved. A tremendous leader, Tom will be remembered for his years of service to our community in Eastern Washington and for his commitment to INHS's collaborative mission. To those he worked with on a daily basis, he will forever be remembered as a great friend and colleague. Although Tom Fritz' passing has left many heavy hearts in Eastern Washington, the memory of this actively passionate and engaged individual has left a lasting impact on the lives of many back home in the Inland Northwest.

Thank you, Tom for your years of dedication and service to our community and state. My thoughts and prayers are with your family and friends during this difficult time.

COMMEMORATING THE 50TH ANNI- VERSARY OF THE PASSAGE OF THE "FEDERAL CIGARETTE LA- BELING ACT" OF 1965

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 21, 2015

Ms. JACKSON LEE. Mr. Speaker, I rise today to commemorate the 50th anniversary of the "Federal Cigarette Labeling Act" of 1965.

Passed by the 89th Congress, the "Federal Cigarette Labeling Act" was signed into law by President Lyndon Johnson on July 27, 1965, in response to the mounting scientific evidence that smoking cigarettes causes lung cancer and is a serious public health concern for the nation.

At the time this act was being debated in Congress, cigarette smoking was simply not viewed as a public health concern.

Cigarette smoking was viewed as a norm, with virtually no harmful effects.

Tobacco companies often falsified data to make the claim that some cigarettes were even healthy for you to smoke.

One famous advertisement campaign was for the Lucky Strike cigarettes made by the American Tobacco Company in the 1930's which used advertisements that stated "20,679 physicians say Luckies are less irritating."
