TRIBUTE TO COLONEL THOMAS L'ESPERANCE

Mr. LEAHY. Mr. President, I want to recognize and commend Colonel Thomas L'Esperance for his noteworthy career with the Vermont State Police, which will conclude next month with his retirement. One of the strongest voices in Vermont law enforcement for the past 28 years, Colonel L'Esperance has dutifully served the public and sought to protect his fellow Vermonters as an invaluable member and leader in Vermont. He rose through the ranks of the Vermont State Police after beginning his career as a detective trooper with the Brattleboro barracks in 1987, and has since assumed new and challenging roles within the force. He has contributed to Vermont's public safety and helped to combat crime by serving as a detective trooper, the Southern Vermont Drug Task Force field supervisor, director of the Bureau of Criminal Investigations, and, since 2009, as the director of the Vermont State Police. Colonel L'Esperance has earned the respect and admiration of his colleagues throughout his career for his unwavering dedication and ability to empathize with those whom he serves and protects.

In recent years, Vermont has faced immeasurable challenges in combating the cycle of heroin and opioid abuse. In 2014, I called on Colonel L'Esperance to testify at a Senate Judiciary Committee field hearing in Rutland, VT, about this very challenge. Colonel L'Esperance graciously and with expertise provided testimony on the harmful effects of addiction in the State of Vermont, and on the challenges facing Vermont's law enforcement community in combating such abuse. His testimony was exemplary, not only because of his firsthand experience with this critical policing and public health issue, but also because of the colonel's personal commitment to eliminating this destructive epidemic from our State. I thank Colonel L'Esperance for his powerful testimony and for the great work he has done throughout his career in fighting criminal activity in our State.

While his retirement from the position of Vermont State Police director will be a loss for the force and for the State of Vermont, I am confident that Colonel L'Esperance will bring the same level of excellence to the next chapter of his career. Colonel L'Esperance will no doubt continue to serve others with integrity and with the highest regard for the public's safety. I am proud of Colonel L'Esperance for his exceptional work with the Vermont State Police, and I am grateful for all of his efforts in improving the safety and wellbeing of Vermonters.

INTELLIGENCE AUTHORIZATION BILL FOR FISCAL YEAR 2016

Mr. WYDEN. Mr. President, the Senate is being asked to approve the Intelligence authorization bill for fiscal year 2016 by unanimous consent. When this bill was reported by the Senate Intelligence Committee, I and other colleagues noted that it contained one provision that required further debate.

This provision, section 603, would require Internet and communications companies to make reports to the government if they become aware of "terrorist activity." Over the past 3 weeks a number of Internet companies have raised very valid concerns about this provision. In particular, they note that this provision is quite vague, and does not specify how these companies should know what is and is not terrorist activity.

The Internet Association, which is comprised of dozens of leading technology companies, has warned that uncertainty about the meaning of this vague language will create "an impossible compliance problem" and lead to "massive reporting of items that are not likely to be of material concern to public safety." That is obviously something that I think every Senator wants to avoid. Internet companies should not be subject to broad requirements to police the speech of their users.

There is no question that tracking terrorist activity and preventing online terrorist recruitment should be top priorities for law enforcement and intelligence agencies. And leading technology companies certainly have a role to play here. The Director of the FBI testified this month that technology companies are "pretty good about telling us" when they see something of serious concern. But I haven't yet heard any law enforcement or intelligence agencies suggest that this provision will actually help catch terrorists, and I take the concerns that have been raised about its breadth and vagueness seriously.

For these reasons, I object to this unanimous consent request. I look forward to working with my colleagues to revise or remove this provision so that the rest of the bill can proceed forward.

RECOGNIZING PRESIDENT DWIGHT D. EISENHOWER AND TAIWAN

Mr. ROBERTS. Mr. President, I wish to recognize an exceptional President and a true friend to the United States who cherishes that President's memory. Those of us from the great State of Kansas are justly proud of Dwight David Eisenhower, fondly known as "Ike" to his Abilene neighbors. The Republic of China, Taiwan, calls him a loyal friend.

In 1911, Eisenhower left his boyhood home in Kansas for the U.S. Military Academy at West Point. During World War II, Eisenhower was in charge of plans in the Pacific War and commanding general of the Army's Euro-

pean Theater. On June 6, 1944, General Eisenhower led the D-day invasion on the beaches of Normandy and liberated Europe. During this time, Taiwan stood as our ally in Asia, with the Flying Tigers in the Doolittle Raid and along the Burma Road. In 1951, President Truman asked Eisenhower to become the first Supreme Allied Commander in Europe. After a long and decorated military career, America's voters said, "I like Ike," by overwhelmingly electing him as the 34th President of the United States in 1952.

Today, it is my privilege to serve as Chairman of the Eisenhower Memorial Commission. Because this memorial honors a Kansan, a war hero, and a President the world admires, our good friend and partner, the government and people of the Republic of China, has generously made a gift to ensure the memory of Dwight D. Eisenhower is preserved for generations to come.

It is fortunate for all that our Taiwanese friends have not forgotten President Eisenhower's staunch support for their security and his strong commitment to the U.S.-Taiwan relationship. In 1960, President Eisenhower made the first official U.S. visit to Taipei to meet with President Chiang Kai-shek. As Taiwan's Representative to the United States, Dr. Shen has told me, "President Eisenhower holds a very special place in the hearts of the people of Taiwan."

It was Eisenhower who signed the Sino-American Mutual Defense Treaty in 1954. The next year, on the occasion of the passage of the Formosa Resolution by the Congress, President Eisenhower further pledged to "protect the territories in the Western Pacific under the jurisdiction of the Republic of China." It was also Eisenhower who dispatched the U.S. Seventh Fleet to patrol the Taiwan Strait in the 1950s, thus assuring that the people of Taiwan would remain secure from any external military threat. Deservedly, a significant portion of President Eisenhower's foreign policy legacy is maintaining peace and security in the Taiwan Strait.

In honoring a great general and President, Taiwan has demonstrated an unbroken bond of friendship, dating back to World War II. That enduring friendship is yet another key element of President Eisenhower's legacy.
