

EXTENSIONS OF REMARKS

RECOGNIZING POLISH HERITAGE DAY

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 10, 2015

Mr. VISCLOSKY. Mr. Speaker, it is my distinct honor to recognize the fourth annual Polish Heritage Day in Michigan City, Indiana. In honor of this special occasion, a commemorative event, the Polish Heritage Festival, will take place on Sunday, September 13, 2015, at the International Friendship Gardens in Michigan City.

During the inaugural festival in 2012, Michigan City Mayor Ron Meer proclaimed the 15th of September as Polish Heritage Day to honor and recognize the contributions made by Polish-American members of the local community.

The Polish Heritage Festival commences with a Polish-English mass in the Symphony Garden. Festivities continue with a performance by Wesoly Lud, a Polish folk dance ensemble, which includes regional costumes made in Poland. Each dance performance by the Chicago troupe incorporates ornate, custom aprons and headdresses for the ladies and embroidered vests and traditional hats for the men. The event also includes savory Polish food from Cavalier Inn of Hammond and Polish baked confectionaries from Bakers Dozen of South Bend.

A special honor, the Polish Ambassador Award, is presented during the festival to bestow recognition and respect on a deserving individual who has acted as an influential promoter of Polish heritage and culture.

For the past three years, the Polish Heritage Festival has applied proceeds from the event to local scholarships and soup kitchens, and also for the restoration of the Polish Garden at the International Friendship Gardens.

The Polish community has had an immense impact on life in Northwest Indiana, through its religious presence, as in the blessing of baskets prior to the Easter holiday and day-long weddings culminating with polka music and large dinners. Traditional Polish cuisine handed down from generation to generation, including pierogi, kielbasa, and paczki, is popular dining fare within the region due to the vast influence of Polish culture throughout Northwest Indiana.

Mr. Speaker, at this time, I ask you and my other distinguished colleagues to join me in recognizing the fourth annual Polish Heritage Day in Michigan City, Indiana. Members of the Polish community have played an important role in enhancing the quality of life and culture of Northwest Indiana, and for that, they are to be commended.

RECOGNIZING THE ONE HUNDREDTH ANNIVERSARY OF SACRED HEART HOSPITAL IN PENSACOLA, FLORIDA

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 10, 2015

Mr. MILLER of Florida. Mr. Speaker, I rise to recognize the 100th anniversary of Sacred Heart Hospital in Pensacola, Florida. For a century, the dedicated doctors, nurses, health care professionals, and staff of Sacred Heart have provided world-class services to residents of Northwest Florida, saving countless lives and serving as an integral part of the Northwest Florida community.

Sacred Heart Hospital, which opened its doors on August 31, 1915, is rooted in its founding as a partnership between local citizens and the Daughters of Charity. Its original mission to provide compassionate care to all in the community continues to serve as the hallmark of its success. In the hospital's first location, on Twelfth Avenue, a group of dedicated professionals staffed a 125 bed facility. Despite facing myriad challenges—ranging from hurricanes, a flu epidemic, the Great Depression, and both World Wars—Sacred Heart never wavered in its commitment to excellence, providing unparalleled care to Northwest Florida residents. During the Great Depression, the hospital often served patients who had no other means to cover medical services, and Sacred Heart's school of nursing, located next door to the original facility, trained more than 700 nurses to help serve the community.

In the 1960s, when a growing community brought increased need for expanded health care services, Sacred Heart was there to answer the call. After assiduous planning, Sacred Heart moved to its current location on Ninth Avenue on March 13, 1965. In addition to expanding the hospital's overall capacity, Sacred Heart also built a series of units to provide specialized care to the community. Shortly after opening its new facility, Sacred Heart Children's Hospital was established in 1969, serving as the sole facility in Northwest Florida wholly dedicated to the treatment of infants and children. That same year, the hospital opened a coronary care unit, carrying out its first open heart surgery in 1972, and in the 1980s the hospital expanded further, opening a pediatric intensive care unit, family care centers, the Sacred Heart Surgical Center, and the Ann L. Baroco Center for Breast Health. In subsequent years, the hospital continued to grow, adding a new MRI facility, heart-catheterization facility, outpatient diagnostic center, outpatient surgery facilities, and the James H. Baroco Cancer Care Center, as well as the new Children's Hospital, Women's Hospital, Regional Heart and Vascular Institute, the Nemours Children's Clinic, and the Sacred Heart Cancer Clinic.

To help mark the growth of the hospital, from its humble beginnings to a truly regional network, the hospital officially renamed itself Sacred Heart Health System in 1996. This change accurately reflects the care that Sacred Heart provides throughout both Northwest Florida and South Alabama. Today, Sacred Heart's health network provides care at all stages of life—from award-winning pediatric
