TEXAS HOUSE RESOLUTION NO.  
1508

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 11, 2015

Mr. POE of Texas. Mr. Speaker, I rise today to make it known that the Texas House of Representatives through Robert Haney, the Chief Clerk of the House, has adopted House Resolution No. 1508 by King of Uvalde. This resolution expresses support for the use of sound science to study and regulate modern agricultural technologies, as well as supporting opposition to legislative or regulatory action that may result in unnecessary restrictions on the technologies.

And that's just the way it is.

RESOLUTION

Whereas, A sustainable agricultural system is crucial to the continued production of food, feed, and fiber to meet both domestic and global demand; and

Whereas, In the United States, the agriculture and food production industries employ precision farming equipment, crop protection chemistries, genetic engineering or enhancement, agricultural nutrients, and other modern technologies; such advanced practices protect the safety of the public and reduce environmental impact while expanding yields, improving profitability, and ensuring an abundant and affordable food supply; and

Whereas, Agricultural pests present significant dangers to the industry and to global supplies of the products they attack; accordingly, the environmental risks of forgoing advances in agricultural technologies that protect crops are severe; excessive regulation may scuttle or discourage the use of agricultural chemicals that could improve human welfare; and

Whereas, Crop protection is among the most studied and highly regulated of all industries, at both the state and federal levels; the use of sound science should be the bedrock of our nation's regulatory scheme for the agriculture and food production industries, as these industries are critical to the economic vitality of Texas and the United States; Now, therefore, be it

*Resolved*, That the House of Representatives of the 84th Texas Legislature hereby express support for the use of sound science to study and regulate such modern agricultural technologies as crop protection chemistries, genetically engineered or enhanced traits, and nutrients; and, be it further

*Resolved*, That the Texas House of Representatives express opposition to legislative or regulatory action at any level that may result in unnecessary restrictions on the use of modern agricultural technologies; and, be it further

*Resolved*, That the chief clerk forward official copies of this resolution to the president of the United States, to the president of the Senate and the speaker of the House of Representatives of the United States Congress, and to all the members of the Texas delegation to Congress with the request that this resolution be entered in the Congressional Record as a memorial to the Congress of the United States of America.

CAPRIGLIONE

**HON. ROGER WILLIAMS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 11, 2015

Mr. WILLIAMS. Mr. Speaker, I submit the following resolution as a memorial.

RESOLUTION

Whereas, The Transportation Security Administration currently excludes concealed handgun licenses (CHL) from its list of valid forms of identification, causing an inconvenience for the agency as well as for many travelers; and

Whereas, Acquiring a CHL from the Texas Department of Public Safety is a rigorous procedure that requires applicants to submit to a criminal history background check and provide a valid driver's license or identification card and residential and employment information; these measures ensure that CHL holders are law-abiding citizens whose identities have been verified; and

Whereas, A CHL is such a trusted proof of identification that it is accepted for voter registration and many other governmental processes; and

Whereas, Permitting the use of CHLs as valid forms of identification would help advance the TSA's mission of safeguarding our national transportation system and protecting the American public; Now, therefore, be it

*Resolved*, That the House of Representatives of the 84th Texas Legislature hereby urge the Congress of the United States to instruct the Transportation Security Administration to accept concealed handgun licenses as valid forms of identification; and, be it further

*Resolved*, That the chief clerk of the Texas House of Representatives forward official copies of this resolution to the president of the United States, to the president of the Senate and the speaker of the House of Representatives of the United States Congress, to the administrator of the Transportation Security Administration, and to all members of the Texas delegation to Congress with the request that this resolution be entered in the Congressional Record as a memorial to the Congress of the United States of America.
