

I would first like to acknowledge the gentleman from Alaska (Mr. YOUNG), the chairman of the Subcommittee on Indian, Insular, and Alaska Native Affairs, for his hard work as the sponsor of the House companion to this bill, H.R. 521.

This bill was favorably reported from the Committee on Natural Resources by unanimous consent in July of this year. The Senate version, S. 230, sponsored by Senator MURKOWSKI, is before us today. This bill directs the Secretary of Health and Human Services to convey by warranty deed a 23-acre parcel of Federal land under the administration of the Indian Health Service and located in Bethel, Alaska, to the Yukon Kuskokwim Health Corporation for health and social service-related programs.

The YKHC is a nonprofit Alaska Native organization which operates a regional hospital on the 23 acres of the Federal land conveyed under this bill. In recent years, the hospital has had a need to expand and renovate the existing facilities in this location. To secure funding for the hospital expansion, the YKHC must demonstrate sufficient site control, but because the surrounding land is federally owned, this bill is necessary to provide the health corporation the site control necessary to improve its facilities.

Congress has enacted two similar bills in the last several Congresses and, like those, this bill is supported by the entire Alaska delegation and by the administration.

I again want to commend my colleague from Alaska for his hard work for Alaska Natives, and I urge my colleagues to pass this bill.

Mr. Speaker, I reserve the balance of my time.

Mrs. DINGELL. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 230, as my colleague has so eloquently stated, will provide for the conveyance of approximately 23 acres to the YKHC, located in Bethel, Alaska, for the purposes of constructing a primary care clinic attached to the existing hospital.

This bill is identical to H.R. 521, introduced by our colleague and my very dear and good friend, Chairman DON YOUNG, which we passed by unanimous consent out of the Committee on Natural Resources. The land transfer is needed so that the YKHC might participate in the Indian Health Service Joint Venture Construction Program.

Access to quality health care is a fundamental part of our trust responsibility to tribal members, and passage of this bill will ensure that the YKHC can meet the current and future needs of its residents.

I urge my colleagues to support passage of S. 230.

Mr. Speaker, I reserve the balance of my time.

Mr. McCLINTOCK. Mr. Speaker, I yield such time as he may consume to the gentleman from Alaska (Mr. YOUNG), that legendary force of Alaskan nature.

(Mr. YOUNG of Alaska asked and was given permission to revise and extend his remarks.)

Mr. YOUNG of Alaska. Mr. Speaker, I do thank the chairman and I do thank the ranking member for their kind comments.

Much has been said about this fine piece of legislation. As was mentioned, it has passed the House twice. The Senate finally passed out a bill, and now we are dealing with a Senate bill.

As was mentioned, this gives an opportunity for the YKHC, a Native hospital, to expand on Federal lands. By ownership of the land now, there will be no cloud on that title.

I do appreciate the comments. I do appreciate the work that has been put into this. This is a bill that should have been signed into law a lot sooner. It will be done now, and we will be able to expand this hospital for my Alaska Natives.

Mr. Speaker, I urge the passage of this legislation.

Mrs. DINGELL. Mr. Speaker, before I yield back for the day, I want to thank my colleague, Chairman McCLINTOCK, for his collegiality today and his leadership in making this a pleasant afternoon and a bipartisan afternoon.

I urge all Members to join me in supporting S. 230.

Mr. Speaker, I yield back the balance of my time.

Mr. McCLINTOCK. Mr. Speaker, I would reciprocate those kind words to the gentlewoman from Michigan; thank you.

Mr. Speaker, I ask for adoption of this measure.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. McCLINTOCK) that the House suspend the rules and pass the bill, S. 230.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 4 o'clock and 21 minutes p.m.), the House stood in recess.
