**SEC. 3. DEFINITIONS.**

In this Act:

(2) CONFLICT.—If there is a conflict between a map, an acreage estimate, or a description of land under this Act, the map shall control unless the Secretary and BHI mutually agree otherwise.

(3) AVAILABILITY.—Upon enactment of this Act, the Secretary shall file and make available for public inspection in the headquarters of the Pike-San Isabel National Forest a copy of all maps referred to in this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Colorado (Mr. LAMBORN) and the gentleman from Arizona (Mr. GRIJALVA) each will control 20 minutes.

The Chair recognizes the gentleman from Colorado.

#### GENERAL LEAVE

Mr. LAMBORN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and to include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

Mr. LAMBORN. Mr. Speaker, I yield myself such time as I may consume.

I rise in strong support of H.R. 2223, the Crags, Colorado Land Exchange Act of 2015, which I introduced, along with Mr. POLIS, to facilitate a land exchange in El Paso and Teller Counties in Colorado.

Specifically, this legislation would convey to the United States the 320-acre Crags property located on the west side of Pikes Peak that is currently owned by the Broadmoor Hotel and that is a perpetual public access easement for the lower portion of the popular Barr Trail.

In exchange, an 83-acre Federal parcel located at Emerald Valley Ranch on the southeast side of Pikes Peak and that is a perpetual access easement along two Forest Service roads would be transferred to the Broadmoor.

This exchange would eliminate the management and liability issues currently facing the United States because of the significant upgrades and improvements that Broadmoor has made to the Emerald Valley Ranch parcel.

Mr. Speaker, this land exchange will also provide increased outdoor recreational opportunities for the public. The 320-acre Crags property is completely surrounded by the Pike National Forest and has been the top acquisition priority for the Pikes Peak Ranger District for several years.

The property provides several opportunities to connect forest system trails

emanating from The Crags Campground with trails in the Putney Gulch area. In addition, existing trails within the property could become key links in the proposed Ring the Peak Trail.

I would like to thank Chairman BISHOP and Chairman McCLINTOCK and the entire staff of the Subcommittee on Federal Lands for all of their hard work in bringing this bill to the floor tonight to help increase the economic and recreational opportunities around Colorado Springs. I encourage my colleagues to support this legislation.

I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield myself such time as I may consume.

Rather than repeat what the chairman of the subcommittee just indicated on H.R. 2223, let me just say that the exchange eliminates a large private inholding in the National Forest and removes the need for the Federal land management of the Emerald Valley Ranch. The Forest Service testified in support of the legislation.

I want to thank my colleagues, Congressman POLIS and Congressman LAMBORN, for their hard and constructive work on this legislation. This is a good, bipartisan piece of legislation, and I congratulate its two sponsors. I urge its passage.

Mr. Speaker, I yield back the balance of my time.

Mr. LAMBORN. Mr. Speaker, in conclusion, I appreciate the ranking member, Representative GRIJALVA, for his work on the committee.

We have many spirited discussions. Sometimes we don't agree, but sometimes we do. This is one of those great occasions when, on a bipartisan basis, we do agree.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Colorado (Mr. LAMBORN) that the House suspend the rules and pass the bill, H.R. 2223.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

#### CONGRATULATING SABADO GIGANTE AND DON FRANCISCO

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise tonight to congratulate Mario Kreutzberger, better known as Don Francisco, for his successful career as the host of Sabado Gigante whose last airing will be this Saturday, September 19.

From its humble beginnings in the country of Chile 53 years ago, Sabado Gigante has captivated and won the hearts of audiences throughout Latin

America and especially in our south Florida community.

Nearly 30 years since its first transmission into the United States, Sabado Gigante has attracted loyal and enthusiastic viewers who enjoy the combination of entertainment and coverage of current events. In 2012, the Guinness Book of Records listed Sabado Gigante as the world's longest running TV variety show.

Don Francisco has also been dedicated to promoting charitable giving through his Teleton and has served as a spokesperson for the Muscular Dystrophy Association. Wherever Don Francisco decides to go, he will not only find success, but also the heartfelt support of our community.

Congratulations—felicidades, Don Francisco. Godspeed.

#### HONORING VERONICA POTTER

(Ms. DUCKWORTH asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. DUCKWORTH. Mr. Speaker, I am here today to recognize one of my outstanding constituents, Ms. Veronica Potter, of Barrington, Illinois.

She recently wrote a letter to a hometown paper saying:

I know that the service of women in our current history is applauded because the service is indeed equal to that of men in our military, but in World War II, there were many women involved in serving their country in the military, but as a whole, nothing is ever mentioned.

Well, Mr. Speaker, she is right, so I would like to mention her today here on the House floor.

The Women's Reserve was created in 1942 when the strain of our two-front war caused shortages in military personnel. Recognizing her country needed her in a time of war, Veronica selflessly volunteered and served in the U.S. Marines Corps Reserves from 1944 to 1946 and supported our country's efforts during World War II.

Veronica joined the Marines right out of high school. After basic training, she was deployed to the Marine base in Parris Island, South Carolina, for 2 years, where she contributed to the wartime operations on the base that helped train more than 204,000 marines destined for the front line in defense of our great Nation.

Ms. Potter served our country in a dire time of need and has not been properly recognized for her efforts.

Mr. Speaker, please join me in honoring and recognizing Veronica Potter, a woman who contributed to the success of the U.S. Marines during World War II.

#### GOVERNMENT SHUTDOWN

(Mr. HONDA asked and was given permission to address the House for 1 minute.)

Mr. HONDA. Mr. Speaker, we are now 7 legislative days from yet another Republican government shutdown, simply
