

IN SUPPORT OF EXTENDING, “THE FEDERAL PERKINS LOAN PROGRAM”

HON. RUBÉN HINOJOSA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Mr. HINOJOSA. Mr. Speaker, I rise in strong support of extending the Perkins Loan Program for one year so that students can complete their education and join our workforce.

Perkins Loans provide critical support to students with economic need, offering low-cost loans with flexible repayment terms and generous forgiveness options that are public-service oriented. In 2013–2014, close to 500,000 students with need were awarded nearly \$1 billion in Perkins Loans. And throughout its 57-year history, more than 30 million students with need have benefited from this program. It is also the only loan program used to support graduate and professional schools students.

According to the Congressional Budget office it has estimated that the Federal Government will reclaim nearly \$5 billion over the next ten years. This is \$5 billion that should be used to help keep college affordable for students in need of help.

Without Perkins, schools would lose the necessary flexibility to help students cover gaps left after Federal grants and Stafford Loans are applied or unforeseen circumstances jeopardize a student's ability to pay for college. Ultimately, if Perkins is allowed to expire billions of dollars in student aid would be eliminated from schools' revolving funds.

Perkins Loans themselves don't usually amount to more than several thousand dollars per student, but they can spell the difference between whether or not our students can attend college. In Texas, that means approximately over 12,000 students a year having an opportunity to finish their degree without unnecessary financial interruptions. This is not a time to abandon our students who are working hard to complete their education and have the same opportunities as so many other college graduates.

For these reasons, I urge my colleagues on both sides of the aisle to extend the Federal Perkins Loan Program.

HONORING THE WORK OF CRAIG WILLIAMS AND THE KENTUCKY ENVIRONMENTAL FOUNDATION

HON. ANDY BARR

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Mr. BARR. Mr. Speaker, I rise today to honor the work of Craig Williams and the Kentucky Environmental Foundation. Twenty-five years ago, the Foundation formed the Chem-

ical Weapons Working Group. This group was made up of residents who were concerned about building chemical weapons incinerators at eight sites across the country and one island in the Pacific. The CWWG has worked hard over the years at the grassroots level to successfully advocate for federal legislation that mandated research and implementation of safer weapons disposal technologies that did not include incineration.

The Chemical Weapons Working Group has done an excellent job of bringing people together from many different social and political persuasions and many different perspectives. These dedicated people have worked over the past twenty-five years to come to consensus on safe solutions for the disposal of U.S. chemical weapons. Currently, a non-incineration technology facility is under construction in the Sixth District of Kentucky. The project is being done with continued oversight by Mr. Craig Williams, as he also serves as the Host Community Liaison between local governments and the Pentagon.

Mr. Williams is a founding member and past Director of the Kentucky Environmental Foundation. In addition to serving as Director of the Chemical Weapons Working Group, he is a charter member of the Kentucky Governor's Chemical Material Demilitarization Citizen's Advisory Commission and currently serves as co-chair of the Kentucky Chemical Destruction Advisory Board.

Mr. Williams is the co-founder and secretary of the Vietnam Veterans of America Foundation. He has received several tributes in the United States Congress and was presented the John O'Connor Citizens Achievement Award in 2003. Williams is involved in many community activities. Williams and his wife live in Berea, Kentucky near their two children and two grandchildren.

The people of the Sixth District and our nation are safer today because of the determined work and excellent leadership of Craig Williams and the Kentucky Environmental Foundation. They have worked tirelessly and with great passion to mandate ways to dispose of chemical weapons in a safe manner. I join a grateful nation in congratulating the Kentucky Environmental Foundation on their twenty-five years and thanking Craig Williams for his excellent leaderships.

HONORING THE SPIRIT OF MIDDLE PASSAGE, NAACP MARCHER FOR JUSTICE

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Mr. RANGEL. Mr. Speaker, we mourn yet celebrate the life of NAACP justice marcher, Middle Passage, who passed away on September 12th, 2015. Passage, 68, died during America's Journey for Justice, a six week march that commemorates the 50th anniversary of the civil rights movement.

During Passage's earlier lifetime, he changed his name to Middle Passage to remind us of enslaved Africans. The "Middle Passage" represented the journey taken by slave ships from Africa to the West Indies.

Despite having several heart operations and surviving two wars, in Korea and Vietnam,
