

legacy of confronting all forms of bigotry, educating our youth in order to guard against ignorance, and defending the ideals and civil rights that are necessary for people to live in a peaceful, just, and democratic society.

Recent and troubling world events now pose a unique and humbling challenge to this cause. We've witnessed a rise in anti-Semitic passions abroad, as in areas throughout Europe, but also sadly at home. Even this House has demonstrated in recent debates that honest and heart-felt differences of opinion can escalate into divisive arguments marked by coded language and insinuations that teach us to fear and dehumanize one another. We are better than that. If we engage one another respectfully, no disagreement need devolve into questioning our shared devotion to our allies. We can come to different decisions while still uniting in our support for Israel and against efforts to impugn the loyalty of fellow citizens with whom we may occasionally disagree.

I therefore urge this House to accept responsibility for leading by example. Let us reject the temptation to reinforce our divisions. Instead, let us bind ourselves together with appreciation for our differences and a commitment to defend the dignity and worth of every human being. I urge this House to undertake the work of protecting and expanding the civil, religious, and human rights that are the best evidence that America remains the home of the brave and land of the free.

IN HONOR OF COMMISSIONER JACKSON "JACK" ANDERSON STONE, SR.

### HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. BISHOP of Georgia. Mr. Speaker, it is with a heavy heart and solemn remembrance that I rise today to pay tribute to an outstanding public servant and civic leader of Georgia, Commissioner Jackson "Jack" Anderson Stone, Sr., longtime County Commissioner of District 6 in Dougherty County, Georgia. Sadly, Commissioner Stone passed away on Thursday, September 24, 2015. A funeral service was held on Saturday, September 26, 2015 at 11:00 am at Sunnyside Baptist Church in Albany, Georgia.

A Georgia man through and through, Jackson Stone was born in Meigs, Georgia in 1941 to the late Grady and Neda West Stone. He proudly served our nation in the United States Army, serving one tour in Okinawa, Japan. When Jack returned to the United States, he built a career in the auto sales business and became Co-Owner and General Manager at Albany Lincoln Mercury. He subsequently founded his own businesses: Quick Auto Sales, Creekside Auto Sales and Creekside RV and Mobile Home Park.

For Jack Stone, family and community took the utmost priority in his life. With this in mind, he sought to improve his community and serve his fellow citizens as District 6 County Commissioner in Dougherty County, Georgia. His leadership and work ethic were widely respected, resulting in his serving as County Commissioner for twenty-eight years. His long tenure makes it clear that Commissioner Stone was admired and loved by his constituents and countless others in Southwest Georgia.

In addition to his civic duties, Commissioner Stone also served as a member of the Albany Chamber of Commerce and several other public service organizations in Albany and Dougherty County.

In his spare time, Commissioner Stone and his family enjoyed RV camping. He also took great pleasure in managing his farm, tending his cows and riding around with his dog, B.J.

Commissioner Stone has achieved much in his life but none of this would have been possible without the love and support of his wife of 52 years, Charlotte; his children, Jack, Blair, and Karen; his grandchildren, Ande, Lexie, Reverend Matthew, Taylor, Mark, Hannah, McKenzie, Shannon, and Josh; four great-grandchildren, Savanna, Lucas, Carson, and Brock; and a host of other family members and friends.

Mr. Speaker, my wife Vivian and I, along with the more than 730,000 residents of the Second Congressional District of Georgia, salute Commissioner Stone for his exceptional public service and everlasting commitment to his community. I ask my colleagues in the House of Representatives to join us in extending our deepest condolences to Commissioner Stone's family and friends during this difficult time. We pray that they will be consoled and comforted by an abiding faith and the Holy Spirit in the days, weeks and months ahead.

CODE OF ETHICS FOR THE  
AMVETS NATIONAL SERVICE  
FOUNDATION'S ATTORNEYS IN  
FACT

**HON. GUS M. BILIRAKIS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. BILIRAKIS. Mr. Speaker, I submit the following code of ethics for AMVETS' Attorneys-in-Fact. AMVETS is one of America's leading veterans' service organizations with over 250,000 members with a proud history of assisting veterans.

An attorney in fact is a person who is authorized to perform business-related transactions on behalf of someone else (the client), but not necessarily authorized to practice law. In order to become someone's attorney in fact,

a person must have the client sign a power of attorney document (VA Form 21-22).

RULES OF PROFESSIONAL CONDUCT

Rule 1: All AMVETS attorneys in fact will be honest when dealing with veterans and surviving family members. They will do the same when dealing with Department of Veterans' Affairs (VA) employees and other officials.

Rule 2: AMVETS attorneys in fact will submit quality claim packages for issues that may be granted; not sheer quantity to swell report numbers.

Rule 3: The attorney in fact claimant relationship is confidential by law and VA regulation. It will be protected at all times. The mandate to protect privileged information continues forever and applies equally to any clerical staff assigned to the office.

Rule 4: The attorney in fact will pursue a course of continuing education. They must stay current with new laws, regulations, VA's policies and procedures as well as all AMVETS policies and procedures promulgated by the AMVETS national service director.

Rule 5: The attorney in fact will determine all issues that occurred in-service. This is done through discussions with the client and a review of their supporting documents and records.

Rule 6: The attorney in fact will not sign off on any rating decisions that do not fully address, or defer for additional development, all issues contained in the claim.

Rule 7: Hardship claims will be expedited and closely monitored by the AMVETS attorney in fact to ensure a rapid decision and release of compensation and other benefits needed by the client.

Rule 8: AMVETS' attorney in fact will participate in all VA staff/veteran service organization (VSO) meetings called by the VA if available. Additionally, they will request staff meetings if problems arise due to VA's internal policy and procedures that need to be addressed.

Rule 9: AMVETS' attorney in fact will ensure VA examinations are complete, accurate and meet the current guidelines necessary for accurate rating decisions. Anything less than a complete examination may result in the client being denied benefits that are deserved under the current law.

Rule 10: It is not ethical for an attorney in fact to ask veterans to change their power of attorney (POA) from one VSO to another. Veterans represented by another organization should be referred to the organization that currently holds the power of attorney. However, if a veteran has a valid claim and insists on AMVETS' representation, then the POA may be accepted.

Rule 11: It is highly unprofessional to make any derogatory comments about another VSO.

Rule 12: AMVETS attorney in fact will establish rapport to educate and advise the client in the basics of VA law, policies procedures so they understand what documentation is required for their claim.

Rule 13: AMVETS will file an appeal only if the reason to appeal is based in fact (evidence contained in the client's record) or law (VA's failure to grant the benefit requested violates provisions contained in 38 Code of Federal Regulations). If a client wishes to file an appeal that the VA may never grant under the current law, then the AMVETS attorney in fact will not represent the claim since it has no merit.

Rule 14: Appeals should only be used as the last resort since they are a three to five

year process. Other avenues such as a request for reconsideration based on overlooked evidence of record or new and material evidence should be used first.

Rule 15: An AMVETS attorney in fact will not tell a client that they may not file an appeal. However, they will explain to a client, based on current law, what they must do in order to win an appeal. If the client is unable to provide the necessary records then AMVETS will not represent that claim as an appeal.

Rule 16: Under no circumstances will an AMVETS' attorney in fact solicit or accept any monetary gifts, goods or products in appreciation or compensation for their professional services.

Rule 17: AMVETS attorney in fact will never present a membership application to a veteran during the initial claim process. Doing so is akin to extortion. However, if a client requests a membership application, then they will be provided with one after they explain that membership is not required for their services.

60-YEAR CLASS REUNION OF THE  
1955 CLASS OF PAUL LAURENCE  
DUNBAR HIGH SCHOOL

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to join me in celebrating the class of 1955 of Paul Laurence Dunbar Senior High School in the District of Columbia as it celebrates its 60-year class reunion Saturday, October 3, 2015, its reunion committee and particularly Donald R. Wines for his phenomenal leadership with the Dunbar Alumni Federation, and Dunbar High School itself in history and today. I am fortunate to be an alumna of Dunbar High School and a member of this distinguished class.

Dunbar High School, which started in a church basement, was the first public high school for African Americans in the United States and remained segregated until 1954, when the District of Columbia was one of the six Brown v. Board of Education jurisdictions that successfully challenged segregated schools in the United States. Dunbar was instrumental in making the District of Columbia a bulwark of education for almost a century, attracting students from across the District, who were drawn by the school's excellent reputation. That same reputation was reinforced by Dunbar's remarkable record of graduating more distinguished African Americans than any high school in the country. Among them were Edward Brooke, the first Black popularly elected United States Senator; Robert C. Weaver, the first Black Cabinet member; Benjamin O. Davis Sr., the first Black general in the U.S. Army; Wesley Brown, the first Black graduate of the U.S. Naval Academy; Charles R. Drew, the discoverer of blood plasma; and Mary Jane Patterson, the first African American to achieve a college degree. Dunbar also drew teachers with advanced degrees who would have been college professors but for segregation in higher education that persisted at the time.
