

designated Piedmont Middle School as the first Global-Ready School under the Board's Global Education Strategic Plan and 15 schools have indicated an intent to apply for this designation in the upcoming year.

I am also proud that North Carolina is home to the nation's first statewide Global Schools Network that serves to connect teachers, school administrators, non-profit and for-profit partners with a deep commitment to international education and 21st century student preparation. The Network's founding partner is VIF International Education, based in my district, an organization that supports the efforts of more than 180 Global Schools in 22 districts across the state. These schools are a mix of urban, rural, low-wealth, affluent, magnet and traditional sites and each provides school-wide access to global learning experiences via international exchange programs, global competence training for all teachers, a school-wide global curriculum, virtual classroom to classroom partnerships, and/or dual-language/immersion programs. VIF's mission of 'Global Education for All' serves as a rallying cry for the schools statewide.

Our North Carolina universities further help to advance global competencies at the undergraduate and graduate level. For example, the statewide University of North Carolina (UNC) system hosts a myriad of global education programs, including World View, which provide daily proof of the positive impact of international exchange. And the Center for International Understanding (CIU), a program of UNC General Administration, is working to develop a first-in-the-nation strategy for North Carolina's business, government, nonprofits and educational institutions to strategically engage globally.

Many of our state's universities are also using IEW as an opportunity to inform students about how to participate in Study Abroad programs or other opportunities for international learning that encourage the exchange of knowledge and understanding and promote enlightened and responsible global citizenship. The UNC system-to-system student exchange partners currently total 32 campuses in seven countries, and individual UNC campuses offer numerous additional opportunities for students to study or intern overseas. In the 2012–2013 academic year, more than 6,300 UNC system students participated in a study abroad program, studying in 89 known countries, and the percentage of students participating expected to increase in future years. Further, there are global certificate programs at 6 UNC campuses and most campuses are developing strategies to enhance such offerings. There are also countless faculty-to-faculty interactions that occur across nations in a variety of ways, primarily through research.

During this International Education Week, I rise to celebrate these and the many other North Carolina-based organizations that are working day-in and day-out to ensure that our state continues to benefit from the efforts of international education. Further, I re-state my commitment to working this week, and every week, to help ensure that global competence is the norm rather than the exception for every student.

HONORING THE ACHIEVEMENTS OF BRIGADIER GENERAL FREDERICK R. PAYNE, JR., USMC, RET. ON THE OCCASION OF HIS PASSING

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 19, 2015

Mr. RUIZ. Mr. Speaker, today I rise to honor the life of Brigadier General Frederick "Fritz" R. Payne, Jr., a Marine Corps American Fighter Ace, recipient of a Congressional Gold Medal, dedicated husband to the late Dorothy Payne, and proud father and grandfather.

General Payne led a life centered on service, commitment, and sacrifice. In May, I was honored to present General Payne with the Congressional Gold Medal for his dedicated service to the Marine Corps and status as the oldest living American Fighter Ace, an elite group of pilots having downed at least five enemy aircraft in battle. Time after time, General Payne risked his life to preserve the freedom of all Americans, and time after time, General Payne was successful in his mission. For this, I am grateful.

In 1935, after graduating from the University of Arizona, Fritz joined the Marine Corps in an effort to pursue his dream of becoming a pilot. Not only did he achieve this dream, but after encountering fierce conflict over Guadalcanal in the Solomon Islands Area, he also achieved status among the most elite fighter pilots, American Fighter Aces. Our freedom endures because of the bravery of men and women like General Payne.

General Payne is survived by his two sons, Robert Payne and Dewitt Payne; daughter Elizabeth Ann Payne; and three grandchildren. His wife, Dorothy Payne, predeceased him in 2011.

Mr. Speaker, General Payne's selfless service and vast military achievements in pursuit of the preservation of our American freedoms and ideals deserves acknowledgement. On behalf of all Americans, and in particular the residents of California's 36th Congressional District, I would like to honor the life and military service of Brigadier General Frederick "Fritz" R. Payne, Jr.

HONORING THE JOHNSON-PHELPS VFW POST #5220 ON THEIR 80TH ANNIVERSARY

HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 19, 2015

Mr. LIPINSKI. Mr. Speaker, I rise today to honor the Johnson-Phelps Veterans of Foreign Wars Post #5220 of Oak Lawn, Illinois for celebrating 80 years of existing as a community organization. I appreciate all the hard work the Johnson-Phelps VFW has done to assist our nation's brave foreign war veterans.

The VFW's mission is, "To foster camaraderie among United States veterans of overseas conflicts; to serve our veterans, the military and our communities; [and] to advocate on behalf of all veterans." The Johnson-Phelps VFW Post has excelled at fulfilling this mission by honoring the sacrifices of our vet-

erans and admirably serving our community. The Johnson-Phelps Post was formed in 1945 by a group of veterans returning from the Second World War. The Post was named for Mr. Raymond Johnson and Mr. Leslie Phelps, both killed in action during WWII. The newly formed Post chose Mr. Johnson's and Mr. Phelps' names from a hat that included the names of all 23 men from the Oak Lawn area that were killed in the war. The current Post building was completed in 1951, built in large part by the Post's own members. The Johnson-Phelps Post later merged with six other posts in the Southwest Chicagoland area, the oldest of which was chartered in 1935.

The Post's achievement and dedication to service is made possible today by Commander Richard Bukowski, Sr. Vice Commander Thomas Krone, and Jr. Vice Commander Bryant Reed. Their dedication to serving the community is shown through programs such as the well-known Voice of Democracy & Patriots Pen Scholarship Competitions. They also provide for the public by hosting and sponsoring important local events in our community.

Throughout the United States, and in the Third District of Illinois, the VFW has worked tirelessly to improve our communities and support the needs of our war veterans. The VFW has repeatedly advocated for better medical care and benefits for veterans, and has been instrumental in the funding efforts for our nation's war memorials.

Mr. Speaker, I ask my colleagues to join me in recognizing the Johnson-Phelps VFW Post #5220 of Oak Lawn, Illinois for this significant achievement. The members of the VFW have done a tremendous job serving and representing the third district of Illinois and I wish them all the best.

IN RECOGNITION OF NATIONAL FAMILY CAREGIVERS MONTH

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 19, 2015

Mr. KEATING. Mr. Speaker, I rise in recognition of November as National Family Caregivers Month, and to honor family caregivers in the Ninth Congressional District of Massachusetts and across the country.

Every day, millions of Americans dedicate their time, energy, and resources to care for their loved ones. In the last year, it is estimated that over 43 million adults—parents, children, siblings, spouses, friends, and neighbors—have provided unpaid care to an adult or child in need.

The tireless and selfless devotion of caregivers allows millions of Americans to live a full—and fulfilling—life. Many caregivers balance full-time careers and the many daily demands of modern life. Family caregivers provide an estimated \$450 billion in care and immeasurable support every year. Studies show that this not only provides health benefits and increases the life expectancy of those cared for, but can also increase the life expectancy for the caregivers by an average of nine months. As the number of older Americans rises, so too, will the number of caregivers. It is critical that legislators, regulators, and the general public unite to provide them with the resources—and respect—they deserve.

As we take time this month to acknowledge the exceptional efforts of caregivers, I would like to make special note of the many organizations that advocate, develop best practice programs, and provide resources for millions of caregivers around the nation, including many in Massachusetts. The ARC of Greater Plymouth County, Friends Or Relatives With Autism and Related Disabilities (FORWARD), Alzheimer's Family Support Center of Cape Cod, Coastline Elderly, and Old Colony Elder Services are but a few of the instrumental organizations assisting caregivers in the Commonwealth.

Mr. Speaker, during National Family Caregivers Month, I urge my colleagues to join me in recognizing the dedication of caregivers and to pledge our continued support for their selfless efforts.

IN RECOGNITION OF CAPTAIN
RHONDA R. POWELL

HON. JOHN LEWIS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 19, 2015

Mr. LEWIS. Mr. Speaker, I rise to pay tribute to Captain Rhonda Powell, a daughter of Metro Atlanta, for her extraordinary service to the nation while serving in the United States Army for the past 23 years.

Since the beginning of her career, Captain Powell exhibited a steadfast commitment and dedication to serving her country. A graduate of the University of Memphis and George Washington University, Captain Powell has been stationed in Fort Gillem, Fort Bragg, and is currently a congressional legislative liaison to the Office of the Chief, Army Reserve for the U.S. Department of Defense at the Pentagon.

While deployed in Doha, Qatar from 2006–2007, Captain Powell served as the detachment commander of the 312th Adjutant General Company in direct support of Operation Iraqi Freedom to Camp As Sayliyah. Captain Powell exhibited strong operational planning and intelligence analysis, and assumed duties as the officer in charge (OIC) of the Quick Reaction Force element on Camp As Sayliyah. She not only supported the health, welfare, morale, and development of her assigned soldiers, but also led her team in rapid responses to threats and other developments on or near the base.

In her current role interfacing with the U.S. Congress, Captain Powell used her experience in military relations to establish the Soldiers and Leaders United Through Engagements (SALUTE) Program. This unique and timely initiative helps connect Members of Congress with issues and experiences facing American soldiers.

Upon her retirement next month, Captain Powell plans to return to her roots in Atlanta, where her parents still reside near Howell Mill Road, and to begin a new chapter of her life. Mr. Speaker, I join others in congratulating and thanking Captain Powell, for her service, perseverance, hard work, and contributions to our nation. I and the other residents of Georgia's 5th Congressional District are happy and proud to welcome her home.

TRIBUTE TO DR. BILLYE BROWN

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 19, 2015

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, as the first registered nurse elected to the U.S. Congress, I would like to take a moment to congratulate a remarkable woman for her remarkable devotion to the nursing community, as well as wish her a safe and happy 90th birthday.

Dr. Billye Brown graduated from nursing school at Arkansas Baptist Hospital in Little Rock and received a Bachelor's degree in Nursing Education from the University of Texas' Medical Branch School of Nursing at Galveston, Texas. She earned her Master's degree in Nursing Education from St. Louis University and a Doctor of Education degree from Baylor University in Waco, Texas.

Internationally recognized as a leader in education and administration, Dr. Billye J. Brown has been at the forefront of nursing for more than 30 years through her achievements as both professor and dean at the University of Texas at Austin School of Nursing, and as a prominent leader in nursing's most distinguished professional organizations.

In 2013, the American Nurses Credentialing Center, a subsidiary of the American Nurses Association, awarded Billye its prestigious President's Award to honor her lifetime contributions to the nursing profession, including her support of original research in the 1980s that led to the establishment of ANCC's Magnet Recognition Program.

During her years at The University of Texas at Austin, Billye was dean and professor of the School of Nursing for 17 years. Billye's visionary approach to teaching and administration led to her appointment as the LaQuinta Motor Inns Centennial Professor in 1983 and her induction into the Hall of Fame at the University of Texas' School of Nursing at Galveston in 1992.

Her numerous professional awards and honors include being named Nurse of the Year by the Texas Nurses' Association; her selection as one of the Most Influential Women in Education by the Austin American Statesman; and resolutions passed by the State of Texas Senate and House of Representatives acknowledging her contributions to nursing.

At the national and international level, Billye is widely respected for her service as past president of both the American Association of Colleges of Nursing and Sigma Theta Tau International (STTI). As chairman of the fundraising task force for STTI, Billye led a successful multi-year campaign that produced more than \$7 million in planned gifts. She was honored by the AACN with the Sister Bernadette Armiger Award.

In 1999, STTI selected Billye for the Mary Tolle Wright Award for Excellence in Leadership and announced the formation of the Billye Brown Society to pay homage to her dedication to planned giving efforts that contribute to the advancement of scholarly nursing. She was recognized with the Nell J. Watts Lifetime Achievement in Nursing Award at the 2007 STTI Biennial Convention. Billye was recognized as the 2010 American Academy of Nursing Living Legend, and in 2011 she was selected to receive the prestigious National

League for Nursing President's Award for an Enduring Legacy in Nursing Education.

Mr. Speaker, the only list more longer and more plentiful than the list of Billye's professional achievements is the list of people whose lives she has touched. She dedicated her life to nursing because it is a profession on the forefront of patient care, human interaction, and practiced compassion. Her work is selfless, but she is so humble, she would never even say that. Her life is for others, but today is for her. May the RECORD recognize Dr. Billye Brown's historic career and milestone birthday.

IN RECOGNITION OF NATIONAL
DIABETES MONTH

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 19, 2015

Mr. KEATING. Mr. Speaker, I rise today to recognize National Diabetes Month, during which we reflect on the importance of understanding, treating, and caring for this serious condition.

The diabetes endemic is a present and growing threat in today's society. Close to 30 million Americans have diabetes, while another 86 million are pre-diabetic. According to the Centers for Disease Control, if current trends continue, 1 in 3 Americans will have diabetes by 2050.

The economic burden of diabetes, pre-diabetes and the largely preventable chronic diseases resulting from diabetes costs the United States approximately \$245 billion. Many of these costs are associated with diabetes-related complications, including kidney failure, blindness, and amputations. Diabetes is also a major cause of heart disease and stroke.

To address this problem, it is critical that we make investments in diabetes prevention, care, and treatment. In my district and throughout the Commonwealth of Massachusetts, citizens are benefiting from the exceptional efforts of the Juvenile Diabetes Research Foundation and the New England Office of the American Diabetes Association. These organizations are dedicated to raising awareness, providing support to patients and families, and funding promising diabetes research. Both of these organizations are also extraordinary advocates on behalf of families and individuals living with diabetes.

Mr. Speaker, I urge my colleagues to join me in honoring November as National Diabetes Month and in supporting diabetes research and care.

AMERICAN LEGION POST 117
VETERANS DAY CEREMONY

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 19, 2015

Mr. WITTMAN. Mr. Speaker, I rise today to submit a Veterans Day speech written and delivered by Mr. Don Hirst to American Legion Post 117 on Veterans Day 2015.
