NATIONAL RURAL HEALTH DAY

(Mr. SMITH of Nebraska asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Nebraska. Mr. Speaker, I rise today to honor the fifth annual National Rural Health Day. The third Thursday in November is set aside each year by the National Organization of State Offices of Rural Health to recognize the unique healthcare needs of and challenges facing rural Americans and their communities.

These challenges include fewer healthcare providers and longer travel distances. The hospitals serving rural communities continue to be burdened by arbitrary regulations such as physician supervision regulations as well as the 96-hour certification rules which we certainly need to address.

Mr. Speaker, this year, rural consumers in 12 States also face the challenge of finding a new insurance plan because the so-called Consumer Oriented and Operated Plan, or CO-OP, created by ObamaCare, from which they purchase coverage, has failed. This includes 120,000 Nebraskans and Iowans who bought coverage through CoOpportunity Health.

Mr. Speaker, consumers and taxpayers deserve to know what went wrong with the CO-OPs and whether the \$2.4 billion in Federal loans to this failing program will be repaid. I will continue to fight for these answers.
