

She also worked at Kaiser Permanente for three years where she was responsible for quality management, medical staff services, infection control, medical record, member services and risk management over four medical centers. Quality control is part of Ms. Currin's DNA and inactivity alien to her character.

While Ms. Currin held one of the most demanding jobs in the health care profession, she made time to serve on several boards and committees, including the Hospital Councils of San Francisco and Northern and Central California, the American Hospital Association, the California Association of Public Hospitals, America's Essential Hospitals Education Committee and CareForce. As you can see from this list, Ms. Currin invented multitasking.

As the daughter of a military family Sue Currin grew up traveling the world. After her older brother was born in Japan, her parents were transferred to Hamilton Air Force Base in California where she was born. The family then moved to France where her sister was born. From there it was back to the U.S., Illinois and again California. She attended American River Community College, Tacoma Community College in Washington, graduated with a BA in Science in Nursing from San Francisco State University and then with a Master's of Science in Nursing from the University of California, San Francisco.

She and her husband of 34 years, Manny Ungson, have two successful and wonderful sons, Justin and Adam Currin Ungson. In her well-deserved retirement, Ms. Currin will finally have more time to quilt and to cook with her family, her favorite pastimes.

Mr. Speaker, I ask the House of Representatives to rise with me to honor Sue Currin, an outstanding hospital leader who has shaped the health care landscape of San Francisco and the Bay Area. Her tireless efforts to improve the lives of others and her contributions to the city will be felt for decades to come.

HONORING ARTSWESTCHESTER
50TH ANNIVERSARY

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, November 30, 2015

Mr. ENGEL. Mr. Speaker, organizations that celebrate and promote the arts are an invaluable part of any great community. For 50 years, ArtsWestchester has connected the entire Westchester community with the arts through incredible exhibitions, programming, events, and initiatives for people of all ages. Their value to our local communities and neighborhoods cannot be understated.

Founded in 1965, ArtsWestchester is the largest private, not-for-profit arts council in New York State, and a recognized leader among arts councils nationwide. The ArtsWestchester mission is to provide leadership, vision, and support to the local arts scene, while ensuring the availability, accessibility, and diversity of the arts in Westchester. Every year, ArtsWestchester distributes over \$1 million in grants to artists and arts organizations, and markets the arts for over 150 cultural organizations and 1,000 artists on their website, as well as in their monthly publication, ArtsNews.

ArtsWestchester also owns and operates the Arts Exchange, a historic landmark building on Mamaroneck Avenue in White Plains, which serves as a haven for local artists to create, perform, rehearse, and showcase their work. The building is constantly humming with activity; and epitomizes exactly what ArtsWestchester is all about.

In addition to the cultural impact, Arts Westchester has also had a profound economic impact on the area. In 2010 alone, the arts in Westchester accounted for over \$156.44 million in economic activity, due in no small part to the work of ArtsWestchester. The combination of economic growth and cultural artistry is a powerful one, and its positive affect on the entire region has been felt as a result.

On November 20, 2015 ArtsWestchester is celebrating its 50th Anniversary Gala. I want to congratulate the entire organization on the occasion, and thank them for all of their great contributions to Westchester.

HONORING DOUG GLAESER

HON. GRACE F. NAPOLITANO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 30, 2015

Mrs. NAPOLITANO. Mr. Speaker, I rise to honor the long career of public service provided by an outstanding constituent from my district, Doug Glaeser, who has served the San Gabriel Valley and the students, professors, and staff of Cal Poly Pomona University with distinction as the Director of Government affairs and a Political Science Professor for the past 30 years.

Doug has been an invaluable resource to me and my staff, and will be truly missed. He has assisted my office in connecting professors and students with government officials to research and find solutions for challenges facing our state and nation.

Doug has organized multiple water conferences that I have held at Cal Poly which have led to University researchers working with water agencies and policy makers to improve water conservation for residents, businesses, and agriculture. He also facilitated workforce development programs to improve the current and next generation of our water workforce.

Doug has also established partnerships between Cal Poly and the Air Force that have created applied educational experiences for students to prepare them for careers in the public and private aerospace industry. He was successful in working with our office to garner \$5 million in federal funding to improve the Engineering Department's Aerospace Laboratories. These laboratories have led to expanded educational opportunities for students, improved research capabilities for professors, and modeling and simulation assistance for the Air Force.

Doug's work has not been limited to the betterment of Cal Poly alone; he has been a strong advocate for the California State University system as well as all higher educational institutions in California. He has been a leader in opening up opportunities for Latino students and Hispanic-Serving Institutions by advocating for legislation that seeks to improve federal programs which target educational opportunities for Hispanic students in

the Agricultural, Natural Resources, and Military sectors.

Mr. Speaker, I would also note that outside of his job at Cal Poly, Doug volunteers much of his time to organizing, managing, and officiating swimming and water polo competitions throughout the state of California. His commitment to improving both the academic and athletic pursuits of our students is exemplary.

Doug's accomplishments for our community are a product of the kindness, knowledge, humor and enthusiasm that he exudes every day. We will miss Doug's visits to my office and his bright smile, his warm greeting to everyone in the office, and the delicious avocados he brings from the Cal Poly Farm Store.

Doug's proudest achievement is the success of his children Kimberley, Kevin and Daniel, and his grandson Alex. I have been particularly fortunate to get to know Kimberley, as she was an intern in my office and has gone on to serve our country as a Naval Aviator. I was honored to join Doug and his family at Kimberley's winging ceremony early this year in Pensacola, FL.

Mr. Speaker, on behalf of the people of the San Gabriel Valley, and the Cal Poly Pomona community, I ask my colleagues to join me in congratulating Doug Glaeser on his retirement, and thanking him for his long career of public service to Cal Poly Pomona, the State of California and our nation.

Ms. LEE. Mr. Speaker, I rise today to honor Mr. Joe Dorsey on the occasion of his 80th birthday. Mr. Dorsey has had an incredible career in sports and serving his community.

Joe was born in 1935, in Waco, Texas, to Charlie and Aldora Dorsey. He had five sisters: Ollie, Charlie, Alta, Evelyn, and Loretta. In 1945, his family moved to California and settled in Albany. His father later opened and operated Dorsey's Locker, a popular neighborhood restaurant and bar in Oakland. It was more than a social hotspot but a haven that provided jobs for members of the community for nearly 60 years.

From 1948 to 1954, Joe attended Albany High School where he was a three-sport letterman. He led Albany High to four basketball and three baseball championships. During his senior year, he served as captain of both teams and was selected to the all-league teams to play both sports.

Joe graduated from Albany High School in 1954 and enrolled in Contra Costa Junior College, where he continued to play basketball
