

Marin Green Award and the Peter Behr Lifetime Achievement Award from the MCL, and was recognized by the U.S. Army Corps of Engineers for her contributions.

One area she was especially passionate about was protecting the San Rafael shoreline. Along with serving on MCL's Bayfront Committee, she conducted monthly bird counts, organized work parties to remove invasive plants, and tested water salinity. In 2003, San Rafael recognized the efforts of her and her husband, John, who passed away in 2001, with the creation of the Jean and John Starkweather Shoreline Park.

Mrs. Starkweather's persistent advocacy to preserve natural spaces, wildlife, and wetlands in the North Bay are worthy of our thanks and admiration. It is therefore appropriate that we pay tribute to her today and express our deepest condolences to her sons David, Stephen, and Tim.

RECOGNIZING THE SOUTH CHINA
SEA PEACE INITIATIVE OF TAI-
WANese PRESIDENT MA

HON. MIKE BISHOP

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 17, 2015

Mr. BISHOP of Michigan. Mr. Speaker, the United States and Taiwan enjoy deep and close relationship that covers areas including security, culture, and trade. Taiwan has played a significant role in promoting democracy in the East Asia and contributed to international development, humanitarian missions, and regional stability, such as in the South China Sea.

Earlier this year, Taiwan President Ma proposed the South China Sea Peace Initiative, calling on claimants in the region to resolve disputes peacefully through international laws, in particular the freedom of navigation and overflight, and consultations based on equality and reciprocity. I appreciate his leadership and efforts in promoting regional peace and stability.

On December 12, 2015, Taiwan's Minister of the Interior flew to the Taiping (Itu Aba) Island, which is the largest natural island in the Spratly islands and administered by ROC (Taiwan) government since 1946, and reiterated President Ma's South China Sea Peace Initiative. We encourage any efforts that contribute to lower regional tensions and hope all the parties involved will work together to maintain regional peace.

RECOGNIZING RON GAMBLE, VET-
ERAN AND OWNER OF VETERANS
UNITED CRAFT BREWERY

HON. ANDER CRENSHAW

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 17, 2015

Mr. CRENSHAW. Mr. Speaker, I rise today to recognize Ron Gamble, a local Navy veteran and small business owner of Veterans United Craft Brewery, located in Jacksonville, Florida. Mr. Gamble, along with a group of military veterans, started the local craft brewery in 2013. As a former Naval Flight Officer,

Mr. Gamble spent eight years active duty in the Navy and four years in the reserves.

Mr. Gamble first found his interest in brewing craft beer when his wife, Sheryl, presented him with a gift-wrapped box containing a bucket, a funnel, tubing, and various other odd-looking components. It was a simple, beer making kit. With a few, carefully-chosen ingredients, the possibilities for experimenting with this new home brewing hobby were endless.

Hobby turned to passion, and Mr. Gamble attended the renowned Siebel Institute of Technology in Chicago, Illinois for professional brewing. After several years managing brewhouse and cellar operations at multiple breweries in the New England area, Ron and Sheryl headed back home to sunny Jacksonville, Florida.

Veterans United Craft Brewery opened in August of 2014 with a goal to expand as a regional brewery. Today, Veterans United Craft Brewery is working to be known throughout the state of Florida as a quality craft brewery.

Veterans United is not only a veteran owned business, but a veteran operated business. Mr. Gamble believes it is important to employ local veterans looking for work but also finds that they are some of the best employees. Walking into the taproom you will find the walls covered in memorabilia connected to Mr. Gamble and his service, as well as history through the years of all branches of the military.

It is truly an honor to recognize Mr. Gamble and his contributions he has made to our Jacksonville community. Mr. Speaker, I hope you will join me in this very special congressional salute to Navy Veteran and Jacksonville business owner, Ron Gamble.

REMEMBERING DENNIS REZENDES,
NATION'S FIRST HOSPICE AD-
MINISTRATOR

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 17, 2015

Ms. DELAURO. Mr. Speaker, earlier this year, our nation lost a giant in the world of health care. Dennis Rezendes, one of the original creators of hospice care, passed away in June at his home, surrounded by family and friends and with care from the program he helped establish.

The son of second-generation immigrant parents, Dennis was born in Fall River, Massachusetts and grew up during the Great Depression. Enlisting in the United States Air Force following his graduation from high school, Dennis served his country with honor and distinction for six years during which time, as a Grand Control Approach operator, he was involved in the U.S. side of the Berlin Airlift. Following his honorable discharge, he attended the University of Maine where he graduated in 1957 with honors and a Bachelor of Science Degree in Public Management. He went on to earn his Master of Government Administration degree from the Wharton School of Business and Finance and the Fels Institute of Local and State government at the University of Pennsylvania.

Among his many professional endeavors, Dennis served former New Haven Mayor Richard Lee as the Director of Administration and

Budget Officer. It was during his time with the Lee Administration that I first got to know Dennis. He played an integral role in the rejuvenation of the City of New Haven, helping to initiate innovative programs designed to improve the physical and social state of the city and its residents.

Dennis' true passion was realized in 1974 when he joined a small group of doctors and nurses to create the first program of hospice care in the United States along with the construction of the first American hospice facility located in Branford, Connecticut. Dennis went on to found the National Hospice Organization where he served as its first Executive Director. He played a critical leadership role in the enactment of Medicare and Medicaid legislation and private insurance payment for hospice care as well as the enactment of innovative health legislation in Connecticut related to hospice care that was replicated in many other states.

His pioneering efforts were recognized by Presidents Carter and Reagan, former Speaker of the House of Representatives, Thomas "Tip" O'Neill, Senators Edward "Ted" Kennedy and Robert Dole as well as many others. Dennis' last effort in the hospice movement was the co-creation of Community Hospice Care in Anaheim Hills, California which grew to become the second largest program of hospice care in the country. Retiring in 1994, it is an understatement to say that Dennis left an indelible mark on our nation's health care system.

Above all else, Dennis was a deeply devoted family man. I extend my deepest sympathies to his wife, Beau; his daughter, Cheryl, and her husband Alan; his son Michael; his two stepsons Shane Hobart, and his wife Heather, and Seth, and his wife Nicole, as well as his six grandchildren August, Brook, Grace, Ethan, Eligh, and Jax.

Dennis Rezendes was an extraordinary man whose compassion and strong desire to make a difference changed the face of how we care for the terminally ill and their families in their last days. I consider myself fortunate to have known him and, like so many others, remain inspired by his vision and leadership. His is a legacy that will continue to touch the lives of those most in need for generations to come.
