

the Recreation and Public Purposes Act. The bill would also require the Tucson Unified School District to pay fair market value for the land and the revisionary interest received.

I want to thank the ranking member from the Committee on Natural Resources for his efforts on the legislation and urge an "aye" vote.

Mr. Speaker, I reserve the balance of my time.

Mr. CLAY. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I yield 3 minutes to the gentleman from Arizona (Mr. GRIJALVA), the sponsor and my good friend, and commend him for bringing this legislation to the floor.

Mr. GRIJALVA. Mr. Speaker, let me thank the gentleman from Missouri for his support of the legislation.

As we heard, H.R. 2009 is the culmination of a longstanding land agreement between Tucson Unified School District, TUSD, and the Pascua Yaqui Tribe.

Last Congress we finalized the first part of the agreement with the passage and signing of H.R. 507, which conveyed two 10-acre parcels to the tribe. Passage of this bill will complete the second part of the agreement to the mutual benefit of both parties involved as well as the surrounding communities.

The 40-acre parcel of land referenced in the bill is currently deeded to TUSD under the Recreation and Public Purposes Act, but TUSD has no intention of using the land for the stated purpose. Instead, the tribe will be able to utilize the parcel to construct flood control measures to protect the reservation and surrounding communities from flash flooding during Arizona monsoon season.

Additionally, the land conveyed to TUSD will allow the district to better plan for future expansion and best use scenarios without the encumbrances encountered under the Recreation and Public Purposes Act.

I would like to note that the tribe and TUSD have had, and continue to have, a great working relationship, especially when it comes to the land use decisions around the Pascua Yaqui reservation. This bill is a direct result of that relationship and was negotiated with input from all parties involved and with an eye to the most effective use of the parcels.

In closing, let me take the time to thank Chairman YOUNG and Ranking Member RUIZ for their work on the legislation in the subcommittee; and, of course, a special thanks to Chairman BISHOP for working with me to bring it to the floor today. I urge adoption of the legislation.

Mr. HARDY. Mr. Speaker, I would like to inform my colleague I have no further speakers.

I reserve the balance of my time.

Mr. CLAY. Mr. Speaker, I want to again thank Ranking Member GRIJALVA for bringing forward this legislation. I urge its quick adoption.

I yield back the balance of my time.

Mr. HARDY. Mr. Speaker, I yield back the balance of my time also.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Nevada (Mr. HARDY) that the House suspend the rules and pass the bill, H.R. 2009, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
