

have to be over 21 and legally allowed to work, which means you can be a Syrian refugee and have gotten one of the work permits this administration hands out as a basic form of amnesty or maybe be part of a gang bang group that came up from Central America and lied about who you were, where you were coming from, and got a work permit through this President's amnesty bill, you are welcome to go to work at Dulles providing security. Great stuff.

And then this article: "American-born children of immigrants proving fruitful recruiting ground for jihad in the U.S." It seems like I have been talking about that for 6 years. People come over here on visas, they have children, and then the children are taught to hate America.

In fact, our own al-Awlaki, the first American citizen to have been killed by presidential order with a drone strike, even though he had worked with the administration, he has led prayers. He is so dangerous, the Muslim staffers here on Capitol Hill had him lead their prayers a number of times. So dangerous, the President had to take him out with a drone strike, and yet he was an American citizen only because his parents came over on college visas, had him here, took him back to Yemen and taught him to hate America.

"Orlando Terrorist Worked for Same Security Contractor That Has Been Moving Illegal Aliens Into the United States by the Vanload." This is from Debra Heine, June 13, from PJ Media.

"FBI Twice Probed Orlando Gunman," from Devlin Barrett, June 13, The Wall Street Journal.

The FBI, the government, and homeland security had all kinds of warnings, but they chose to keep playing patsy with people that hate America, who are bigoted, racist Islamic supremacists, and the Nation has suffered as a result.

So what are we going to do? We are supposed to take up a bill. And I applaud our party's leaders. They have made very clear that the President is making a severe mistake by not using the term "Islamic terrorists." So we are taking up a nine-page bill tomorrow that uses the President's term repeatedly, over and over, "countering violent extremism." We never use the term "Islam."

We require reports and training, basically, in the Secretary's discretion, if he wants to. The bottom line is it gives cover for countering violent extremism when we are supposed to be pointing out radical Islamists are our enemy.

This is not the bill we should be passing.

Mr. Speaker, I yield back the balance of my time.
