PUBLICATION OF BUDGETARY MATERIAL

STATUS REPORT ON CURRENT SPENDING LEVELS OF ON-BUDGET SPENDING AND REVENUES FOR FY 2016 AND THE 10-YEAR PERIOD FY 2016 THROUGH FY 2025

HOUSE OF REPRESENTATIVES,
COMMITTEE ON THE BUDGET,
Washington, DC, December 16, 2016.

Hon. PAUL RYAN,
Speaker,
House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: To facilitate application of sections 302 and 311 of the Congressional Budget Act, I am transmitting an updated status report on the current levels of on-budget spending and revenues for fiscal year 2016, and for the 10-year period of fiscal years 2016 through 2025. This status report is current through the end of fiscal year 2016. The term “current level” refers to the amounts of spending and revenues estimated for each fiscal year based on laws enacted or awaiting the President’s signature.

Table 1 in the report compares the current levels of total budget authority, outlays, and revenues to the overall limits, as adjusted, contained in the conference report on S. Con. Res. 11, as agreed to on May 5, 2015, for fiscal year 2016, and for the 10-year period of fiscal years 2016 through 2025. This comparison is needed to implement section 311(a) of the Congressional Budget Act, which creates a point of order against measures that would breach the budget resolution’s aggregate lev-

els. The table does not show budget authority and outlays for years after fiscal year 2016 because appropriations for those years have not yet been completed.

Table 2 compares the current levels of budget authority and outlays for legislative action completed by each authorizing committee with the limits contained in the conference report on S. Con. Res. 11, as agreed to on May 5, 2015, for fiscal year 2016 and for the 10-year period of fiscal years 2016 through 2025. For fiscal year 2016 and the 10-year period of fiscal years 2016 through 2025, “legislative action” refers to legislation enacted after the adoption of the levels set forth in the conference agreement on S. Con. Res. 11. This comparison is needed to enforce section 302(f) of the Congressional Budget Act, which creates a point of order against measures that would breach the section 302(a) allocation of new budget authority for the committee that reported the measure. It is also needed to implement section 311(b), which exempts committees that comply with their allocations from the point of order under section 311(a).

Table 3 compares the current status of discretionary appropriations for fiscal year 2016 with the “section 302(b)” suballocations of discretionary budget authority and outlays among Appropriations subcommittees. The comparison is needed to enforce section 302(f) of the Congressional Budget Act because the point of order under that section equally applies to measures that would breach the applicable section 302(b) sub-allocation. The table also provides supple-

mentary information on spending in excess of the base discretionary spending caps allowed under section 251(b) of the Balanced Budget and Emergency Deficit Control Act.

Table 4 compares the levels of changes in mandatory programs (CHIMPs) contained in appropriations acts with the permissible limits on CHIMPs as specified in sections 3103 and 3104 of S. Con. Res. 11. The comparison is needed to enforce a point of order established in S. Con. Res. 11 against fiscal year 2016 appropriations measures containing CHIMPs that would breach the permissible limits for fiscal year 2016.

Table 5 displays the current level of advance appropriations for fiscal year 2017 of accounts identified for advance appropriations under section 3304 of S. Con. Res. 11. These tables are needed to enforce a point of order against appropriations bills containing advance appropriations that are: (i) not identified in the statement of managers and (ii) would cause the aggregate amount of such appropriations to exceed the level specified in the budget resolution.

In addition, letters from the Congressional Budget Office are attached that summarize and compare the budget impact of enacted legislation that occurred after adoption of the budget resolution against the budget resolution aggregates in force.

If you have any questions, please contact Jim Herz or Jim Bates at (202) 226–7270.

Sincerely,

TOM PRICE, M.D.,
Chairman.

TABLE 1—REPORT TO THE SPEAKER FROM THE COMMITTEE ON THE BUDGET, STATUS OF THE FISCAL YEAR 2016, AND 2016–2025 CONGRESSIONAL BUDGET, REFLECTING ACTION COMPLETED AS OF SEPTEMBER 30, 2016

(On-budget amounts, in millions of dollars)

U.S. CONGRESS,
 CONGRESSIONAL BUDGET OFFICE,
 Washington, DC, December 16, 2016.
 Hon. TOM PRICE, M.D.,
 Chairman, Committee on the Budget, House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The enclosed report shows the effects of Congressional action on the fiscal year 2016 budget and is current through September 30, 2016. This report is submitted under section 308(b) and in aid of section 311 of the Congressional Budget Act, as amended.

The estimates of budget authority, outlays, and revenues are consistent with the technical and economic assumptions of S. Con. Res. 11, the Concurrent Resolution on the Budget for Fiscal Year 2016.

Since our last letter dated June 6, 2016, the Congress has cleared and the President has signed the Continuing Appropriations and Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2017 and Zika Response and Preparedness Act (Public Law 114-223). That act had significant effects on budget authority in fiscal year 2016.

Sincerely,

KEITH HALL,
 Director.

Enclosure.

FISCAL YEAR 2016 HOUSE CURRENT LEVEL REPORT THROUGH SEPTEMBER 30, 2016

Current Level Under House Resolution	n.a.	n.a.	516,645

Source: Congressional Budget Office.

Notes: n.a. = not applicable; P.L. = Public Law.

^a Includes the following acts that affect budget authority, outlays, or revenues, and were cleared by the Congress during this session, but before the adoption of S. Con. Res. 11, the Concurrent Resolution on the Budget for Fiscal Year 2016: the Terrorism Risk Insurance Program Reauthorization Act of 2014 (P.L. 114-1); the Department of Homeland Security Appropriations Act, 2015 (P.L. 114-4) and the Medicare Access and CHIP Reauthorization Act of 2015 (P.L. 114-10).

^b Pursuant to section 314(d) of the Congressional Budget Act of 1974, amounts designated as an emergency requirement pursuant to 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 shall not count for purposes of Title III and Title IV of the Congressional Budget Act. The amounts so designated for 2016, which are not included in the current level totals, are as follows:

	Budget authority	Outlays	Revenues
Surface Transportation and Veterans Health Care Choice Improvement Act of 2015	0	917	0
Continuing Appropriations Resolution, 2016	700	775	0
Consolidated Appropriations Act, 2016	-2	236	0
Continuing Appropriations and Military Construction, Veteran Affairs, and Related Agencies Appropriations Act, 2017, and Zika Response and Preparedness Act (P.L. 114-223) ^c	876	0	0
Total, amounts designated as emergency requirements	1,574	1,928	0

^c Certain provisions included in Divisions B, C, and D of P.L. 114-223 provided supplemental appropriations for fiscal year 2016 which, on net, provided an additional \$1,208 million in budget authority in fiscal year 2016. CBO estimated that:

Division B would result in an additional \$1,108 million in budget authority in fiscal year 2016 for emergency requirements;
 Section 145 of Division C would result in an additional \$500 million in budget authority in fiscal year 2016 for disaster relief; and
 Division D would result in decreases in budget authority in fiscal year 2016 of \$232 million for emergency requirements, and of \$168 million for amounts not designated pursuant to section 251(b)(2) of the Deficit Control Act.

^d For purposes of enforcing section 311 of the Congressional Budget Act in the House, the resolution, as approved by the House of Representatives, does not include budget authority, outlays, or revenues for off-budget amounts. As a result, current level does not include these items.

Periodically, the House Committee on the Budget revises the totals in S. Con. Res. 11, pursuant to various provisions of the resolution:

	Budget authority	Outlays	Revenues
Original House Resolution	3,039,215	3,091,442	2,676,733
Revisions:			
Adjustment for Program Integrity Spending	1,083	924	0
Adjustment for Senate Amendment to H.R. 1295, the Trade Preferences Extension Act, 2015	445	175	-766
Adjustment for H.R. 22, the FAST Act	72,880	70,252	22,137
