

Just as importantly as coming to the rescue of folks in distress, the U.S. Coast Guard Maritime Force Protection Unit Bangor quietly protects the Navy vessels homported in our region as they make the first and final stretches of their missions. I'm looking forward to welcoming members of the unit to Port Angeles when their new facilities are complete.

Mr. Speaker, this weekend our grateful community will recognize the *Active's* crew and Maritime Force Protection Unit Bangor at the 2018 Port Angeles Maritime Festival.

They deserve every bit of recognition. The men and women serving our region in the Coast Guard work selflessly around the clock to protect our fishermen, the environment and our region's security.

Please join me in honoring them today.

HONORING RYAN GRAHAM, COMMANDER OF THE QUEENS COUNTY COUNCIL VFW

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2018

Ms. MENG. Mr. Speaker, I rise today to honor the service of Ryan Scott Graham as the commander of the Queens County Council of the Veterans of Foreign Wars of the United States. Ryan graduated from John Adams High School in Ozone Park, New York in 2001. He then enlisted in the United States Air Force, where he served from 2002 to 2008. While in the Air Force, Ryan was deployed to Baghdad in support of Operation Iraqi Freedom. His honorable service included working as a stock control technician at Hurlburt Field to provide support for 257 special operations forces, and as a computer systems analyst at Langley Air Force Base to provide support for 136 combat air force units across the globe. For the last four years, Ryan has tirelessly advocated on behalf of the veterans of Queens County as commander of the Queens County Council VFW.

During his time as commander, he diligently worked with local, state, and federal government officials to promote legislation benefiting veterans and improving VA services. Ryan is committed to helping his fellow veterans and will continue in his role as a legislative advocate for the VFW and the veterans of Queens County.

Ryan is extremely well-respected in the Queens County community and is very attentive to the needs of his local veterans, providing them with the resources and support they need. When WWII veteran Leonard Miller's flagpole was destroyed twice by two major storms, Ryan and the Queens County Council VFW came to his aid and replaced the flagpole allowing Mr. Miller to again proudly display the American flag.

For his service to the veterans of Queens County and to our country, I ask all of my colleagues in the House of Representatives to join me in honoring Mr. Ryan Graham.

REMEMBERING JOHN WESLEY WARDROP

HON. BRADLEY BYRNE

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2018

Mr. BYRNE. Mr. Speaker, I rise today to remember a great Alabamian who tragically died the morning of Thursday, May 31 in a single-car crash near Atmore, Alabama.

At 10 a.m., an Alabama Army National Guard Humvee was involved in an automobile accident on I-65 that killed one soldier and injured the other. John Wesley Wardrop, 38, of Satsuma was killed when his 2009 military Humvee left the roadway and overturned.

Wardrop had devoted much of his life to serving our state and nation. He was a squad leader for the Alabama National Guard's 1165th Military Police Company out of Fairhope. At the time of the crash, he was on a mission preparing for his unit's annual training.

Wardrop was a staff sergeant for the National Guard. He served our country in the military for over twenty years and completed four tours of duty overseas.

Family members say that Wardrop was a man of steadfast faith. The night before his passing, he visited Living Hope Church in Saraland and made a donation to support the children's bible school program. He embodied what it means to be a servant leader.

Sergeant Wardrop left this worldly place helping others. That legacy of service and sacrifice is how he should always be remembered.

On behalf of Alabama's First Congressional District, I want to share our deepest condolences with his wife, Terri, and their two children, Madi and Logan. I hope you can take comfort in knowing that Sergeant Wardrop will forever be remembered for his service and sacrifice to our community, state, and nation.

IN RECOGNITION OF THE 25TH ANNIVERSARY OF SHILOH MANOR

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2018

Mr. CARTWRIGHT. Mr. Speaker, I rise to celebrate the 25th anniversary of Shiloh Manor, a senior housing complex located in the South Side neighborhood of Easton, Pennsylvania. The vision of Shiloh Manor began in the mind of the late Pastor Fred Davis of the Shiloh Baptist Church. In 1987, while attending a world conference in Japan, Pastor Davis met a former associate and a Philadelphia realtor who specialized in building complexes for senior citizens. With their renewed fellowship, Pastor Davis and Mr. Hatton developed a strategy to apply for a HUD sponsored loan to build a senior citizen's home. On their third application attempt in 1992, the application was approved for \$3.7 million dollars. Since the completion of Shiloh Manor in July 1993, the Greater Shiloh Church congregation, now led by Senior Pastor Phillip Davis, as well as the Board of Directors and the larger community rejoice in the Manor's 58 units, which provide affordable housing for senior citizens of diverse backgrounds.

The story of Shiloh Manor exemplifies how a group of inspired individuals can create meaningful change in their community. I commend the late Pastor Davis and those who carry on his vision for a strong, inclusive community. I wish them well as they celebrate this milestone anniversary through fellowship and worship.

IN RECOGNITION OF THE 80TH BIRTHDAY OF ELIZABETH ROSE O'HANDLEY

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2018

Mr. KEATING. Mr. Speaker, I rise today in recognition of Elizabeth O'Handley, a resident of Rockland, Massachusetts, who today celebrates her 80th birthday.

Elizabeth, more affectionately known as Betty or Betty O', was born on June 19, 1938 to Daniel and Rose MacDonald. She is the oldest of three sisters, mother to nine children, grandmother to 42, biological and through love, and great-grandmother to 10.

In her 40s, Betty made the decision to return to school to pursue her degree. She worked a full-time job and a part-time job and attended nursing school full-time while raising the 7 of her children who were still at home. There were many nights when she could be found at Dunkin' Donuts doing homework or studying because it was quieter than at home.

She currently works at the Brockton VA Hospital, where she has worked for over 35 years in the spinal cord injury unit. She was the recipient of the Pierik Award in recognition of her outstanding nursing skills.

Betty has been a devoted parishioner of Holy Family Church in Rockland since 1970 where all of her children were confirmed. She has lived her life as a woman of great faith who shared this by providing religious education to children through teaching CCD for many years. She has shown that being trustworthy, generous, and making everyone feel included are traits to be emulated. The words "great" and "exceptional" do not even begin to describe the truly amazing people like Betty.

Mr. Speaker, I am proud to honor Betty O'Handley on this joyous occasion of her 80th birthday. I ask that my colleagues join me in wishing her continued health and happiness.

HONORING REPRESENTATIVE LESTER WOLFF

HON. THOMAS R. SUOZZI

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2018

Mr. SUOZZI. Mr. Speaker, I rise today in honor of the illustrious public service career of former member of this body—Congressman Lester Wolff—who will soon be celebrating his 100th birthday.

In recognition of his monumental contributions to the preservation and protection of our environment, especially on Long Island's beautiful North Shore, I am proposing the renaming of the Oyster Bay National Wildlife

Refuge to the Congressman Lester Wolff National Wildlife Refuge.

These precious wetlands, at Congressman Lester Wolff's urging, were protected in 1968.

In 1967, the New York State Legislature—at the insistence of then Governor Nelson Rockefeller and master planner Robert Moses—authorized a bridge across the Long Island Sound.

Lester immediately saw that this bridge would despoil the pristine and precious resource of the Long Island Sound and soon found himself at the center of an enormous political fight.

Lester eventually won this fight and the Oyster Bay Wildlife Refuge was born. Lester's efforts in 1968 are an important part of our nation's environmental history.

I urge my colleagues to support the renaming to the Lester Wolff National Wildlife Refuge and I wish Lester a happy 100th year and many more.

Friday, June 8, 2018

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Earl Hafner. He was honored by Practical Farmers of Iowa with the 2018 Sustainable Agriculture Achievement Award at their annual conference in January.

They also raise tilapia in an aquaponics greenhouse.

Mr. Speaker, I applaud and congratulate Earl Hafner for this award and for working diligently in the Third Congressional district to make his community a better place to live and work. HONORING THE LIFE OF MICHAEL LANGBERG

HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2018

Mr. TED LIEU of California. Mr. Speaker, I rise to celebrate the prestigious career of Dr. Michael Langberg who retired from Cedars Sinai Hospital on May 1, 2018 after 37 years of service. Dr. Langberg, Senior Vice President and Chief Clinical Officer at Cedars Sinai Hospital, was also a permanent member of the California Department of Public Health's health care-associated infection advisory committee. He leaves behind a legacy of better quality care, improved health policy, and collaboration with hospitals around the country to ensure patient safety, particularly for those of limited means or with complex medical needs.

Dr. Langberg has always been a strong advocate of quality care and making it available for poorer communities. He is a highly respected national leader on patient safety and health care quality, who led the work at the American Hospital Association to review new care policy, identify potential unintended consequences, and convey those issues to the Centers for Medicare and Medicaid Services (CMS). His work also laid the foundation for the provision in the bipartisan 21st Century Cures Act that directed CMS to include an adjustment to the Hospital Readmissions Reduction Program to recognize the impact of sociodemographic factors on readmission rates.

In addition to Dr. Langberg's many successes, he has been an advocate for sharing both successes and failures in order to disseminate best practices and advance improvements in quality and safety, which has helped many hospitals across the nation learn how to keep patients safe and improve quality in care. Dr. Langberg has been an invited speaker at the Health Management Academy, the National Patient Safety Congress, and the Institute for Healthcare Improvement, and has testified before the California State Senate on physician quality performance in order to help legislators craft better public policy that supports improvement in health and health care.

For these reasons, I am delighted to recognize Dr. Michael Langberg and offer thanks for his selfless commitment to his community.

HONORING THE CAREER OF LIEUTENANT GENERAL KENNETH E. TOVO

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2018

Mr. HUDSON. Mr. Speaker, I rise today to recognize the extraordinary career of Lieutenant General Kenneth E. Tovo, the retiring Commanding General of the United States Army Special Operations Command located at Fort Bragg in North Carolina's Eighth Congressional District.

Raised in Saint James, New York, LTG Tovo began his military career while attending the United States Military Academy at West Point. After graduation, he was stationed at Fort Bragg as a Rifle Platoon Leader in the 82d Airborne Division. Serving in combat all over the world allowed LTG Tovo to gain invaluable experience that helped shape his distinguished career.

Deployed on numerous operational assignments around the globe and through some of our nation's toughest times, LTG Tovo always answered the call to serve our great nation. Some of his most notable engagements took place during his assignments with the 10th Special Forces Group. These deployments sent him to Iraq, Bosnia-Herzegovina and several countries in Europe supporting Operation Desert Storm, Joint Guard and Iraqi Freedom. Throughout these operations, he delivered on the promise to keep America safe and directly confront our enemies under the most difficult of conditions.

While defending our nation overseas, LTG Tovo's most important commitment remained to his family back home. He and his wife, Su-

zanne, raised two wonderful children during LTG Tovo's illustrious career. This country cannot repay the debt we owe to LTG Tovo and his family—the Tovos are true American heroes. I wish him well in what is sure to be an active retirement.

Mr. Speaker, please join me today in commemorating the career of Lieutenant General Kenneth E. Tovo.

RECOGNIZING THE RIBBON CUTTING OF THE NEW SARAH MILDRED LONG BRIDGE

HON. CHELLIE PINGREE

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2018

Ms. PINGREE. Mr. Speaker, as Representative for Maine's 1st Congressional District, I rise to mark a historic occasion in my home state. Today is the official ribbon cutting of the newly built Sarah Mildred Long Bridge.

This span is one of three critical connections between Portsmouth, New Hampshire, and Kittery, Maine. Its predecessor, built in 1940, carried thousands of people between our states every day, bore a rail line used to refuel submarines at the Navy's Portsmouth Naval Shipyard, and lifted to make way for marine traffic on the mighty Piscataqua River.

Retired after 76 years, that structure did these jobs well. But the one dedicated today is designed to do them even better and last an incredible 125 years. It was built by the hard-working men and women of Maine company Cianbro Corp., with the oversight of the Maine Department of Transportation and its counterparts at the New Hampshire Department of Transportation. It should be noted that a \$25 million grant from the federal Transportation Infrastructure Generating Economic Recovery program helped bring the costs of this sizeable project within reach.

A time capsule bearing this statement, along with other mementos of 2018, will be buried with instructions to open in 125 years. Until then, may this bridge serve our communities well and bear current and future generations of travelers safely to their destinations.

TRIBUTE TO ZACH STEWART

Friday, June 8, 2018

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Zach Stewart of Perry High School for winning the Class 3-A, 138-pound bracket at the Iowa High School State Wrestling tournament. Zach had a 54-5 record for the season.

Iowa has a long and proud history of strong wrestling programs, producing college and Olympic champions for years. Zach contributes his success to years of hard work and commitment and for the support from his parents, family, coaches and fellow teammates.

Mr. Speaker, the example set by Zach demonstrates the rewards of dedication and perseverance. It is an honor representing Zach and his family in the United States Congress and it is with great pride that I recognize them
